Ray Hartz submitted the following additional information during General Public Comment, as follows: "So what is with all these complaints before the Sunshine Ordinance Task Force? Almost all of them are related to a single group: The Friends of the San Francisco Public Library. This is a group of private individuals who raise money, supposedly to 'support the library.' What it really is: a SCAM and a FRAUD being perpetrated on the citizens of San Francisco. When the SFPL originally brought this 'scheme' to the BOS, former Supervisor Leland Yee refused to approve it because too little of the money actually went to the SFPL. The library went ahead and entered into this 'scheme,' regardless. Public records request show that the SFPL and the Library Commission have absolutely no idea how much this group raises and ignore the fact that out of \$MILLIONS of dollars raised each year, 10% or less actually goes to benefit the SFPL. 'The Friends' operate a fraud!"
