The fourth installment shall be reported and paid on or before the last day of February of the immediately following tax year. 953.8 of Article 12-A-1) liability, as applicable, for the tax year in which such estimated tax payments are due.

(B) Installment Payments:

(i) The first, second, and third quarterly installments shall be a credit against the person’s total payroll expense tax or gross receipts tax, as applicable, for the tax year in which such first, second, and third quarterly installments are due. (ii) 25% of the payroll expense tax liability shown on the person’s return for the preceding tax year. If the person did not file a return for the preceding tax year, the person shall be deemed to have filed a return showing no liability for purposes of this Section 6.9-3(a)(3)(B)(ii), and no estimated tax payments of payroll expense taxes shall be due for the current tax year, be computed by using the person’s taxable payroll expense (as defined under Article 12-A) for each quarter and the rate of tax applicable to the tax year in which the first, second, and third quarterly installments are due. Notwithstanding the foregoing sentence, and except for taxpayers under Section 953.8 of Article 12-A-1, for tax years commencing after December 31, 2013, the first, second, and third quarterly installments shall be computed using the rates set forth in the following table:
(iii) (C) Gross Receipts Tax Estimated Tax Payments Installs. For purposes of this Section 6.9-3, a person or combined group’s estimated tax payments first, second, and third quarterly installments of gross receipts tax, including the tax on administrative office business activities imposed under Section 953.8 of Article 12-A-1, for any tax year shall each equal the lesser of:

(i) 25% of the gross receipts tax liability (including any liability for the tax on administrative office business activities imposed under Section 953.8 of Article 12-A-1) shown on the person or combined group’s return for the tax year (or, if no return is filed, 25% of the person or combined group’s actual gross receipts tax liability for the tax year); or

A person's total gross receipts tax liability shall be computed using the rate for that tax year computed, certified and published by the Controller under Section 959 of Article 12-A-1, or as otherwise provided in Article 12-A-1.

(ii) Any amounts paid on a person's payroll expense tax liability for a tax year that are in excess of that person's actual payroll expense tax liability for that year shall be credited to that person's gross receipts tax liability for that year. Any amounts paid on a person's gross receipts tax liability for a tax year that are in excess of that person's actual gross receipts tax liability for that year shall be credited to that person's payroll expense tax liability for that year.

(D) Lessor of Residential Real Estate; Exemption. Notwithstanding anything else in this Section 6.9-3(a)(3), a lessor of residential real estate, as defined in Section 954.1 of Article 12-A-1, shall not be required to make estimated tax payments of gross receipts tax, but shall pay its full gross receipts tax liability on or before the last day of February following the tax year, if the lessor's gross receipts within the City shown on the lessor's return for either the current tax year or the preceding tax year did not exceed the threshold in Section 954.1(b)(1) of Article 12-A-1.
(b)--(E) Estimated Tax-Installment Penalties.

(i) Every person or combined group who fails to pay any estimated tax payment installment required under this Section 6.9-3(a)(3) before the relevant delinquency date shall pay an "Estimated Tax Penalty” in the amount of 5% percent of the amount of the underpayment delinquent tax installment per month, or fraction thereof, up to 20 percent in the aggregate, and shall also pay interest on the amount of the delinquent tax installment from the date of delinquency at the rate of 1 percent per month, or fraction thereof, for each month the installment is delinquent, until paid. For purposes of this Section 6.9-3(a)(3)(E), the amount of the underpayment shall be the required estimated tax payment less the amount, if any, of the estimated tax payment paid on or before the delinquency date. For taxpayers under Section 953.8 of Article 12-A-1, for tax year 2014 only, the penalty and interest provided under this subsection shall also not apply if a first, second, or third gross receipts tax quarterly installment payment is in an amount that is at least 26 percent of the payroll expense tax liability for the immediately preceding tax year.
(F) Estimated Tax Filings.

