SPECIAL ORDER 2:00 P.M. - Mayor's Appearance Before The Board

190667 [Formal Policy Discussions - June 11, 2019]

Pursuant to Charter, Sections 2.103 and 3.100(7), and Administrative Code, Section 2.11, the Mayor shall discuss the following eligible topic submitted from the Supervisor representing District 10. The Mayor may address the Board initially for up to five minutes. Discussion shall not exceed two minutes per question or answer.

1. People living in vehicles (District 10)

Mayor London Breed addressed the Board of Supervisors regarding the City's purchase of a large parcel of land in the Mission for new affordable housing, and the pending Charter Amendment regarding affordable housing and the need for results for the people of San Francisco. Mayor Breed then discussed the above referenced topic submitted by the District 10 Supervisor.

Supervisor Walton began the discussions by asking the following question: I know you dedicated one million towards locating a place for people living in vehicles to stay overnight and receive services, what more can we do together to address this growing number of people living in their vehicles, as I know we share the number one goal of providing housing for people who do not have it? Mayor Breed responded that San Francisco has seen an increase of people living in their vehicles and reviewed the efforts being done to learn the needs of this population, including the pilot program being implemented through the Human Services Agency and her administration's continued investment in resources to address these concerns. Supervisor Walton then followed up with the following question: Is there a plan to come up with a task force or robust team that would be specifically dedicated to this population of unhoused individuals? Mayor Breed indicated there was a team already formed through the Human Services Agency that implemented the pilot program, which will be extending their resources into the next phases to address the issues that were found. Mayor Breed did not ask any follow-up questions related to this topic.

Following public comment this matter was filed. No further action was taken.
