23 subsections or parts of tables.

24 Be it ordained by the People of the City and County of San Francisco:

25 Section 1. General Findings.

1 (a) The Department of Public Works (“Public Works”) and the Bayview Hill
2 Neighborhood Association have engaged in planning efforts with neighborhood residents in
3 southeast San Francisco and have collaborated to design streetscape improvements along
4 the highway offramp near the intersection of Third Street and Meade Avenue, including but
5 not limited to lighted gateway signage and right-of-way improvements and hardscaping, and
6 landscape improvements, including but not limited to an irrigation system and tree plantings.
7 The proposed streetscape and landscape improvements will be installed by Public Works and
8 are intended to demarcate and beautify a prominent physical entrance to the Bayview-Hunters
9 Point neighborhood, revitalizing a vacant lot that is currently underutilized and overgrown with
10 vegetation.

11 (b) The State of California, acting by and through its Department of Transportation
12 (“Caltrans”), exercises regulatory jurisdiction over State Highway Route 101 (“Highway 101”),
13 including a portion that Caltrans has now proposed to relinquish to the City: a portion of
14 sidewalk, roadway, and other right-of-way improvements and real property comprising a
15 portion of the highway offramp located southwest of the intersection of Third Street and
16 Meade Avenue and northeast of the Bayshore Boulevard overcrossing (the “Bayshore
17 Offramp Improvements and Property”), which is depicted in Sheets 1 and 2 of the Caltrans
18 map titled “Right of Way Relinquishment, REL. NO. 56146,” dated as of August 2019, on file
19 with the Clerk of the Board of Supervisors in File No. 191262 and incorporated herein by
20 reference. Presently, Caltrans has sole authority to approve and issue permits for activities
21 on the State highway right-of-way, and Caltrans does not issue encroachment permits to allow
22 decorative features within the boundaries of the State highway right-of-way.

23 (c) Pursuant to the Agreement for Maintenance of State Highways in the City of San
24 Francisco approved by the City and County of San Francisco (“City”) on June 10, 2009,
25 pursuant to Board of Supervisors Resolution No. 209-09, and as amended on October 27,

1 2011 (“Delegated Maintenance Agreement”), Caltrans delegated to the City certain
2 maintenance responsibilities over the State Highways located within the City’s jurisdiction as
3 authorized pursuant to the California Streets and Highways Code, including maintenance of
4 signals and safety lighting that are part of the Bayshore Offramp Improvements and Property.
5 Pursuant to the Delegated Maintenance Agreement, the City currently performs certain
6 maintenance of the Bayshore Offramp Improvements and Property, and Caltrans reimburses
7 the City for such maintenance work. However, the City has not been delegated authority to
8 authorize the construction of streetscape and landscape improvements on Highway 101 under
9 the Delegated Maintenance Agreement. A copy of the Delegated Maintenance Agreement is
10 on file with the Clerk of the Board of Supervisors in File No. 090630.

11 (d) The City has adopted policies such as the Better Streets Plan, which took effect on
12 January 16, 2011 pursuant to Ordinance No. 310-10, and the City continues to implement the
13 Better Streets Plan and other efforts to revitalize neighborhoods and activate spaces along
14 streets and sidewalks throughout the City. City residents and neighborhood stakeholders
15 have expressed much interest in revitalizing and activating the right-of-ways around the
16 Bayshore Offramp Improvements and Property.

17 (e) Caltrans has now proposed to relinquish to the City, at no cost to the City and
18 without warranty, all of Caltrans’ right, title, and interest in and to the Bayshore Offramp
19 Improvements and Property after the City enacts this ordinance, and following approval of the
20 relinquishment by the California Transportation Commission (“CTC”) by way of a resolution.
21 The City agrees to provide Caltrans with 90 days’ prior notice of any proposed changes to the
22 configuration of the two-lane roadway portion of the Third Street roadway portion of the
23 Bayshore Offramp Improvements and Property. Subject to the City’s authority under the City
24 Charter, the City will endeavor to protect the continuity of the operation of Highway 101 and
25 the northbound offramp portion of the Bayshore Offramp Improvements and Property while

1 the portion of Highway 101 abutting the Bayshore Offramp Improvements and Property
2 remains in operation as a State Highway.

3 (f) A copy of the proposed California Transportation Commission ("CTC") resolution
4 ("CTC Resolution") and of the other documents required to effectuate the State's
5 relinquishment and the City's acceptance of the Bayshore Offramp Improvements and
6 Property are on file with the Clerk of the Board of Supervisors in File No. 191262. It is
7 anticipated that the CTC will consider passage of the CTC Resolution in 2020. After passage
8 of a resolution in substantial conformance with the proposed CTC Resolution, the
9 relinquishment of Caltrans' right, title, and interest in and to the Bayshore Offramp
10 Improvements and Property to the City shall become effective upon the recordation of a
11 certified copy of the approved CTC Resolution by the City Assessor-Recorder ("Effective Date
12 of Relinquishment").

13 Section 2. Environmental and General Plan Findings.

14 (a) The Planning Department has determined that the actions contemplated in this
15 ordinance qualify for a categorical exemption under the California Environmental Quality Act
16 (California Public Resources Code Sections 21000 et seq.). Said determination is on file with
17 the Clerk of the Board of Supervisors in File No. 191262 and is incorporated herein by
18 reference. The Board of Supervisors adopts this determination as its own.

19 (b) In the above-referenced determination on file with the Clerk of the Board of
20 Supervisors in File No. 191262, the Planning Department also determined that the actions
21 contemplated in this ordinance are consistent, on balance, with the City's General Plan and
22 eight priority policies of Planning Code Section 101.1. The Board adopts this determination
23 as its own.

