Section 1. Name

The name of this committee is the Public Utilities Revenue Bond Oversight Committee (referred to herein as the "Committee").

Section 2. Authority

The Committee derives its authority from Proposition P, adopted by the voters at the November 5, 2002 election (S.F. Admin. Code, Sections 5A.30 et. seq.). Terms contained in these Bylaws are not intended to, and shall not, in any way enlarge or restrict the purposes, powers or authority of the Committee. In the event of any conflict between these Bylaws and the terms of Proposition P as adopted by the voters, the provisions of Proposition P shall control.

Section 3. Purpose

The purpose of the Committee is to report publicly to the Mayor, the Public Utilities Commission (hereinafter the “Commission”) and the Board of Supervisors regarding the Commission’s expenditure of revenue bond proceeds on the repair, replacement, upgrading and expansion of the City’s water collection, power generation, water distribution and wastewater treatment facilities. The Committee shall convene to provide oversight to ensure that: (1) revenue bond proceeds are expended only in accordance with the authorizing bond resolution and applicable law, (2) revenue bond proceeds are expended solely for uses, purposes and projects authorized in the bond resolution, and (3) revenue bond proceeds are appropriately expended for authorized capital improvements so that an uninterrupted supply of water and power continues to flow to the City and the Commission’s customers.

Section 4. Activities and Powers

In furtherance of its purpose, the Committee may: (1) inquire into the disbursement and expenditure of the proceeds of the Commission’s revenue bonds authorized by the bond resolution and other applicable law by receiving any and all reports, financial statements, correspondence or other documents and materials related to the expenditure of revenue bond funds from the Commission; (2) hold public hearings to review the disbursement and expenditure of the proceeds of revenue bonds; (3) inspect facilities financed with the proceeds of revenue bonds; (4) receive and review copies of any capital improvement project proposals or plans developed by the Commission relating to the Commission’s water, power or wastewater infrastructure which are to be financed in whole or in part with revenue bonds; (5) review efforts by the Commission to maximize revenue bond proceeds by implementing cost-saving measures including, but not limited to, (a) mechanisms designed to reduce the costs of professional fees and site preparation and project design, (b) recommendations regarding the cost effective and efficient use of core facilities, (c) the development and use of alternate technologies, and (d) the use of other sources of infrastructure funding, excluding bond refunding; and (6) commission review and evaluation of the disbursement and expenditure of the proceeds of such revenue bonds by independent consultants and experts.

The Committee may comment to the Board of Supervisors on the development and drafting of proposed legislation pertaining to Commission revenue bonds prior to a Board
determination regarding whether to submit the measure for voter approval or authorizing the issuance of revenue bonds, if voter approval is not otherwise required.

In addition, if, after reviewing materials provided by the Commission, the Committee, after conducting its own independent audit and after consultation with the City Attorney, determines that the proceeds of a revenue bond program were spent on purposes not authorized by the resolution or otherwise amounts to an illegal expenditure or illegal waste of such revenue bonds within the meaning of applicable law, the Committee, by majority vote, may prohibit the issuance or sale of authorized public utility revenue bonds which have yet to be issued or sold by acting in accordance with the procedures set forth in Article III, Section 11 of these Bylaws. The Committee's decision to prohibit the sale of authorized, unsold revenue bonds may be appealed and overturned, or lifted, in accordance with the provisions of Section 5A.34 of the San Francisco Administrative Code.

Section 5. Restrictions on Activities and Powers

The Committee shall not participate or interfere in the selection process of any vendor hired to execute revenue bond funded projects.

Section 6. Committee Members

The Committee shall consist of seven members: two members appointed by the Mayor; two members appointed by the Board; one member by the Controller; and one member by the Bay Area Water Users Association. The seventh member shall be the Budget Analyst for the Board or his/her representative.

Members appointed by the Mayor and the Board shall, individually or collectively, have expertise, skills and experience in economics, the environment, construction and project management. The member appointed by the Controller shall have background and experience in auditing, accounting and project finance.

Each Committee member will serve for no more than two consecutive terms, provided that a member may continue to serve until a successor is appointed. Upon their initial appointment, three members of the Committee shall be assigned by lot to an initial term of two and the remaining four members shall have an initial term of four years. Thereafter, each Committee member shall serve a four-year term.

