Rescheduled Meeting

A quorum of the Board of Supervisors may be present at this committee meeting. If a quorum is present, the meeting will also constitute a Special Meeting of the Board of Supervisors. However, the meeting will be conducted in all respects as a committee meeting, and any substantive decision will constitute a recommendation of the committee rather than an action taken by the Board. The Clerk will make a note of the special meeting in the committee minutes, and discussion will be limited to items noticed on this agenda.

Remote Access to Information and Participation

The Board of Supervisors (www.sfbos.org) and its committees convene hybrid meetings that allow in-person attendance, in-person public comment (prioritized before remote public comment), remote access (watch: www.sfgovtv.org), and remote public comment via teleconference (<https://sfbos.org/remote-meeting-call>). More specifically, Title II of the ADA requires that all programs offered through the state and local government such as the City and County of San Francisco must be accessible and usable to people with disabilities. The ADA and City policy require that people with disabilities have equal access to all City services, activities, and benefits. People with disabilities must have an equal opportunity to participate in the programs and services offered through the City and County of San Francisco. If you believe your rights under the ADA are violated, contact the ADA Coordinator.

Ordinance No. 90-10 added Section 2A.22.3 to the Administrative Code, which adopted a Citywide Americans with Disabilities Act Reasonable Modification Policy that requires City departments to: (1) provide notice to the public of the right to request reasonable modification; (2) respond promptly to such requests; (3) provide appropriate auxiliary aids and services to people with disabilities to ensure effective communication; and (4) train staff to respond to requests from the public for reasonable modification, and that requires the Mayor's Office on Disability to provide technical assistance to City departments responding to requests from the public for reasonable modifications. The Board of Supervisors and Office of the Clerk of the Board support the Mayor's Office on Disability to help make San Francisco a city where all people enjoy equal rights, equal opportunity, and freedom from illegal discrimination under disability rights laws.
