23 FURTHER MOVED, That the Board of Supervisors finds that based on the whole
24 record before it there are no substantial project changes, no substantial changes in project
25 circumstances, and no new information of substantial importance that would change the

1 conclusions set forth in the exemption determination by the Planning Department that the
2 proposed Project is exempt from environmental review; and, be it

3 FURTHER MOVED, That after carefully considering the appeal of the exemption
4 determination, including the written information submitted to the Board of Supervisors and the
5 public testimony presented to the Board of Supervisors at the hearing on the exemption
6 determination, this Board concludes that the Project qualifies for an exemption determination
7 under CEQA.
