Hello San Francisco Board of Supervisors:

I'm writing to provide notice of our organization's next two board meetings for the public to attend to provide comments.

Our next two meetings are:

Winter Board Meeting: Wednesday January 19, 2023

Spring Board Meeting: Saturday April 22, 2023

We anticipate both of these meetings will take place online and we will follow up with online links in advance of the meetings.

Please advise if you need any additional information from us.

Thank you,

Annie Jupiter-Jones
