Be it ordained by the People of the City and County of San Francisco:

Section 1. CEQA Findings.

The Planning Department has determined that the actions contemplated in this ordinance comply with the California Environmental Quality Act (California Public Resources Code Sections 21000 et seq.). Said determination is on file with the Clerk of the Board of Supervisors in File No. 210836 and is incorporated herein by reference. The Board affirms this determination.
Section 2. Article 16 of the Public Works Code is hereby amended by revising Sections 806, 808, 809, and 811, to read as follows:

SEC. 806. PLANTING AND REMOVAL OF STREET TREES.

(a) Planting and Removal by the Department.

* * * *

(3) Appeal of Tree Removal.

(A) If within 30 days after the giving of Notice for Street Tree Removal, as specified in Subsection (a)(2), or if within 15 days after the giving of notice for Removal of a hazard Street Tree, as specified in Subsection (a)(4), or if within 15 days after the giving of notice for Removal of a hazard Street Tree, as specified in Subsection (a)(4), any Person files with the Department written objections to the Removal, the Director shall hold a hearing to consider public testimony concerning the proposed Tree Removal. Written Notice of the date, time, and place of the hearing shall be posted on the affected Tree, provided in a newspaper of general circulation, and sent to the objecting party, the owner of the property abutting the affected Tree, and all Interested San Francisco organizations, not less than seven days prior thereto.

(B) The Director shall issue his or her a written decision and order on the objections after the public hearing specified above.

(C) The Director's decision shall be final and appealable to the Board of Appeals.

(4) Removal of Hazard Street Trees.

(A) No hazard Street Tree shall be cut down or removed by the Department unless:

(i) The Department gives 15 days' prior written Notice to the owner of the property abutting the affected Tree; and
(ii) Fifteen days prior to the Removal date, the Department notifies all Interested San Francisco organizations and, to the extent practical, owners and occupants of properties that are on or across the block face where the affected Tree is located. In addition, 15 days prior to the Removal date, the Department shall post a notice on the affected Tree.

(B) Hazard Street Tree shall have the same meaning as Hazard Tree in Section 802 except that a Hazard Street Tree is located within the public right-of-way.

(5) Emergency Removal. In the case of manifest danger and immediate necessity, as determined by the Director, the Department may remove any Street Tree immediately. After such emergency Removal, the Department shall provide Notice of the necessity for such action to the owner of the property abutting the affected Tree, all Interested San Francisco organizations and, to the extent practical, all owners and occupants of properties that are on or across from the block face where the affected Tree was removed.

(6) Replacement of Street Trees. If the Department removes a Street Tree under this subsection (a), the Department shall replace the Street Tree at the same location within 120 days of its removal, with the following exceptions and qualifications.

(A) If the Department removes a Street Tree and cannot replace it in the same location due to accessibility requirements or interference with underground utilities, the Department shall plant a new Street Tree in a new location as close as reasonably possible to the location of the Street Tree that the Department removed.

(B) The Department shall not be required to replace a Street Tree, if a private party has agreed to plant, within the 120 days of removal, and Maintain a new Street Tree at the same location, under Section 805(c).

(C) If the Department is unable to replace a Street Tree within 120 days of removal, the Department shall record, in a Delayed Replacement Tree Report, the Tree’s location, the
reason for delay, and the date the Department projects replacement will take place. The Department shall promptly plant Trees listed in the Delayed Replacement Tree Report as resources are available or constraints are resolved and shall compile and track the average length of time that Trees remain on the Delayed Replacement Tree Report.

(b) Planting and Removal by Persons Other Than the Department.

(1) Planting and Removal Permits. It shall be unlawful for any person to plant or to remove any Street Tree without a valid permit for such work issued by the Department. All permits for the Planting or Removal of Street Trees issued by the Director for residential properties shall be recorded on the Report of Residential Building Records in accordance with Section 351 of the Housing Code. All work associated with a Street Tree permit must be completed within six months of issuance, unless an extension has been granted by the Department.

* * * *

(3) Removal.

(A) An abutting property owner who desires a permit to remove a Street Tree shall apply to the Department on the designated form. The Department may grant or deny the permit in accordance with the following procedures and requirements. If the Department grants a Tree removal permit, it shall require that a Street Tree or Trees of equivalent replacement value to the one removed be planted in the place of the removed Tree or impose an in-lieu fee unless it makes written findings detailing the basis for waiving or modifying this requirement.

