ATTN: SAN FRANCISCO IPM TECHNICAL ADVISORY COMMITTEE AND INTERESTED PARTIES

Hello all,

Unfortunately, we have to (again) cancel our monthly IPM Technical Advisory Committee scheduled for this Thursday, May 7, due to the COVID-19 situation.

The IPM TAC meetings have been the heart and soul of San Francisco's Integrated Pest Management Program for decades. It is more than a "committee;" personally, I miss having the chance to see you all! We are continuing to look for virtual alternatives to the TAC meetings, and perhaps when the public health orders relax a little more we can organize a social-distance outdoor meeting of some sort. Please send your suggestions!

In the meantime, keep doing your good work and stay tuned.

Stay well,

Chris