(i) Every person or combined group engaged in business in the City must submit estimated tax filings for payroll expense taxes and gross receipts taxes (including taxes on administrative office business activities imposed under Section 953.8 of Article 12-A-1), as applicable, before the delinquency dates for each estimated tax payment of those taxes, if either of the following are true:

b. the person or combined group reported payroll expense taxes or gross receipts taxes (including taxes on administrative office business activities imposed under Section 953.8 of Article 12-A-1) on their return for the preceding tax year, regardless of whether the person owes any estimated tax payments for the current tax year.

(ii) If a person or combined group fails to make an estimated tax filing under this Section 6.9-3(a)(3)(F), the Tax Collector shall deem the estimated tax payment due to be the amount calculated under Sections 6.9-3(a)(3)(B)(ii) or 6.9-3(a)(3)(C)(ii), as applicable, until the person or combined group files an annual return for the tax year (or, if no annual return is filed, until the person or combined group’s actual tax liability for the tax year is known), at which time the estimated tax payments due shall be recalculated under Sections 6.9-3(a)(3)(B) and (C), as applicable.

(4) Payroll Expense Tax and Gross Receipts Tax: Computation of Annual Liability; Payments.

(A) The total payroll expense tax liability of a person shall be computed using the rate for that tax year computed, certified, and published by the Controller under Section 903.1 of Article 12-A or as otherwise provided in Article 12-A. The total gross receipts tax liability of a person or combined group, other than a person or combined group subject to tax under Section 953.8 of
Article 12-A-1, shall be computed using the rate for that tax year computed, certified, and published by the Controller under Section 959 of Article 12-A-1, or as otherwise provided in Article 12-A-1. The total liability for the tax on administrative office business activities of a person or combined group subject to tax under Section 953.8 of Article 12-A-1 shall be computed as provided in Section 953.8, or as otherwise provided in Article 12-A-1. Except as otherwise provided, the total payroll expense tax and gross receipts tax (including the tax on administrative office business activities under Section 953.8 of Article 12-A-1) liabilities, less any estimated tax payments for the tax year, shall be reported and paid on or before the last day of February of the year immediately following the tax year.

(ced) Forms and Adjustments. Tax remittances required under this Section 6.9-3 shall be accompanied by a tax remittance form prepared by the Tax Collector, but failure of the Tax Collector to furnish the taxpayer with a tax remittance form shall not relieve the taxpayer from any tax payment obligation.

SEC. 6.9-4. DETERMINATIONS, RETURNS AND PAYMENTS; EXTENSION OF TIME FOR FILING A RETURN AND PAYING TAX.

(a) For good cause, the Tax Collector, in his or her discretion, may extend, for a period not to exceed 60 days, the time for filing any return pursuant to this Article 6 or regulations
prescribed by the Tax Collector. For taxes required to be deposited monthly, the Tax
Collector may only extend the time for filing a return for a period not to exceed 30 days. As a
condition of such extension, the person seeking the extension shall make a payment of not
less than 90% of such person’s estimated liability for such period. For purposes of
determining the amount of the conditional payment, the Tax Collector may independently establish the
taxpayer’s estimated tax liability.

(b) Failure to make the required installment 90% payment will result in the automatic
denial of the person’s extension and the person being subject to the standard due dates in this Article 6,
including any penalties, interest, fees, and other consequences of failing to file and pay by those due
dates taxpayer being subject to penalties and interest under Section 6.17-1.

(c) Notwithstanding subsection (a) of this Section 6.9-4, the Tax Collector may extend

(a) Claims for Refund; Limitations. Except as otherwise provided in subsections (f)
and (g) of this Section 6.15-1, the Controller shall refund or cause to be refunded the amount
of any tax, interest, or penalty that has been overpaid or paid more than once, or has been
erroneously or illegally collected or received by the City, provided the person that paid such
amount files a claim in writing with the Controller within the later of one year of: (1) payment
of such amount; (2) the date the return accompanying such payment was due; or (3) the date
on which such amount requested on an return, amended return, or request for refund timely
filed under subsection (g) of this Section 6.15-1 was denied under that subsection (g).
(b) Claims for Refund; Contents. Any claim filed under subsections (a)-(f) of this Section 6.15-1 must state: (1) the specific amount claimed to have been overpaid or paid more than once, or erroneously or illegally collected or received by the City; (2) the tax periods at issue; (3) the grounds upon which the claim is founded, with specificity sufficient to enable the responsible City officials to understand and evaluate the claim; and (4) the date on which the amount requested on an return, amended return, or request for refund timely filed under subsection (g) of this Section 6.15-1 was denied under that subsection (g), if the person filing the claim filed such an return, amended return, or request for refund.

