Seat #	Appointing Authority	Seat Holder	Term Ending	Qualification

Please Note: This seat is held by a Member of the Board of Supervisors only; members of the general public may not be considered for appointment to this body.

The Metropolitan Transportation Commission consists of 19 members, one voting member of whom is appointed by the Board of Supervisors and must be an officer or employee of the City and County of San Francisco. Sixteen of the nineteen members are voting members.

The composition of the members are as follows: Fourteen voting members are appointed directly by local elected officials. In each of the more populous counties, Alameda, Contra Costa, San Francisco, San Mateo and Santa Clara -- two commissioners are appointed, one by the county's council of mayors and council members (in San Francisco, by the mayor) and one by the county board of supervisors. In each of the less populous counties, Marin, Napa, Solano and Sonoma-- the county's council of mayors and council members nominates up to three candidates to the board of supervisors, which selects one commissioner. Because of this system, most commissioners are local elected officials. In addition, one voting representative each is appointed by the Association of Bay Area Governments and the San Francisco Bay Conservation and Development Commission.

The MTC was created to plan the transportation network for the nine Bay Area counties. In addition to preparing a long-range plan, MTC looks at specific travel routes, weighs the relative merits of various travel options (new rail or roads, or upgrades to what is already in place), then decides on the needed improvements.

Compensation: \$100 for each meeting with a limit of 5 meetings a month for reimbursement.

Reports: The Commission adopted a regional transportation plan for the region. Any new transportation project in the region must be included in the plan before it can move forward. Each county within the jurisdiction of the commission, together with the cities and transit operators within the county, may, every two years, develop and update the transportation plan for the county and the cities within the county. The commission shall develop an emergency transportation system management plan which defines the continuing emergency services required during reconstruction of highway facilities which have been rendered inoperable by the earthquake. The plan shall be in effect for the period of time needed to restore the damaged sections of State Route 880 in the County of Alameda and State Route 280 and the Embarcadero Freeway in the City and County of San Francisco.

After adoption of the budget by the Board of Supervisors, the road commissioner shall not obligate or expend funds appropriated for county road purposes other than as set forth in the budget as adopted. However, the board of supervisors may, by appropriate action at any regular or special meeting, authorize the cancellation or transfer, in whole or in part, of any appropriation or appropriations set forth in the budget and reappropriate funds thus canceled for road purposes not set forth in the budget or to expenditure classifications insufficiently provided for where this action will best serve the interests of the people. Funds transferred pursuant to this section, or as authorized by the board of supervisors, shall immediately be made available for expenditure by the road commissioner for road purposes.

Any person appointed road commissioner on or before December 31, 1965, need not be a registered civil engineer if he or she is approved by the board of supervisors as qualified and competent to handle the road and highway work of the county. Any person who is a road commissioner in any county on December 31, 1965, need not be a registered civil engineer to be appointed road commissioner of another county after December 31, 1965. After October 1, 1952, no person shall be appointed road commissioner until the board of supervisors holds a public hearing on the qualifications of the candidate or candidates for the position of road commissioner. At least 14 days but

The road commissioner is, at all times, under the direction and supervision of the board of supervisors but may be dismissed, after a hearing, only upon a majority vote of the board.
