Be it ordained by the People of the City and County of San Francisco:

Section 1. Article 1 of Chapter 16 of the Administrative Code is hereby amended by adding Section 16.9-27 and revising Section 33.7, to read as follows:

SEC. 16.9-27. HARASSMENT PREVENTION TRAINING AND REPORTING.

(a) Findings and Purpose.

(1) In federal Fiscal Year 2017, over 84,000 workplace discrimination charges were filed with the U.S. Equal Employment Opportunity Commission ("EEOC"), approximately 30% of those charges were related to sex discrimination, and over 6,500 of those charges were for sexual harassment.
(2) A 2016 EEOC Report by the Select Task Force on the Study of Harassment in the Workplace concluded that workplace harassment remains a persistent problem, particularly sex-based harassment. The vast majority, as much as 70%, of individuals who experience workplace harassment, never report or discuss the harassment with a superior. Even fewer individuals among the minority who report or discuss harassment with a supervisor file a formal complaint.

(3) Harassment in the workplace results in physical and emotional harm to employees who experience the harassment directly as well as to those who witness the harassment. Additionally, employers suffer as a result of workplace harassment, which causes decreased productivity and imposes financial costs on employers.

(4) Under California Government Code Section 12950.1, all supervisors and managers are required to complete a biennial online harassment prevention training, which is provided by the Department of Human Resources (“DHR”). By February 2018, DHR had trained nearly 12,000 employees in Fiscal Year 2016-2017. Expanding this requirement to all City employees—approximately 34,000 as of 2018—would significantly expand the training’s reach and impact.

(5) In February 2018, DHR projected receiving an increased number of sexual harassment complaints in Fiscal Year 2017-2018 as compared to prior fiscal years because the existing required harassment prevention training has increased awareness among employees of their obligation to report harassment and their right to a harassment-free workplace, and has deepened their understanding of what constitutes workplace harassment.

(6) Administrative Code Section 16.9-25(e)(2) requires DHR to provide an annual report on the number of sexual harassment claims filed by City employees, including information as to number of claims pending, and the City departments in which claims have been filed. Expanding this reporting requirement to include all forms of harassment complaints, not only sexual harassment claims, will provide increased transparency and accountability for addressing harassment in the workplace.
(b) **Definitions.** For purposes of this Section 16.9-27, the following definitions apply:

"City" means the City and County of San Francisco.

"Covered Employee" means the following:

(1) An individual appointed to a permanent or exempt position with the City with a regular schedule of at least 20 hours per week; or

(2) An individual appointed to a provisional or temporary position with the City where there is a reasonable expectation that the employee will work at least 960 hours over a fiscal year or where the employee does work at least 960 hours over a fiscal year.

"EEO Complaint" means a complaint filed by a City employee, an applicant for City employment, a person providing services to the City by contract, an intern, or a volunteer claiming a violation of the City’s Equal Employment Opportunity Policy, which prohibits discrimination and harassment on the basis of characteristics protected by federal law, state law, or ordinance, and further prohibits retaliation against an individual who reports, files a complaint of, or otherwise opposes, conduct he or she reasonably believes to be unlawful discrimination, harassment, or retaliation, or assists in the investigation of a complaint.

(c) **Training.** All Covered Employees shall participate in harassment prevention training annually. The harassment prevention training shall educate Covered Employees on City policies prohibiting harassment. The harassment prevention training shall include bystander intervention training that will teach employees how to intervene and address harassment that they may observe in the workplace.

(1) The requirement that Covered Employees participate in harassment prevention training shall begin in Fiscal Year 2019-2020 unless the Board of Supervisors appropriates money for the training in Fiscal Year 2018-2019 and the Controller certifies the departments have sufficient funds to provide the training.

(2) Once the City begins providing harassment prevention training to Covered
Employees, a Covered Employee shall participate in harassment prevention training within 30 days of the date the Covered Employee begins working.

(3) DHR shall prepare and administer the harassment prevention training program.