(i) Where an abutting property owner removed a Street Tree or Trees without obtaining a permit, the Department shall require that the property owner plant a replacement Street Tree or Trees with total diameter six-inches above ground that is equal to or greater than the total diameter of the Street Tree or Trees that were removed without a permit.
(ii) The fee for a permit to remove 1-3 **one to three** Street Trees shall be $607.00 when the permit is requested to allow for development or construction; the fee for a permit to remove 4-9 **four to nine** Street Trees shall be $300.00 when the permit is requested to remove a hazard or a diseased Tree or to prevent damage to the sidewalk; the fee for a permit to remove 10 or more Street Trees shall be $1,214.00.

(iii) **Additional Fees.** The Director, in his or her discretion, may require an applicant or permittee to pay additional fees as set forth in Section 2.1.3.

(iviii) **Fee Review and Adjustment.** Beginning with fiscal year 2010-2011, the fees that are established herein shall be reviewed and adjusted each year in accordance with the procedures set forth in Public Works Code Section 2.1.2.

(B) Thirty days prior to the Removal date, the Department shall give Notice to all Interested San Francisco organizations and, to the extent practicable, the owners and occupants of properties that are on or across from the block face or adjacent to where the affected Tree is located. In addition, 30 days prior to the Removal date, the Department shall post a notice on the affected Tree. If within 30 days after the giving of such notice any person files with the Department written objections to the Removal, the Director shall hold a hearing prior to removing the Tree. Written notice of the date, time, and place of the hearing shall be posted on the affected Tree and sent to the objecting party and all Interested San Francisco organizations not less than seven days prior thereto.

(C) The Director shall issue his or her a written decision and order on the objections after the public hearing specified above.

(D) The Director’s decision shall be final and appealable to the Board of Appeals.

SEC. 808. PROTECTION OF TREES AND LANDSCAPE MATERIAL.

* * * *

(c) Construction Work: Protection of Trees Required.

(1) It shall be unlawful for any person to engage in any construction work on private or public property without first taking steps to protect Street Trees, Significant Trees, and Landmark Trees from damage, including damage caused by soil compaction or contamination, excavation, or placement of concrete or other pavement or foundation material. If excavation, construction, or Street work is planned within the dripline of a Significant Tree, a Landmark Tree, or a Tree on any Street or other publicly owned property said Tree(s) shall be adequately protected. If any construction work results in the Injury or damage to such Trees, the responsible party(ies) may be subject to the penalties set forth in Section 811 of this Article.

(2) Prior to Department of Building Inspection issuance of a building permit or site permit, the applicant for a project that may damage one or more Street Trees, Significant Trees, and/or Landmark Trees shall submit a Tree protection plan to the Director for review and approval.

(3) Prior to issuance of a Public Works permit for excavation, construction, or Street work that will occur within the dripline of a Significant Tree, a Landmark Tree, or a Tree on any Street or other publicly owned property, the applicant shall submit a Tree protection plan to the Director for review and approval.

(4) If the Public Utilities Commission or Municipal Transportation Agency plans to perform any excavation, construction, or Street work within the drip line of a Significant Tree, a Landmark Tree, or a Tree on any Street or other publicly owned property, said department shall submit a Tree protection plan to the Director for informational purposes only.
(5) The Tree protection plan referenced above in §subsection (c)(2)-(4) shall be prepared by a certified arborist, and shall contain the certified arborist's estimate of the total replacement cost of all Trees subject to the Tree protection plan. The Tree protection plan shall include a section for the applicant to acknowledge receipt of the total estimated replacement cost and the applicant's understanding that failure to adhere to the plan shall result in liability for the replacement costs as well as any other fines, penalties, or fees for violating the provisions of this Article 16.

SEC. 809. HAZARD TREES; ABATEMENT.

(a) Notice. Upon a finding by the Director that a Tree on private property or a Street Tree for which a private party is responsible is a “hazard tree” as defined herein, the Director shall provide notice to the private party which describes the condition creating the hazard, the actions required to be taken to abate the hazard, and the date by which compliance must be completed. Required action may include replacement or removal of the Street Tree in accordance with applicable requirements and procedures provided in this Article 16 for its removal. In cases of extreme danger, as determined by the Director, the Director may require immediate compliance.

