- 2) Data on the number of youths who left the public school system during the COVID-19 pandemic.

- 4) Accessibility of enrichment and retention services for youth and families.
- 5) Equitable prioritization in the delivery of services to the youth and families with the greatest needs and who have been disproportionately impacted by school closures and the COVID-19 pandemic.

The Plan shall include an equity analysis of services and resources for youth and families and a five-year budget estimate of additional revenue needed by SFUSD to remediate learning loss due to the COVID-19 pandemic and expand enrichment and wraparound services consistent with a community schools’ model.
