(California Code of Regulations, Title 14, Division 6, Chapter 3, Sections 15300-15333),
issued a categorical exemption for the Project on September 20, 2018, finding that the Project

WHEREAS, On November 8, 2018, the Planning Commission granted conditional use

MOVED, That the Board of Supervisors hereby adopts as its own and incorporates by reference in this motion, as though fully set forth, the exemption determination; and, be it

FURTHER MOVED, That the Board of Supervisors finds that based on the whole record before it there are no substantial project changes, no substantial changes in project circumstances, and no new information of substantial importance that would change the conclusions set forth in the exemption determination by the Planning Department that the Project is exempt from environmental review; and, be it

FURTHER MOVED, That after carefully considering the appeal of the exemption determination, including the written information submitted to the Board of Supervisors and the public testimony presented to the Board of Supervisors at the hearing on the exemption determination, this Board concludes that the Project qualifies for an exemption determination under CEQA.
