Remote Access to Information and Participation

In accordance with Governor Gavin Newsom's statewide order for all residents to "Stay at Home" - and the numerous preceding local and state proclamations, orders and supplemental directions - aggressive directives have been issued to slow down and reduce the spread of the COVID-19 virus.

Visit the SFGovTV website (www.sfgovtv.org) to stream the live meetings or watch them on demand.

As the COVID-19 disease progresses, please visit the Board's website regularly to be updated on the current situation as it affects the legislative process and the Board of Supervisors.

Angela Calvillo, Clerk of the Board, announced that due to the COVID-19 health emergency, Board Members will participate in the meeting remotely, through videoconference and to the same extent as if they were physically present. To the members of the public, when general public comment is called, you may contribute live comments for up to two minutes by dialing the provided telephone number. When you are connected, you will receive another prompt, dial "1-0" to be added to the queue to speak. Make sure to call from a quiet location, speak clearly and slowly, and turn down your television or radio. Written comments may be submitted through email (board.of.supervisors@sfgov.org) or the US Postal Service at City Hall, 1 Dr. Carlton B. Goodlett Place, Room 244, San Francisco, CA 94102.

EMERGENCY OPERATIONS CENTER (EOC) REPORT

President Yee thanked the members of the Board and their staff who have provided coverage at the EOC during the past few months. The Board is reevaluating the most effective allocation of their time and will determine whether they will continue a presence at the EOC while focusing on their policy making roles. President Yee and Mayor Breed have convened a task force to focus on the economic recovery of the City, with Supervisors Mandelman and Peskin representing the Board on this body. Another oversight committee has been convened to oversee the local relief fund, Give2SF, which Supervisors Ronen and Stefani have been assigned to represent the Board.

Supervisor Mandelman provided an update on the Economic Recovery Task Force, including the membership, meetings held to date, and the three areas of focus. The first is the development of a plan and protocols to tackle issue related to a safe reopening that will drive the Task Force's work through May and June. The other two focuses are around supporting business resiliency as we continue to deal with COVID-19. In the next several months they will focus on issues on how to support workers and how outdoor spaces may be utilized to support business efforts. After which, the longer-term challenges will be addressed by piloting new ideas and taking information learned to address the greater issues, such as the environmental crises.

Supervisor Ronen reported that the Give2SF Program was started by Mayor Breed at the beginning of the health emergency as a way for donors to provide support. The Oversight Committee makes decisions on how the funds are distributed and when. There are three areas where money is being allocated: food security, supporting small businesses and low-wage workers, and to the Mayor's Office of Community development for household assistance.

APPROVAL OF MEETING MINUTES

President Yee inquired whether any Member of the Board had any corrections to the March 24, 2020, Board Meeting Minutes or March 31, 2020 Board Special Meeting Minutes. There were no corrections requested from any Member of the Board.

SPECIAL ORDER 2:00 P.M. - Mayor's Appearance Before The Board

President Yee reported to the Board that new policies are forthcoming that establish a collaboration between the Board and Mayor to optimize the way the City serves the community during this health emergency.

There were no questions submitted from the eligible Supervisors representing Districts 1, 2, 3, and 4. Mayor London N. Breed addressed the Board of Supervisors regarding the status of the health emergency and what the City is doing to address the current situation and how we will handle the next phases. There is a focus on economic recovery and the Mayor has asked the Capital Planning Committee to explore funding for mental health. A new recovery bond is being worked on to fund building, purchasing, mental health facilities, and parks that have seen a reduction of services. This bond is aimed at assisting communities of color, building safe spaces, and investing in jobs to put San Franciscans back to work repaving roads and building bike lanes to deliver basic services throughout the City. Following public comment this matter was filed. No further action was taken.
