**San Francisco Public Utilities Revenue Bond Oversight Committee  
Annual Report Fiscal Year 2022**

## **Background**

In November 2003, the Public Utilities Revenue Bond Oversight Committee (RBOC) was formed after passage of Proposition P in November 2002, adding Sections 5A.30 through 5A.36 to the San Francisco Administrative Code. The RBOC facilitates transparency and accountability in the expenditure of revenue bond proceeds. The public is invited and welcome to attend RBOC meetings and provide input.

Pursuant to Administrative Code, Section 5A.36, the RBOC is charged with providing independent oversight of the expenditure of public utility revenue bond proceeds for capital improvements. The committee helps ensure an uninterrupted supply of water, power, and wastewater treatment services to the City and County and San Francisco Public Utilities Commission (SFPUC) customers. Further, it helps ensure public dollars are spent in accordance with the authorizing bond resolutions and applicable laws.

After conducting an independent audit, and consulting with the City Attorney, the RBOC may determine that proceeds of a revenue bond program were not utilized for purposes authorized in accordance with the associated bond resolution or applicable law. It may be further determined that this surmounts to an illegal expenditure or waste of such revenue bonds. By majority vote, the RBOC may prohibit the issuance or sale of authorized revenue bonds that have yet to be issued or sold.

Any RBOC decision to prohibit the sale of authorized but unsold revenue bonds may be appealed to the Board of Supervisors. The SFPUC can provide evidence of corrective measures to the Board, and the Board may decide to overturn the decision by the RBOC, upon a two-thirds vote of all of its members. To date, the RBOC has not prevented any issuance of SFPUC revenue bonds.

The SFPUC continues to incur bonded indebtedness to finance capital improvements related to its two major enterprises, the Water and Sewer systems. Each of these enterprises have embarked on major system improvement programs, which were expected to be completed in 2021 and beyond, respectively.

The provisions of Proposition P were set to expire on January 1, 2013, unless extended by an ordinance of the Board of Supervisors. In 2012, the Board extended the sunset date to January 1, 2016, (see Ordinance No. 236-12, BOS File No. 120221). In 2015, the SFPUC submitted, and the Board of Supervisors approved, a resolution supporting the extension of the RBOC until January 1, 2019. On December 11, 2018, the Board of Supervisors approved Ordinance No. 309-18, BOS File No. 180123, extending the RBOC through January 1, 2025.

## **Mission Statement**

The RBOC monitors the expenditure of revenue bond proceeds related to the repair, replacement, upgrade and expansion of the SFPUC's water, power and sewer infrastructure. The RBOC provides independent oversight to ensure transparency and accountability. The goal of the RBOC is to ensure that SFPUC revenue bond proceeds are spent for their intended purposes in accordance with legislative authorization and other applicable laws.

## **Committee Membership**

The RBOC is comprised of seven members:

- Two seats appointed by the Mayor <sup>1</sup>
- Two seats appointed by the Board of Supervisors
- One seat appointed by the City Controller <sup>2</sup>
- One seat appointed by the Bay Area Water User's Association (BAWUA), under the auspices of the Bay Area Water Supply and Conservation Agency (BAWSCA)
- One seat shall be the Budget and Legislative Analyst or his/her representative

At a minimum, the members appointed by the Mayor and by the Board of Supervisors shall, individually or collectively, have expertise, skills and experience in economics, the environment, construction, and project management. Appendix I includes the biographies of RBOC members serving as of June 30, 2022.

## **Introduction**

The purpose of this report is to detail the activities of the RBOC for fiscal year 2021-2022 covering the period June 2021 to June 2022 (“the period”). In the past the RBOC published annual reports on a calendar year basis, it has now aligned with the fiscal year adopted by the City and County of San Francisco.

## **Initiatives**

During the period, the RBOC focused on the following initiatives:

- Completed performance audit of six bond series from the 38 bond series subject to RBOC oversight as of June 30, 2022, three each from the Water and Wastewater Enterprises for a total of \$2 billion in expenditures.
- Reviewed progress of Water System Improvement Program (WSIP) and Sewer System Improvement Program (SSIP) with particular focus on the accuracy of budgeting and scheduling forecasts and continued attention to ensuring that lessons learned from the WSIP are applied during implementation of the SSIP.
- Heard presentations from SFPUC staff on results of bond sales and updates on the Water Infrastructure Finance and Innovation Act (WIFIA) loan transaction.
- Monitored the outcome of bond sales and ongoing debt plans.
- Visited the Southeast Treatment Plant.

See Meeting Summaries in Appendix II for specific topics covered in RBOC meetings.

## **Audit Overview**

In 2019 RBOC engaged the City Services Auditor (CSA) to source an audit firm. The CSA engaged HKA Global Inc. (HKA) and, its subcontractor Yano Accountancy Corporation (YAC) to conduct the audit. The objective of the audit was to determine whether revenue bond funds were spent in accordance with the stated purposes and permissible use of such bonds. The audit report is titled Performance Audit of Select Revenue Bond Expenditures, it is dated December 23, 2021, and it is publicly available on the websites of the SFPUC and the Office of the Controller.

The audit concluded that revenue bond expenditures were spent appropriately. The audit report included two findings and two recommendations.

- The RBOC did not have adequate visibility over bond proceeds. The audit report recommended improved reporting on bond proceeds available for expenditure, and summaries of expenditures by project and funding source.
- The SFPUC Quality Assurance Audit function was not operational from June 2017 through November 2020. The audit report recommended compliance with existing project management procedures to perform quality assurance audits during all main phases of a project's lifecycle.

As part of the audit process, the CSA recommended that the SFPUC: (i) comply with its record retention policy regarding bond-related documents, and (ii) ensure that relevant staff understand the requirements of the department's record retention policy to maintain the completeness of bond-related documents.

## **Future Initiatives**

The RBOC plans to cover the following initiatives in the next fiscal year:

- Hold hearings to ensure follow-up on action items identified by the audits.
- Initiate and complete new performance audits of revenue bond expenditures.
- Monitor completion of the WSIP and other major Water Enterprise capital projects.
- Review planned and completed projects of the SSIP.
- Visit project sites funded by SFPUC revenue bond expenditures.
- Explore engaging consultants to examine the performance of completed projects.
- Ensure the continuity of oversight through member succession planning.
- Improve outreach to ensure greater public awareness and input related to the SFPUC's expenditure of revenue bond proceeds.

## **Outstanding Revenue Bonds**

As of June 30, 2022 the SFPUC had \$6.8 billion in Revenue Bonds. See Appendix III for details.

## **Debt Issuance**

During the period the SFPUC issued \$1.1 billion in new revenue bonds and notes, and a parity state loan, this amount includes new net debt and refinancing of old debt. See Appendix IV for details.

## **Bond Expenditure Certification**

As part of its mission, the RBOC asks SFPUC staff to affirm that all bond proceeds are spent “appropriately and according to authorization and applicable laws.” Please see Appendix V for the “Bond Expenditure Certification”.

## **RBOC Account Summary**

Pursuant to Proposition P, the RBOC receives 1/20th of 1% of gross revenue bond proceeds to fund the cost of retaining the services of “outside auditors, inspectors and necessary experts to perform independent reviews”. As of June 30, 2022, RBOC had an available account balance of \$2.2 million. A complete accounting of RBOC funds can be found in Appendix V.
