## NOTICE OF PUBLIC HEARING

### BOARD OF SUPERVISORS OF THE CITY AND COUNTY OF SAN FRANCISCO BUDGET AND FINANCE COMMITTEE

NOTICE IS HEREBY GIVEN THAT the Budget and Finance Committee will hold a public hearing to consider the following proposal and said public hearing will be held as follows, at which time all interested parties may attend and be heard:

**Date:** July 12, 2018

**Time:** 10:00 a.m.

**Location:** Legislative Chamber, Room 250, located at City Hall,  
1 Dr. Carlton B. Goodlett Place, San Francisco, CA

**Subject:** **File No. 180582.** Ordinance amending the Park Code to permit the Recreation and Park Department General Manager to set all golf course fees and charges other than resident rates and certain tournament rates by flexible pricing based on certain factors; increase the allowable flexible pricing discount that is available to residents; establish a resident rate for the Gleneagles Golf Course equal to the current rate plus \$2 per nine holes; authorize automatic annual cost of living increases for all resident rates and tournament rates; create a \$2 per nine hole fee for each golf course except Gleneagles Golf Course to fund special maintenance repairs or course improvements; expand the Harding Park advance booking fee to all other golf courses; and, further, affirming the Planning Department's determination under the California Environmental Quality Act.

If the legislation passes, it would allow the Recreation and Park Department General Manager to set all golf course rates (other than the resident rates and certain tournament rates) through flexible pricing, based on fluctuations in customer demand and other factors such as rates at comparable courses. The resident rates and tournament rates would stay the same, except that the allowable flexible pricing discount for residents would increase from 25% to 50%. The Recreation and Park Department has not had a resident rate at McLaren Park (Gleneagles), so the resident rate at that course would be set at the former standard rate, plus \$2 per nine holes. The Recreation and Park Department will also impose a \$2 fee per nine holes at each of the other golf courses, on each player who is above the age of 17, to fund course improvements and special maintenance repairs at the course in question.

This proposed legislation will establish a \$15 advance reservation fee for persons holding any category of Resident Golf Cards made between 8 and 30 days before the reserved tee time, and may charge persons who do not hold a Resident Golf Card an appropriate reservation fee based on the flexible pricing standards.

The Department will also establish a Special Project Maintenance fee of \$2 per nine holes for each player at Harding Park, Fleming, Lincoln Park, Sharp Park, and Golden Gate Park who is above the age of 17, which the Department shall set aside in a separate fund for that Golf Course to pay for special maintenance repairs or course improvements.

All golf rates that are specifically listed in Park Code, Article 12, (*i.e.*, all golf rates other than those set through flexible pricing) will be subject to the same cost of living increase procedures as the rest of Article 12. Specifically, the rates will be subject to increase upon approval of the Department, rather than upon approval of the Recreation and Park Commission.

In accordance with Administrative Code, Section 67.7-1, persons who are unable to attend the hearing on this matter may submit written comments to the City prior to the time the hearing begins. These comments will be made part of the official public record in this matter, and shall be brought to the attention of the members of the Committee. Written comments should be addressed to Angela Calvillo, Clerk of the Board, City Hall, 1 Dr. Carlton B. Goodlett Place, Room 244, San Francisco, CA 94102. Information relating to this matter is available in the Office of the Clerk of the Board. Agenda information relating to this matter will be available for public review on Friday, July 6, 2018.
