The content is neither generated by, nor subject to approval or verification of accuracy by, the Clerk of the Board of Supervisors.*

*Anonymous submitted the following additional information during General Public Comment, as follows: "Mayor Breed lectured the City about transparency earlier this meeting. How can she expect that of other employees when she herself has been found in violation of the transparency laws (see SOTF 19047, 19103)? What kind of example is that for her subordinates? I commend Supervisors Mar and Peskin for investigating PUC and benefit districts but a lot more work is needed by this Board to root out corruption - why wait for the FBI? Just look at the Kelly/Wong PRA/Sunshine texts for yourself:*
