Meeting Procedures

The Board of Supervisors is the legislative body of the City and County of San Francisco. The Board has several standing committees where ordinances and resolutions are the subject of hearings at which members of the public are urged to testify. The full Board does not hold a second public hearing on measures which have been heard in committee.

Board procedures do not permit: 1) persons in the audience to vocally express support or opposition to statements by Supervisors or by other persons testifying; 2) ringing and use of cell phones, pagers, and similar sound-producing electronic devices; 3) bringing in or displaying signs in the meeting room; and 4) standing in the meeting room.

Each member of the public will be allotted the same maximum number of minutes to speak as set by the President or Chair at the beginning of each item or public comment, excluding City representatives, except that public speakers using translation assistance will be allowed to testify for twice the amount of the public testimony time limit. If simultaneous translation services are used, speakers will be governed by the public testimony time limit applied to speakers not requesting translation assistance. Members of the public who want a document placed on the overhead for display should clearly state such and subsequently remove the document when they want the screen to return to live coverage of the meeting.

IMPORTANT INFORMATION: The public is encouraged to testify at Committee meetings. Persons unable to attend the meeting may submit to the City, by the time the proceedings begin, written comments regarding the agenda items above. These comments will be made a part of the official public record and shall be brought to the attention of the Board of Supervisors. COMMUNICATIONS

SPECIAL ORDER 2:00 P.M. - Mayor's Appearance Before The Board

(This item will be read at the Board Meeting on the second Tuesday of each month, unless rescheduled by the Mayor and the Board President. The Mayor and the Board may not discuss matters that have already been considered in Committee and that are on the Board's Agenda as an action item.

By supermajority vote of the Board of Supervisors (8 votes), the Board may, by oral motion, allow an eligible District Supervisor to ask a question that was not previously posed if the question relates to a sudden or unexpected incident or occurrence raising formal, time-sensitive policy questions that were not anticipated prior to the posting of this agenda. Public comment for this item will take place during general public comment.)

1. 121147 [Formal Policy Discussions - December 11, 2012]

Pursuant to Charter Sections 2.103 and 3.100(7), and Administrative Code, Section 2.11, the Mayor shall answer the following eligible questions submitted from Supervisors representing Districts 3 and 11. The Mayor may address the Board initially for up to five minutes. Discussion shall not exceed five minutes per Supervisor.

1. Mr. Mayor, in your March appearance before the Board, I asked you about Proposition I, passed by voters in November 2007 to create an Office of Small Business that supports small businesses in complying with the laws administered by 14 City departments. Prop I specifically stated that within four months of the Office's opening, the Office "shall issue a report that analyzes the existing laws, regulations, roles, procedures and responsibilities of all City departments that impact small businesses and make recommendations regarding the streamlining and consolidation of such departmental functions under the Office of Small Business."

You committed that this report would be completed by June of this year. As of today, no report has been published and no overall recommendations have been made to streamline and consolidate the functions of the 14 different City departments from which 80,000 small businesses seek approvals to do business.

Mr. Mayor, I look forward to continuing to work with your administration on a wide variety of efforts to assist small businesses. Will you re-commit to carrying out this mandate of Prop I, and when will this report be forthcoming? (Supervisor Chiu, District 3)

2. I recently asked the public to suggest questions to ask you, and I received a number of responses through Facebook and Twitter. Several of them were concerned about diversity in our local economy, such as the following from local comedian, Nato Green:

"What does the Mayor propose to promote a diversified economy in San Francisco, so the City is not simply high paid high finance or tech jobs and their low wage servants? Also will the Mayor crash the real estate market to make San Francisco affordable again?"

To elaborate on this, the 2010 census showed the largest population growths in the City were in very low income households and upper income households. In this year's "San Francisco Economic Strategy Update: Phase 1 Findings," the City's Chief Economist wrote that "the industries that create a more balanced distribution of job opportunities are, generally, in the local-serving sector of the economy, which has largely declined in recent years."

What is your plan to create living wage jobs in local-serving industries to prevent the City's middle and working classes from being displaced by people moving to the City for new upper income jobs in the creative (including high tech), financial, and professional service industries?

(And unlike Mr. Green's facetious remarks, I would prefer options that do not include crashing the real estate market.) (Supervisor Avalos, District 11)

Discussion: The Mayor shall discuss the eligible questions with the Board of Supervisors.

CONSENT AGENDA

All matters listed hereunder constitute a Consent Agenda, are considered to be routine by the Board of Supervisors and will be acted upon by a single roll call vote of the Board. There will be no separate discussion of these items unless a member of the Board so requests, in which event the matter shall be removed from the Consent Agenda and considered as a separate item.

Questions on the Consent Agenda are on final passage, first reading, adoption, or approved, as indicated.
