2013 Blueprint Survey	To encourage families to stay with school age children, after school and summer programming in the area is essential.	After School Programs
2013 Blueprint Survey	After school programs that keep children away from the dangers of the public. Children should be more educated about the dangers of the public.	After School Programs
2013 Blueprint Survey	Anonymous hotline to report suspicious activities.	Anonymous Tipline
2013 Blueprint Survey	My neighbor's home is not kept up - there are piles of trash and weeds in the front yard, and I fear that it is a fire hazard. Is there any way zoning laws can be used to prevent the onset of blight? I know it is her private property, but there are often these deteriorating homes in the sunset and I fear this impacts property values, discourages families from moving to and investing in the community, and potentially can lead to safety issues from fire or other hazards.	Business Zoning
2013 Blueprint Survey	tell about upcoming events, etc	Community events
2013 Blueprint Survey	Community outreach to foster sense of community.	Community Outreach
2013 Blueprint Survey	Regular patrols of the hilly areas might lead to a reduction in opportunistic break-ins, vandalism, or other crime.	Crime
2013 Blueprint Survey	Hearing more purse and phone snatches. We had our car window smashed in our driveway and hiking gear stolen. There doesn't seem to be any police follow-up for the "little" crimes, like bicycle theft and nuisance crimes.	Crime
2013 Blueprint Survey	This is a very safe area as far as I can see.	Crime
2013 Blueprint Survey	Quality of life. You should be able to walk in your neighborhood without feeling threatened.	Crime
2013 Blueprint Survey	Police should help more with people stealing personal items like phones.	Crime
2013 Blueprint Survey	Public safety needs to focus more on the more severe crimes rather than smaller ones. It should also set up more thorough protective measures to prevent potential crimes.	Crime
2013 Blueprint Survey	More cameras along corridors to help crime/dumping/illegal activities.	Crime Cameras
2013 Blueprint Survey	In the case of a 1906 level earthquake, NOBODY on my block that I talk to knows what to do or where to go. For example, will tent city be built in Polo Fields?	Disaster Preparedness
2013 Blueprint Survey	Enforce the leash law. I don't know why the city bothers to have laws and ordinances if it doesn't enforce them. Rather than wait for a tragedy, do something now.	Dog Walkers
2013 Blueprint Survey	Late night junkies shoot up in cars at the Great Highway and dump their needles/trash on the streets. Obvious drug dealers live in the open. Theft from automobiles and their parts common. Homeless/gangs to blame.	Drug Dealing
2013 Blueprint Survey	Establish Self Help for the Elderly (low cost transportation & home visits).	Elderly
2013 Blueprint Survey	This summer, every Sunday night/Monday early morning someone was detonating explosives on the beach. Gunfire at that time also.	Explosives/Guns
2013 Blueprint Survey	Fire clinics on how to safeguard against fires in attached housing.	Fire Clinics
2013 Blueprint Survey	Concerned about prolific hoarding and storage in garages that are fire hazards.	Fire Hazards
2013 Blueprint Survey	My house front window has been broken twice due to BB guns. It's an expensive repair, and is also scary when it happens. In addition, the illegal fireworks in the area - particularly around July 4 - are disturbing. The fireworks are often set off in the middle of the street.	Fire Hazards
2013 Blueprint Survey	Better enforcement of fireworks. Post multilingual notices.	Fireworks
2013 Blueprint Survey	Flyer's gas station at 19th/Santiago does not clean up properly when customers spill gas.	Gas Station Safety
2013 Blueprint Survey	Crackdown on graffiti tagging. Possibly have a seawall at Ocean Beach that allows tagging.	Graffiti
2013 Blueprint Survey	When homes and shops are hit with graffiti, it is unfair that the city demands you clean it up at your own expense. There should be some kind of fund that helps those who need it.	Graffiti
2013 Blueprint Survey	Graffiti and street crime, hanging out in gangs a growing problem, worse with proliferation of Stella security gates and metal pull down doors which encourage graffiti and tagging throughout neighborhood. Stores seldom if ever follow the law regarding removal of graffiti, the look of area has degraded for the worse.	Graffiti
2013 Blueprint Survey	More homeless from Golden Gate Park entering neighborhoods lately.	Homeless

