*****PRESS STATEMENT:**

SF PARKS ALLIANCE HEARING ON JULY 17, 2025 AT 10AM***

On June 5, 2025, Supervisor Shamann Walton moved to subpoena former leaders of the San Francisco Parks Alliance after they failed to appear at a public hearing.

The continued hearing is set for Thursday, July 17 at 10:00 AM at the Government Audit and Oversight Committee to investigate allegations that SFPA misused millions in restricted funds meant for community park and open space groups. With the organization now dissolved, those funds may be gone.

Many of the impacted groups are volunteer-run and relied on these funds to care for parks and green spaces. The harm is real and the Board and public are demanding answers.

The hearing will begin at 10:00am in Room 250 (SF Board of Supervisors Chamber) at City Hall and will be broadcasted live on sfgovtv.org and cable channel 26.