If there is a vacancy on the Committee, the Chair shall promptly notify the appointing authority and request that such vacancy be filled at the earliest possible date. If a Committee member has misses three (3) consecutive duly called meetings of the Committee without informing the Chair as to the reason or cause of the absence, such Committee member shall be presumed to have vacated their position on the Committee. Thereupon the Chair shall place on the next succeeding agenda for the Committee's consideration an item to permit such member to appear and explain his or her absence from Committee meetings. Prior to such meeting, the Chair shall cause to be provided no later than 5 days prior to such meeting notice to the absent Committee member requesting their attendance at such meeting. If such member shall not attend the next succeeding meeting then and in such case the presumption shall become conclusive and such member shall be deemed to have vacated their position on the Committee. Thereafter the Chair shall promptly notify the appointing authority of the presumed vacancy and request that such vacancy be filled at the earliest possible date.
Section 7. Committee Office

Agendas and notices shall be emailed to each Committee member.

Section 4. Cancellation of Meetings

The Chair may cancel a meeting if he or she is aware that a quorum of the body will not be present or if the meeting date conflicts with a holiday or other responsibilities of the Committee members. Notices of cancellations shall be posted at the meeting site, at the Committee's office, at the San Francisco Main Library, and on the Commission’s website.

If a regular meeting is cancelled, the Chair shall reschedule the regular meeting at a date and time that is after the originally scheduled date and time, that is reasonably close to the originally scheduled date and time, and that is calculated to result in the greatest number of Committee members in attendance at the rescheduled meeting.

Code, Sections 54950 et. seq.), the California Public Records Act (Cal. Gov. Code, Sections 6250 et. seq.), the San Francisco Charter, the San Francisco Sunshine Ordinance (S.F. Admin. The Chair will, as practicable, place any item requested by a member of the Committee on the agenda provided that it is generally received no less than five days prior to a regular meeting. Each agenda of all regular meetings shall contain an item during which members may request items for the Committee to consider at future meetings.

Section 7. Quorum

Four members of the Committee shall constitute a quorum for all purposes.

Section 8. Required Vote For Approval of a Matter

Section 9. Voting

Each member present at a Committee or subcommittee meeting shall vote "yes," "no" when a question is put, unless the member has a conflict of interest that legally precludes participation in the vote. The determination of whether a Committee member has a conflict of interest that precludes participation in a matter shall be determined by the individual member in consultation with the City Attorney.

The Committee may take action on items on the agenda by roll call vote, voice vote, or show of hands. The minutes shall reflect how each Committee member voted on each item.

Section 10. Public Comment

Agendas for regular meetings shall provide an opportunity for members of the public to directly address the Committee on items of interest to the public that are within the subject matter jurisdiction of the Committee.

Each person wishing to speak on an item before the Committee at a regular or special meeting shall be heard once for up to three minutes, unless extended by the Chair. The Chair may limit the time for public comment consistent with state and local law.

Section 11. Process for Prohibiting Issuance of Revenue Bonds Upon Determination That Revenue Bond Proceeds Were Spent on Unauthorized Purposes

If the Committee prohibits the issuance of bonds for any remaining revenue bond authorization in accordance with Section 5A.34 of the San Francisco Administrative Code, it shall do so only after proceeding as follows. At a regular or special meeting of the Committee, the Committee, after having conducted its own independent audit and after consultation with the City Attorney, may make a finding that the Commission has spent revenue bond proceeds on purposes not authorized by the authorizing resolution or otherwise amounts to an illegal expenditure or illegal waste under applicable law. At such meeting, the Committee may determine, by majority vote, whether to prohibit the further issuance of revenue bonds pursuant to the powers granted to the Committee by Section 5A.34 of the San Francisco Administrative Code. If the Committee makes a finding of illegal expenditure or illegal waste, or makes a decision to prohibit revenue bond sales, notification shall be delivered simultaneously to each member of the Board of Supervisors, the President of the San Francisco Public Utilities Commission, the Mayor's Office of Public Finance, the City Controller and the City Treasurer.
