**Notice of City Council Public Hearing
For the Central Park Master Plan (PA15-019)**

NOTICE IS HEREBY GIVEN that the City of San Mateo has prepared an Initial Study/Mitigated Negative Declaration (IS/MND), which identifies and discusses potential environmental impacts of the project and, if necessary, proposes mitigation measures to be incorporated in the project to eliminate any potentially significant impacts. The City of San Mateo City Council will hold a Public Hearing to take action on the following project:

PROJECT: PA15-019 CENTRAL PARK MASTER PLAN
LOCATION: 50 EAST FIFTH AVENUE, SAN MATEO (APN: 034-200-010)

PROJECT DESCRIPTION:

The City of San Mateo is proposing to enhance Central Park's character as the City's signature park and community gathering place by improving its visual image and sense of open space, to enhance its value in support of downtown vitality and to extend its utilization as a venue for community special events. Central Park provides open space and recreational and cultural resources for the downtown, as well as the entire San Mateo community. New features to be added include a new community plaza along 5th Avenue, fallen hero memorial, a new community event building, new tennis courts with lighting, new Rotary Picnic Pavilion, and a storage building.

Features to be expanded and improved include the existing playground, picnic areas, the Laurel Avenue entryway, Fitzgerald ballfield, the parking garage on 5th Avenue, and the pedestrian path system.

Key features to be preserved include the Japanese Tea Garden, Kohl Pump-house, Kohl Fence, Rose Garden, Main Event Lawn, Maintenance Yard, Children's Mini Train, Gazebo, and all of the existing art pieces on site would be preserved including the bronze dog (near 9th Avenue entry), bronze bears (near 9th Avenue entry) and Leon, the Giraffe (near 5th Avenue).

The project site is 16.3 acres, bounded by Laurel Avenue to the north, 9th Avenue to the east, South El Camino Real to the south, and East 5th Avenue to the west. The surrounding uses include multi-family residential uses to the north, single-family & multi-family residential uses to the east, commercial & office uses to the south, and Downtown commercial & office uses to the west. The project site is zoned Open Space (OS) and has a Land Use designation of Parks/Open Space.

Required Approvals:

- A. Mitigated Negative Declaration to assess environmental impacts;
- B. Central Park Master Plan

PROJECT MANAGER: Sheila Canzian, Director of Parks and Recreation

PROPERTY OWNER: City of San Mateo
330 W. 20th Avenue

SIGNIFICANT ENVIRONMENTAL EFFECTS:

The project required the preparation of an Initial Study/Mitigated Negative Declaration under the provisions of the California Environmental Quality Act (CEQA). An IS/MND has been prepared, which identifies and discusses potential environmental impacts of the project and proposes mitigation measures to be incorporated in the project to address potentially significant impacts. The IS/MND has concluded that although the project could have a significant effect on the environment in the areas of biological resources, cultural resources, air quality and noise; there will not be a significant effect because revisions in the project have been made or agreed to by the project sponsor.

PUBLIC COMMENT ON THE ENVIRONMENTAL REVIEW DOCUMENTS: The availability of the IS/MND & draft master plan were posted at City Hall, the three libraries, and in Central Park on 10/20/2017.
