Hi All,

We have had to postpone our final board meeting of the year to 6/29/23. We understand that this notice does not meet the 30-day required lead time needed, but we'd like to request that our old board meeting notice be removed and the revised one be added to your files just as an FYI.

Thanks for your understanding,

Dear Martha and Joe,

I'm sending along a second notice of another upcoming board meeting. This one will be June 20, 2023. I figured it's probably better to send with more notice this time around -- can I kindly request this also be placed with the others? If it's best to send closer to the meeting date, just let me know and I can schedule it to be resent at whatever time is best for your workflow.

Thanks!
