ADDENDUM

The following information are provided by speaker(s), pursuant to Administrative Code Section 67.16. The content is neither generated by, nor subject to approval or verification of accuracy by, the Clerk of the Board or the Board of Supervisors.

Ray Hartz submitted the following additional information during Public Comment as follows: There was public comment from James Chaffee, Ray Hartz and Peter Warfield regarding various aspects of the Branch Libraries Improvement Project and Friends of the Library. Their reference materials are addendums to the minutes and will be posted on the GGBOC web site. There was also a significant exchange between Committee members and Library staff regarding this issue, as well, with particular inquiry and concern over how the Library presented financials suggesting that monies spent by the Friends were included in the program totals. There were legitimate questions as to whether the City ever actually controlled these funds; the answer appears to be "no", which was not clear from the documents. The Committee gave direction to staff that the documents should be revised and provided to the Committee and public again. Going forward, more rigorous accounting standards should be used in presenting City financials.
