ADDENDUM

Pursuant to Administrative Code, Section 67.16, the following statement was provided by a speaker during the public comment period who supplied a brief written summary of their comments, which shall be included in the meeting minutes and are incorporated by individual reference as fully set forth herein. The content is neither generated by, nor subject to approval or verification of accuracy by, the Clerk of the Board of Supervisors.

Anonymous submitted the following additional information during General Public Comment, as follows: "This Board must hold anti-sunshine executive officials accountable and question them. For example: 1. While Chief Scott produced to me his copy of Breed's text messages about homeless people, Mayor Breed claims she has no record of them. 2. The Mayor's Office testified that Sean Elsbernd destroys his calendars every two weeks. 3. The PUC initially disclosed to me in July nearly all text messages between Harlan Kelly, Jr. and Walter Wong and then later asked me to destroy those records. Does this look like a legitimate representative democracy? Supervisor Peskin stated "No one should be scared of information or transparency," but that applies to public servants most of all. I will continue to win cases against this city (SOTF 19044, 19047, 19091, 19098, 19108). Work with me instead to improve sunshine."