24 Section 3. Authorizing Director of Property to Accept the Bayshore Offramp
25 Improvements and Property.

1 (a) Caltrans has offered to relinquish, without warranty, all of its right, title, and interest
2 in and to the Bayshore Offramp Improvements and Property to the City.

3 (b) In DPW Order No. 202476, which is on file with the Clerk of the Board of
4 Supervisors in File No. 191262 and is incorporated by reference herein, Public Works has
5 recommended that the Board of Supervisors authorize the Director of Property to accept the
6 Bayshore Offramp Improvements and Property and place the Bayshore Offramp
7 Improvements and Property under the jurisdiction of Public Works.

8 (c) In addition, in DPW Order No. 202476, Public Works has recommended that the
9 Board of Supervisors approve any amendments to the Delegated Maintenance Agreement
10 contemplated or required to conform to this ordinance and the approved CTC Resolution.

11 (d) In DPW Order No. 202476, Public Works has also recommended that the Board of
12 Supervisors authorize waiver of the requirement that Caltrans provide the City 90-days' notice
13 regarding the relinquishment of the Bayshore Offramp Improvements and Property pursuant
14 to California Streets and Highways Code Section 73.

15 (e) The Board of Supervisors hereby accepts and approves Public Works'
16 recommendation in DPW Order No. 202476 and authorizes: (1) waiver of the requirement that
17 Caltrans provide the City 90-days' notice regarding the relinquishment of the Bayshore
18 Offramp Improvements and Property pursuant to California Streets and Highways Code
19 Section 73, (2) the Director of Property to accept all of Caltrans' right, title, and interest in and
20 to the Bayshore Offramp Improvements and Property upon the CTC's approval of a resolution
21 in substantial conformance with the proposed CTC Resolution, (3) the Director of Property to
22 place the Bayshore Offramp Improvements and Property under the jurisdiction of Public
23 Works upon the Effective Date of Relinquishment, and (4) the Director of Public Works to
24 amend the Delegated Maintenance Agreement, as may be contemplated or required, to
25 conform with this ordinance upon the Effective Date of Relinquishment.

1 Section 4. Additional Requested Official Actions.

2 (a) In accordance with the recommendation of the Director of Public Works and the
3 Director of Property, the Board of Supervisors hereby authorizes the Director of Property to
4 accept all of Caltrans' right, title, and interest in and to the Bayshore Offramp Improvements
5 and Property and to enter into any agreements, such as but not limited to easement
6 agreements, and agree to any waivers and indemnities of the State of California that are
7 determined to be appropriate by the Director of Property in consultation with the City
8 Attorney's Office in a form approved by the City Attorney's Office.

9 (b) Upon acquisition of the Bayshore Offramp Improvements and Property, the Board
10 of Supervisors dedicates the Bayshore Offramp Improvements and Property for public use,
11 designates these areas for street and roadway purposes, and authorizes the placement of the
12 Bayshore Offramp Improvements and Property under Public Works' jurisdiction. After the City
13 acquires the Bayshore Offramp Improvements and Property, the City shall become
14 responsible for liability, maintenance, and repair of the Bayshore Offramp Improvements and
15 Property.

16 (c) After the City acquires the Bayshore Offramp Improvements and Property, the City
17 will provide Caltrans with 90 days' prior notice of any proposed changes to the configuration of
18 the two-lane roadway portion of the Bayshore Offramp Improvements and Property. Subject
19 to the City's authority under the City Charter, the City will endeavor to protect the continuity of
20 the operation of Highway 101 and the northbound offramp portion of the Bayshore Offramp
21 Improvements and Property while the portion of Highway 101 abutting the Bayshore Offramp
22 Improvements and Property remains in operation as a State Highway.

23 (d) Upon enactment of this ordinance, the Clerk of the Board of Supervisors shall send
24 four certified copies of this ordinance to Caltrans at an address to be provided by the Director
25 of Public Works.

1 (e) Upon the CTC's approval of a resolution in substantial conformance with the
2 proposed CTC Resolution, the Director of Property, on behalf of the City, is hereby authorized
3 to and shall accept and have recorded by the County Clerk, or shall agree to Caltrans' request
4 for the County Clerk's recordation of, a certified copy of the resolution approved by the CTC
5 and one or more relinquishment maps for the relinquishment of all of Caltrans' right, title, and
6 interest in and to the Bayshore Offramp Improvements and Property to the City.

7 (f) Furthermore, upon the CTC's approval of a resolution in substantial conformance
8 with the proposed CTC Resolution, the Director of Property, on behalf of the City, is hereby
9 authorized to take any and all steps (including, but not limited to the execution and delivery of
10 any and all deeds, leases, certificates, notices, consents, instructions, and documents) as the
11 Director of Property, in consultation with the City Attorney's Office, deems necessary or
12 appropriate to complete the relinquishment of all of Caltrans' right, title, and interest in and to
13 the Bayshore Offramp Improvements and Property to the City.

14 (g) Within 30 days of the Effective Date of Relinquishment, a copy of the recorded
15 CTC resolution shall be delivered to the Clerk of the Board of Supervisors.

16 Section 5. Effective Date. This ordinance shall become effective 30 days after
17 enactment. Enactment occurs when the Mayor signs the ordinance, the Mayor returns the
18 ordinance unsigned or does not sign the ordinance within ten days of receiving it, or the Board
19 of Supervisors overrides the Mayor's veto of the ordinance.
