ADDENDUM

The following information is provided by speaker(s), pursuant to Administrative Code, Section 67.16. The content is neither generated by, nor subject to approval or verification of accuracy by, the Clerk of the Board or the Board of Supervisors.

Ray Hartz submitted the following additional information during Public Comment as follows: I would like to take this opportunity to make the members of this BOS aware of what I believe is a fraud being perpetrated on this body by City Librarian Luis Herrera. In August this body passed a resolution relating to a SFPL lease for 750 Brannon St. which included the following: "whereas, FFOL is a member supported, 501(c)3 nonprofit that provides financial support of \$720,000 annually for the Library:..." In reality this amount includes over \$300,000 listed only as "Donor Designated Funds." While the real donors of these funds are denied acknowledgement of their generosity, FFOL is falsely given credit for gifts given by others. This false attribution to the FFOL of generous gifts from other donors has gone on for years! I must wonder how many of these other organizations and/or individuals would react to the idea that their gifts are being credited falsely to another group?
