DIRECTIVE OF THE HEALTH OFFICER No. 2020-31b

**DIRECTIVE OF THE HEALTH OFFICER OF
THE CITY AND COUNTY OF SAN FRANCISCO REGARDING REQUIRED BEST
PRACTICES FOR INDOOR GYMS OR FITNESS CENTERS**

(PUBLIC HEALTH DIRECTIVE)

DATE OF DIRECTIVE: October 27, 2020

By this Directive, the Health Officer of the City and County of San Francisco (the “Health Officer”) issues industry-specific direction that indoor gym or fitness centers, as described below, must follow as part of the local response to the Coronavirus Disease 2019 (“COVID-19”) pandemic. This Directive constitutes industry-specific guidance as provided under Sections 4.e and 11 of Health Officer Order No. C19-071 issued on October 27, 2020 (the “Stay-Safer-At-Home Order”) and, unless otherwise defined below, initially capitalized terms used in this Directive have the same meaning given them in that order. This Directive goes into effect immediately upon issuance, and remains in effect until suspended, superseded, or amended by the Health Officer. This Directive has support in the bases and justifications set forth in the Stay-Safer-At-Home Order. As further provided below, this Directive automatically incorporates any revisions to the Stay-Safer-At-Home Order or other future orders issued by the Health Officer that supersede that order or reference this Directive. This Directive is intended to promote best practices as to Social Distancing Requirements and sanitation measures, helping prevent the transmission of COVID-19 and safeguard the health of workers, children, their families, and the community.

UNDER THE AUTHORITY OF CALIFORNIA HEALTH AND SAFETY CODE SECTIONS 101040, 101085, AND 120175, THE HEALTH OFFICER DIRECTS AS FOLLOWS:

- 2. Attached as Exhibit A to this Directive is guidance from the Department of Public Health for Indoor Gyms or Fitness Centers (“Guidance”). All Indoor Gyms or Fitness Centers must comply with all applicable requirements listed in the Guidance.**
- 3. Each Indoor Gym or Fitness Center must create, adopt, and implement a written health and safety plan (a “Health and Safety Plan”). The Health and Safety Plan must be substantially in the form attached to this Directive as Exhibit B.**

- 4. Each Indoor Gym or Fitness Center must (a) make the Health and Safety Plan available upon request to all Personnel working on site and to the patrons, customers or members it serves, (b) provide a summary of the plan to all Personnel working on site or otherwise in the City in relation to its operations, and (c) post the plan online and at the entrance to any other physical location that the Indoor Gym or Fitness Center operates within the City. If any Indoor Gym or Fitness Center is unable to provide these required items to Personnel or otherwise fails to comply with required Guidance, then it must cease operating until it can fully comply and demonstrate its strict compliance. Further, as to any non-compliant operation, any such Indoor Gym or Fitness Center is subject to immediate closure and the fines and other legal remedies described below, as a violation of the Stay-Safer-At-Home Order.**
- 6. For purposes of this Directive, “Personnel” includes all of the following people who provide goods or services associated with the Indoor Gym or Fitness Center in the City: employees; contractors and sub-contractors (such as those who sell goods or perform services onsite or who deliver goods for the business); vendors who are permitted to sell goods onsite; volunteers; and other individuals who regularly provide services onsite at the request of the Host. “Personnel” includes “gig workers” who perform work via the business’s app or other online interface, if any.**
- 7. This Directive may be revised by the Health Officer, through revision of this Directive or another future directive or order, as conditions relating to COVID-19 require, in the discretion of the Health Officer. All Indoor Gyms or Fitness Centers must stay updated regarding any changes to the Stay-Safer-At-Home Order and this Directive by checking the Department of Public Health website (www.sfdph.org/healthorders; www.sfdph.org/directives) regularly.**