SEC. 811. PENALTIES FOR VIOLATION OF ORDINANCE.

* * * *

(c) Administrative Penalties.

(1) In addition to the penalties set forth in §subsection (a) and (b) above, the Director may require any person who removes, injures, or destroys a Tree in violation of the provisions of this Article 16 to pay, for each Tree removed or destroyed, a sum of $10,000 or the Tree’s Replacement value, whichever is greater. The Director may require any person who injures a
Tree in violation of the provisions of this Article 16 to pay a sum of money equal to the Tree's Replacement value or the diminishment of the Tree's value as set forth in the current edition of the Guide for Plant Appraisal (Council of Tree and Landscape Appraisers).

(2) Further, in addition to the penalties set forth in subsections (a) and (b) above, the Director may require any person who removes, fails to maintain, injures, or destroys sidewalk landscaping or the associated design improvements in violation of the provisions of Sections 808(b) or 810B to pay a sum of money equal to the Replacement value of the affected Landscape Material and associated design improvements or the diminishment of the value of the Landscape Material as set forth in the current edition of the Guide for Plant Appraisal (Council of Tree and Landscape Appraisers). In no case shall the administrative penalty be less than $500 per violation.

(3) When one or more additional violations of the provisions of this Article 16 occur within one year of the first violation, the Director may assess a responsible party $20,000 for each removed or destroyed Tree and double the Tree's Replacement value or the diminishment of the injured Tree's value. Depending on the nature and seriousness of the misconduct, including unpermitted removal of or damage to a Landmark or Significant Tree; the unpermitted removal of or damage to Sidewalk landscaping installed pursuant to a permit issued under Section 810B; the number of violations; the persistence of the misconduct; the length of time over which the misconduct occurred; or the willfulness of the defendant's misconduct, the Director may assess additional penalties in excess of the amounts specified in this subsection (c)(3) above.

(4) In addition to the administrative penalty assessed pursuant to this Section 811, the Director may assess enforcement costs to cover the reasonable costs incurred in enforcing the administrative penalty, including reasonable attorneys' fees.
Any and all amounts paid or collected pursuant to this subsection (c), with the exception of enforcement costs under subsection (c)(4), shall be deposited into the Adopt-A-Tree Fund.

Notwithstanding the monetary limitation specified above in this subsection (c), if a responsible party performs Major Maintenance on a Street Tree subject to the provisions of Section 805.7(4h) without a permit or injures, destroys, or removes such a Tree, the Department may assess a penalty of up to $10,000 per violation in addition to the other remedies specified above.

The Department shall send Notice of the assessment of administrative penalties to the responsible party. Such Notice shall include a statement that payment is due within 60 days of the mailing date of the Notice. If a responsible property owner fails timely to remit payment, the Department shall send a second Notice of payment due. Such second Notice shall include a statement that failure timely to remit payment in full to the City within 30 days of the mailing of the second Notice shall cause the Director to institute lien proceedings pursuant to Sections 706.4-706.7 of this Code. Enforcement and collection of liens for costs associated with Hazard Tree abatement shall be in accordance with Sections 706.4-706.7 of this Code, except that all monies received in payment of such liens with the exception of enforcement costs, shall be credited to the Adopt-a-Tree Fund.

Hearings. At the written request of any person who has been assessed an administrative penalty under this subsection (c)(1)-(2), the Director, or the Director’s designee, shall hold a public hearing regarding the proposed penalty. The Director, or the Director’s designee, must receive the written request for a hearing within 60 days of the Department’s notice of the assessed penalty. After the public hearing, the Director’s, or the Director’s designee’s, decision on the assessed penalty shall be final.
Section 3. Effective Date. This ordinance shall become effective 30 days after enactment. Enactment occurs when the Mayor signs the ordinance, the Mayor returns the ordinance unsigned or does not sign the ordinance within ten days of receiving it, or the Board of Supervisors overrides the Mayor’s veto of the ordinance.

Section 4. Scope of Ordinance. In enacting this ordinance, the Board of Supervisors intends to amend only those words, phrases, paragraphs, subsections, sections, articles, numbers, punctuation marks, charts, diagrams, or any other constituent parts of the Municipal Code that are explicitly shown in this ordinance as additions, deletions, Board amendment additions, and Board amendment deletions in accordance with the "Note" that appears under the official title of the ordinance.
