Be it ordained by the People of the City and County of San Francisco:

Section 1. Background and Purpose.

(b) On March 16, 2020, to mitigate the spread of COVID-19, the Local Health Officer issued Order No. C19-07, which has been amended and replaced by subsequent orders, directing San Franciscans to “shelter in place” beginning on March 17, 2020. These orders, which are now known as “stay-safer-at-home” orders, generally require individuals to stay in their homes to the extent possible, and require businesses to cease all non-essential operations at physical locations in the City, with some limited exceptions.

(c) In response to the COVID-19 emergency, on March 11, 2020, the Mayor extended the due date for payment of certain license fees otherwise due on March 31, 2020 to June 30, 2020. On April 23, 2020, the Mayor further extended the payment deadline for those fees to September 30, 2020, and also extended certain deadlines for the payment of business registration fees to September 30, 2020. On August 4, 2020, the Mayor further extended those deadlines to March 1, 2021.

(d) Due to the public health emergency related to COVID-19 and the actions required to respond to the emergency, San Francisco’s entertainment and nightlife and restaurant businesses either have not been able to operate at all or have opened only on a limited basis, which has caused many of these businesses to suffer economic harm. These businesses include music venues, clubs, and bars with live performances, and restaurants, all of which contribute tremendously to San Francisco’s culture. Despite not being able to operate at full capacity or at all, these businesses currently are still required to pay certain license fees and
taxes. This ordinance is intended to mitigate the economic harm inflicted on certain entertainment and restaurant businesses in San Francisco due to the public health emergency.

(e) The COVID-19 outbreak also has caused significant negative impacts on businesses in the City generally. While the exact course of the pandemic cannot be predicted, it is expected to continue to pose serious public health concerns in San Francisco for months to come, and will continue to have serious negative impacts on businesses during that time. This ordinance is intended to mitigate those impacts by extending the payment deadlines for certain license and registration fees and the payment and filing deadlines for certain business taxes.

Section 5. Effect of Fee and Tax Waivers.

(a) Notwithstanding Section 76.1(b) of Article 2 of the Business and Tax Regulations
Code, the failure of a Person to pay any License Fees waived under Section 3 of this

of Article 2 of the Business and Tax Regulations Code, previously extended to March 1, 2021,

Business Registration Certificates, if a Combined Group) and timely pay the prorated Business Registration Fee for the Registration Year ending June 30, 2020, as required by Section 856 of Article 12 of the Business and Tax Regulations Code. A Newly Established Business subject to this subsection (b) that applies for a Business Registration Certificate (or Business Registration Certificates, if a Combined Group) and pays the prorated Business Registration Fee, plus any applicable penalties and interest, for the Registration Year ending June 30, 2020, shall, in the sole discretion of the Tax Collector, either:

For Newly Established Businesses commencing business in the City on or after July 1, 2020, the deadline for payment of the Business Registration Fee for the Registration Year ending June 30, 2021, which was previously extended to March 1, 2021, shall be further extended to April 30, 2021, and no penalty shall be assessed if such Newly Established Business pays that Business Registration Fee by April 30, 2021. A Newly Established Business subject to this subsection (c) shall not receive a Business Registration Certificate (or Business Registration Certificates, if a Combined Group) until it has paid its Business Registration Fee, but:

(1) all requirements in the San Francisco Municipal Code that a Business Registration Certificate be posted shall be waived for such Newly Established Business for all purposes through April 30, 2021; and

(2) such Newly Established Business shall receive a business account number (or numbers, if a Combined Group) reflecting its registration with the Tax Collector, and shall not be reflected as being delinquent in the records of the Tax Collector until May 1, 2021, on account of not paying its Business Registration Fee for the Registration Year ending June 30, 2021.

(e) Persons or Combined Groups that cease business between July 1, 2020 and April 30, 2021 shall remain subject to the requirements under Articles 6 and 12 of the
Business and Tax Regulations Code to pay the Business Registration Fee for the Registration Year ending June 30, 2021 and file any necessary forms to accompany that payment, except that such payment deadline shall be extended to April 30, 2021.

(f) The Tax Collector shall continue to timely issue Business Registration Certificates to all Persons that choose to pay the Business Registration Fee for the Registration Year ending June 30, 2021 prior to April 30, 2021.

remaining portions or applications of this ordinance. The Board of Supervisors hereby declares that it would have passed this ordinance and each and every section, subsection, sentence, clause, phrase, and word not declared invalid or unconstitutional without regard to whether any other portion of this ordinance or application thereof would be subsequently declared invalid or unconstitutional.

Section 10. Effective Date. This ordinance shall become effective 30 days after enactment. Enactment occurs when the Mayor signs the ordinance, the Mayor returns the ordinance unsigned or does not sign the ordinance within ten days of receiving it, or the Board of Supervisors overrides the Mayor’s veto of the ordinance.
