Excerpt from the Board of Supervisors Rules of Order 2.22 et al.

2.22. Proposed Charter Amendments. Any proposal for amendment of the Charter ordered submitted to the electors by the Board on its own motion shall be ordered pursuant to the provisions of applicable state law, with the further limitations imposed as follows:

2.22.1. Introduction; Referral to Committee. A proposed Charter amendment shall be introduced by a Supervisor at a regular Board meeting held not less than 168 days prior to the election at which it is to be acted upon by the electors. A Charter amendment must be signed by a City Attorney and include a legislative digest before the 30 day rule will commence. This also applies to the introduction of a "skeletal" Charter amendment. The introduction of a "skeletal" Charter amendment shall not satisfy the requirements of this Rule. Upon introduction, the proposed Charter amendment shall be referred to the appropriate Board committee for public hearing.

2.22.2. Referral to City Attorney. Immediately after its reference to committee, any proposed Charter amendment which has not been prepared or approved as to form by the City Attorney shall be transmitted by the Clerk of the Board to the City Attorney for preparation or approval as to form. The City Attorney shall return it to the Board prepared or approved as to form, or a negative report in lieu thereof, within 10 days after receipt from the Clerk of the Board.

2.22.3. Controller's Statement. Immediately after reference to committee and preparation or approval as to form by the City Attorney, such proposed Charter amendment shall be referred by the Clerk of the Board to the Controller. The committee shall not report it to the Board, nor shall the Board order it submitted to the electors, prior to receipt of the Controller's written statement pursuant to the Charter, analyzing the proposal as to its cost. The Controller's statement shall be submitted to the Board within 10 days after the Controller's receipt of the proposed Charter amendment.

2.22.4. Referral to Mayor and other City Officials and Boards or Commissions. Immediately after its reference to committee and preparation or approval as to form by the City Attorney, any proposed Charter amendment shall be referred by the Clerk of the Board to the Mayor, appropriate department heads and appropriate boards and commissions for comment, as desired, as to the effect upon any matters within their respective jurisdictions.

2.22.5. Amendments to Proposed Charter Amendments. An amendment of substance to a proposed Charter amendment, submitted to the Board or a Board committee, shall be referred by the Clerk of the Board to the City Attorney for preparation or approval as to form and shall be returned to the Clerk of the Board by the City Attorney within seven days after receipt. Thereupon, the Clerk of the

Board shall transmit it to the Controller, the Mayor, appropriate department heads and appropriate boards and commissions for comment, as desired, as to the effect thereof upon any matters within their respective jurisdictions. A substitute or amendment to a Charter amendment may be introduced, granted that the lead sponsor is introducing such substitute and has informed other co-sponsors.

2.22.6. Committee Report and Board Action. The committee before which a proposed Charter amendment, or an amendment thereto, is pending, shall not report it to the Board, and the Board shall not order it submitted to the electors, prior to 10 days after referral to the Mayor, and other City officials.

2.22.7. Order of Submission to Electorate. At least six days must intervene between the first appearance of a proposed Charter amendment on the Board agenda and any Board order of submission to the electorate. Said order, if any, must be made not less than 95 days prior to the election mentioned herein, which is the deadline set forth in the San Francisco Municipal Elections Code.

2.22.8. Modification of Time. Notwithstanding the provisions of other rules, the Board may, by motion adopted by a majority vote of all Supervisors thereof, shorten, extend or otherwise modify the time fixed in these rules for the performance of any act by an officer, board or commission concerning a Charter amendment.

2.22.9. One Late Charter Amendment. San Francisco Elections Code, Section 300, provides that proposed Charter amendments the Board wishes to submit to the voters may be submitted for the next election held no fewer than 102 days after the date of submission, and allows the Director of Elections to accept from the Board one proposed Charter amendment a week later, but no fewer than 95 days before the date of an election.

2.22.10. Filing of Proposed Charter Amendments. On the 94th day prior to each City election, the Clerk of the Board shall file all pending proposed Charter amendments that have not been submitted to the voters by the Board for that election, unless a Supervisor has requested, in writing, that a measure be considered for submission to the voters at a subsequent election.

2.22.11. Withdrawal of Charter Amendment/Ballot Measure Transmitted to the Department of Elections. Charter amendments or ballot measures that the Board has placed on the ballot may be withdrawn by motion up to the deadline to submit a measure to the Department of Elections. To withdraw a Charter amendment or measure, the Board must approve a written motion to that effect and the Clerk must deliver it to the Department of Elections.

San Francisco Charter

SEC. 2.113. LEGISLATIVE INITIATIVE.

(a) The Board of Supervisors, or four or more members, may submit to the voters declarations of policy, and any matter which the Board of Supervisors is empowered to pass.

Upon approval of a declaration of policy by the voters, the Board of Supervisors shall within 90 days of such approval take such actions within their powers as shall be necessary to carry such declaration into effect. A special municipal election shall not be called with respect to a declaration of policy.

(b) In order to submit a proposed initiative measure to the voters under this section or Section 3.100(15)*, four or more members of the Board of Supervisors or the Mayor shall submit the proposed initiative to the Board of Supervisors no later than 45 days prior to the deadline for the submission of such initiatives to the Department of Elections. The proponent or proponents shall clearly identify the measure as a proposed initiative to be submitted at a specific election, and the proponent or proponents shall file a copy of the measure with the Department of Elections at the same time as the measure is submitted to the Board of Supervisors.

The President of the Board of Supervisors shall assign the measure to a committee of the Board, and the committee shall conduct a public hearing on the measure at least 15 days prior to the deadline for the submission of such initiatives to the Department of Elections.

Failure by the Board of Supervisors to hold a hearing on the measure prior to the Department of Elections' deadline for submittal of legislative or mayoral initiatives shall not prevent the Director of Elections from placing the initiative on the ballot. But the Director of Elections shall include a notice in the voter information pamphlet that the measure was not the subject of the required public hearing.

The proponent or proponents of an initiative measure may withdraw the proposed measure at any time prior to the Department of Elections' deadline for submission of such initiatives, subject to any requirements of the Municipal Elections Code or other City ordinance. If a measure is withdrawn, the Board of Supervisors is not required to conduct a hearing on the measure.

(b) At the time the proponent files a notice of intention to circulate an initiative petition, the proponent may submit a petition containing signatures in lieu of part or all of the filing fee required under Subsection (a). The proponent may then, within seven days of notification, submit additional signatures in the same manner as provided in Section 320 of this Code or pay a pro rata portion of the filing fee to cover the deficiency. If the deficiency is not remedied by either method within seven days, the notice of intention shall not be accepted and any filing fee paid by the proponent shall be forfeited.
