If simultaneous interpretation services are used, speakers will be governed by the public testimony time limit applied to speakers not requesting interpretation assistance. Members of the public who want to display a document should place it on the overhead during their public comment and remove the document when they want the screen to return to live coverage of the meeting.

### **Americans with Disabilities Act (ADA) and Reasonable Accommodations**

The ADA is a civil rights law that protects people with different types of disabilities from discrimination in all aspects of social life. More specifically, Title II of the ADA requires that all programs offered through the state and local government such as the City and County of San Francisco must be accessible and usable to people with disabilities. The ADA and City policy require that people with disabilities have equal access to all City services, activities, and benefits. People with disabilities must have an equal opportunity to participate in the programs and services offered through the City and County of San Francisco. If you believe your rights under the ADA are violated, contact the ADA Coordinator.

Ordinance No. 90-10 added Section 2A.22.3 to the Administrative Code, which adopted a Citywide Americans with Disabilities Act Reasonable Modification Policy that requires City departments to: (1) provide notice to the public of the right to request reasonable modification; (2) respond promptly to such requests; (3) provide appropriate auxiliary aids and services to people with disabilities to ensure effective communication; and (4) train staff to respond to requests from the public for reasonable modification, and that requires the Mayor's Office on Disability to provide technical assistance to City departments responding to requests from the public for reasonable modifications.

Board of Supervisors' Rules of Order 1.3.3 does not permit remote public comment by members of the public at meetings of the Board and its committees, except as legally required to enable people with disabilities to participate in such meetings. If you require remote access as a means of reasonable accommodation under ADA, please contact the Clerk's Office to request remote access, including a description of the functional limitation(s) that precludes your ability to attend in person. Requests made at least 48 hours in advance of the meeting will help to ensure availability.