(4) Training that meets the requirements of California Government Code Section 12950.1 shall satisfy this Section 16.9-27, provided that the training includes bystander intervention training. Training under Section 16.9-27 shall satisfy the City entities’ obligations under Section 16.9-25(d) to provide education and training to supervisors regarding the prevention of sexual harassment.

(6) This Section 16.9-27 does not preclude any board, commission, department, or other City entity or official from taking additional reasonable steps to train City managers, officials, and/or employees regarding the City’s sexual harassment policy and issues pertaining to sexual harassment, in accordance with Section 16.9-25(a)(4).

(d) Reports.

(1) Annual Reports on Training. Beginning January 1, 2019, DHR shall annually post on its website the number of employees in each department who have completed harassment prevention training.

(2) Quarterly and Annual Reports on Harassment Complaints. Beginning January 1, 2019, DHR shall post on its website on a quarterly and annual basis a report on the number of harassment complaints filed with DHR, including the number of complaints for each department, and the status of complaints and disposition of complaints in composite numbers, in which the alleged harassment occurred. The report shall also include information on the dispositions of complaints that have been concluded and the status of complaints that are pending, both composite numbers and numbers as to each department in which the alleged harassment occurred. The reports shall not include names or other individually identifying information disclosed in the complaints or subsequent investigations. DHR shall submit its first quarterly report on by April 15, 2019, and shall submit its first annual report on July 15, 2019.
(3) Annual Reports of Settlements. Beginning on April 15, 2019 and thereafter by January 15 each year, 2019, the City Attorney shall annually report the settlements of harassment cases to the Department on the Status of Women ("DOSW"). The reports shall not include names or other individually identifying information from the cases.

(4) Posting Reports. DOSW shall post to its website the quarterly and annual reports regarding complaints described in subsection (d)(2), and the reports of harassment settlements required under Section 33.7 of this Code, described in subsection (d)(3).

(54) This Section 16.9-27 does not relieve DHR of its reporting requirements under Section 16.9-25(e) regarding sexual harassment.

(e) Undertaking for the General Welfare. In enacting and implementing this Section 16.9-27, the City is assuming an undertaking only to promote the general welfare. It is not assuming, nor is it imposing on its officers and employees, an obligation for breach of which it is liable in money damages to any person who claims that such breach proximately caused injury.

(f) No Conflict with Federal or State Law. Nothing in this Section 16.9-27 shall be interpreted or applied so as to create any requirement, power, or duty in conflict with any federal or state law, or any provision of the City Charter.

SEC. 33.7. COOPERATION OF OTHER CITY AND COUNTY ENTITIES.

(c) The City Attorney shall submit to the Commission and the Department a monthly quarterly report of settlements, which includes lawsuits and claims filed by female employees of the City and County alleging employment discrimination. The report shall include:

1. the name of the case or claimant;
2. the nature of the case;
(3) the damages allegedly suffered; and
(4) the amount of the settlement.

The City Attorney shall also provide, quarterly, a summary of litigation judgments in favor of and against the City and County, including all lawsuits filed by female employees alleging discrimination. The City Attorney shall alert the Commission to the filing of any lawsuit against the City and County alleging any form of discrimination against women and shall provide a monthly quarterly report of all administrative claims filed against the City, including any claims alleging discrimination against women. Upon request, the City Attorney shall forward to the Commission or the Department a copy of any complaint or claim filed with or served upon the City Attorney.

Section 2. Consistent with the press release entitled New Recommendations on Strengthening Sexual Harassment Prevention and Response issued March 1, 2018 by the Department on the Status of Women, the Board of Supervisors urges the Civil Service Commission to adopt a rule requiring the Department of Human Resources to accept EEO Complaints, for up to one year after the date of the last alleged incident of the harassment, discrimination, or retaliation.

Section 3. Effective Date. This ordinance shall become effective 30 days after enactment. Enactment occurs when the Mayor signs the ordinance, the Mayor returns the
ordinance unsigned or does not sign the ordinance within ten days of receiving it, or the Board of Supervisors overrides the Mayor's veto of the ordinance.
