Sponsors: Peskin; Brown, Walton and Mandelman

Ordinance amending the Administrative Code to clarify that temporary evictions for capital improvements are intended to cover work that would make the unit hazardous, unhealthy, and/or uninhabitable, and are intended to last for the minimum amount of time required to complete the work; modify the standards that the Rent Board must consider when reviewing a request to authorize a temporary eviction for capital improvements to last more than three months; establish procedures for the landlord to inform the displaced tenant of the tenant's right to reoccupy the unit upon completion of the work; and establish that a landlord's failure to timely allow the tenant to reoccupy the unit may create a rebuttable presumption that the tenancy has been terminated by the landlord rather than by the tenant.