## Sunset District Blueprint Public Safety Related Comments

2013 Blueprint Survey	More homeless/mentally ill services and outreach to get them off the streets/out of parks.	Homeless
2013 Blueprint Survey	Homeless roaming the streets before dawn, yelling. Can't go swimming early because am afraid to get attacked walking to my car.	Homeless
2013 Blueprint Survey	We need to face the fact that human trafficking is not occurring on a large scale in the Sunset. Let's stop (Ms. Tang) using it as an attention-getter.	Human Trafficking
2013 Blueprint Survey	There is occasional violence in the area. Lots of it seems to happen later at night. It was nice to see a cop on foot walking the beat, a couple years ago. I think we should still see this while the shops, bars and restaurants are open in the evening. Mainly I would focus on Irving, west of 19th Ave, out to say 24th Ave.	Late night violence
2013 Blueprint Survey	Enforce leash laws for dog walkers/fine violators. Public safety issue.	Leash Laws
2013 Blueprint Survey	Enforce Ocean Beach leash laws. Out of control dogs are a safety hazard and also endanger birds.	Leash Laws
2013 Blueprint Survey	The Sunset Reservoir is poorly lit and the crime (car break-ins, stabbing, vandalism, robberies) prove it.	Lighting
2013 Blueprint Survey	Crack down on illegal "massage parlors".	Massage Parlors
2013 Blueprint Survey	Better access to medical services and drugs.	Medical Services
2013 Blueprint Survey	Mosquito problem could spread West Nile virus. Standing water at Sunset Reservoir should be addressed.	Mosquitos
2013 Blueprint Survey	Pedestrian safety, especially crossing streets and boarding/exiting MUNI trains. CARS are definitely not stopping and are creating very dangerous situations. Harmful to children and Seniors	Muni
2013 Blueprint Survey	Ingress/egress to the L train remains dangerous on Taraval street.	Muni
2013 Blueprint Survey	More local cleanup events.	Neighborhood Cleanups
2013 Blueprint Survey	More Neighborhood Watch programs.	Neighborhood Watch
2013 Blueprint Survey	More neighborhood watch programs.	Neighborhood Watch
2013 Blueprint Survey	More NERT/disaster preparedness programs, classes, and outreach.	NERT
2013 Blueprint Survey	I know it's largely dependent upon what happens, but it would serve dividends even if just publishing an article about the basic first steps of what to do to help outside of just preparing yourself and your family (ie 72hours.org) Perhaps we could publish some of what happens at NERT.	NERT
2013 Blueprint Survey	We need a campaign on preparedness for earthquakes. Workshops targeted specifically for post incident planning. Kits and checklists that can be used by families.	NERT
2013 Blueprint Survey	The Sunset would most likely be affected by a tsunami and/or a major earthquake. NERT and disaster preparedness should be geared toward that. Provide education and small grants/loans for homeowners to make improvements (e.g. bolting/strapping framing members to the foundation; creating a home emergency kit with first aid, food, water and medical supplies for 96 hours). Create neighborhood stockpiles of food, water, medical supplies and survival supplies that are no more than 1/4 mile from each property.	NERT
2013 Blueprint Survey	Develop a program similar to Diamond Heights for disaster preparedness and response. Pilot PWSS in District 4. Support additional funds for NERT to expand basic and advanced training, NERT caches, staff to support Erica.	NERT
2013 Blueprint Survey	Loud kids and trash dumping at Ocean Beach late at night.	Ocean Beach
2013 Blueprint Survey	We need trash cans on the beach	Ocean Beach
2013 Blueprint Survey	Continue monitoring rv and abandon cars. Especially along sunset blvd and Lincoln. Sfpd has improved in enforcing this the past few years. I hardly or never see anymore beat cops walking the streets. Have we done away with this? Understaffed? Or I just been over seeing them.	Oversized Vehicles
2013 Blueprint Survey	Police the disabled parking permit cheats who steal parking without enforcement.	Parking Enforcement
2013 Blueprint Survey	Enforcement of speed limit and pedestrian right-of-way on Lincoln Way. It is perilous to try to cross Lincoln to enter Golden Gate Park, especially at 34th Ave.	Pedestrian Safety
2013 Blueprint Survey	Include pedestrian safety as part of a public safety campaign.	Pedestrian Safety
2013 Blueprint Survey	The 9th and Judah Muni stop is especially dangerous for riders loading and unloading from the train.	Pedestrian Safety
2013 Blueprint Survey	Please, please, please consider pedestrian improvements	Pedestrian Safety
2013 Blueprint Survey	Noriega median islands are hazardous. Put reflective material on curbs so people don't trip on them.	Pedestrian Safety

2013 Blueprint Survey	More opportunities for Sunset residents to get to know law enforcement personnel.	SFPD
2013 Blueprint Survey	I am quite satisfied with the Taraval Police Station.	SFPD
2013 Blueprint Survey	More patrol cars to prevent thefts and vandlization.	SFPD
2013 Blueprint Survey	More police foot patrols.	SFPD
2013 Blueprint Survey	Taraval Station needs to start enforcing the law. Police do not take traffic, drug and violent crimes seriously.	SFPD
2013 Blueprint Survey	More police/ plain-clothes officers.	SFPD
2013 Blueprint Survey	More community policing.	SFPD
2013 Blueprint Survey	I would like see a monthly news letter from the Taraval police station. I think the Richmond station has been doing this for a while. I would like to have a way to get to know our local police somehow. Not sure how to do that.	SFPD
2013 Blueprint Survey	The Sunset is a safe neighborhood, perhaps increased warnings relating to vehicle break-ins could be warranted.	SFPD
2013 Blueprint Survey	Have patrol cars cruise around at 4-6 a.m.	SFPD
2013 Blueprint Survey	Too many skateboarding kids.	Skateboarding
2013 Blueprint Survey	Promote less smoking.	Smoking
2013 Blueprint Survey	There used to be street cleaning crews, and there are volunteer groups, but a weekly or even monthly or quarterly sweep would great to catch some of these issues and others as well. Or even better, get merchants and neighbors involved. Let them know that they can report these issues and keep their neighborhood safe and clean.	Street cleaning
2013 Blueprint Survey	Please put in new street lightposts fixtures as mentioned above in Land Use section. Also, please ask the police to list a mailing address to receive anonymous tips of things in the Sunset that may need to be checked out.	Street Lights
2013 Blueprint Survey	Street lights slightly brighter, as they are only around 2 or 3 per block maybe 4 or 5, as walking during the night would not be very safe.	Street Lights
2013 Blueprint Survey	Continue with vehicle measures parking go back go weekly sweeping it reduces dumping of cars and junkers.	Street Sweeping
2013 Blueprint Survey	Support our local police at the Taraval Station. We need to maintain our position as a very low crime area. We need to focus on the crimes that are actually occurring here.	Taraval Station