(c) Claims for Refund; Third-Party Taxes. The customer who pays a third-party tax to an Operator is the proper party to seek the refund of a disputed third-party tax. No Operator or other person responsible for collecting or remitting a disputed third-party tax may obtain a tax refund unless that Operator or other person proves that the tax has not been passed on to its customers or any other person.

(d) Claims for Refund; Applicable Law. Claims for refund shall be made according to California Government Code, Title I, Division 3.6, Part 3. For purposes of subsections (a)-(f) of this Section 6.15-1, a claim shall be deemed to accrue on the later of: (1) the date the return was due; (2) the date the tax was paid; or (3) the date the refund requested on an return, amended return, or request for refund timely filed pursuant to subsection (g) of this Section 6.15-1 was denied under that subsection (g). The Controller shall furnish a form to be used for claims.

(e) Claims for Refund; Actions by the City. The Controller shall enter the claim in the claim register, and shall forthwith forward it to the City Attorney. The City Attorney is designated to take such actions on claims as authorized by California Government Code, Title 1, Division 3.6, Part 3, Chapter 2, except that the City Attorney's authority with regard to rejecting or allowing claims shall be as provided in this Section 6.15-1. The City Attorney may
reject the claim, and shall notify the claimant of such rejection. Allowance or compromise and
settlement of claims under this Section 6.15-1 in excess of $25,000 shall require the written
approval of the City Attorney and approval of the Board of Supervisors by resolution. The City
Attorney may allow or compromise and settle such claims if the amount is $25,000 or less.
No claim may be paid until the Controller certifies that monies are available from the proper
funds or appropriations to pay the claim as allowed or as compromised and settled. If the City
approves the claim, the City may refund the excess amount collected or paid, or may credit
such amount toward any amount due and payable to the City from the person from whom it
was collected or by whom it was paid, and the balance may be refunded to such person, or
the person's administrator or executor.

(f) Claims for Refund; Waiver of Written Filing Requirement. The City Attorney, in his
or her discretion and upon good cause shown, prior to the expiration of the one-year
limitations period, may waive the requirement set forth in subsection (a) of this Section 6.15-1
that a taxpayer file a written claim for a refund in any case in which the Tax Collector and City
Attorney determine on the basis of other evidence that:

(1) an amount of tax, interest, or penalty has been overpaid or paid more than
once, or has been erroneously or illegally collected or received by the City; and

(2) all other conditions precedent to the payment of a refund to the taxpayer
have been satisfied.

(g) Requests for Refund; Refunds Permissible Without a Claim. The Tax Collector
may authorize the Controller to refund tax, interest, or penalty payments, without a refund
claim having been filed and without review by the City Attorney, if the Tax Collector
determines that the amount paid exceeds the tax, penalties, and interest due. The person
that made the overpayment may request such a refund from the Tax Collector on an return.
amended return, or request for refund form that is issued by the Tax Collector and that is filed
with the Tax Collector within the later of one year of the payment of such amount or the date
the return accompanying such payment was due. The Tax Collector may also authorize the
Controller to refund the overpaid tax, interest, or penalty payments on its own initiative within this one-
year period. A refund requested on an return, amended return, or request for refund form
under this subsection (g) shall automatically be deemed denied for purposes of subsections
(a), (b), and (d) of this Section 6.15-1 if the Tax Collector does not grant or deny the refund
request within one year of the date it was filed. Any action by the Tax Collector after a refund
request under this subsection (g) has been deemed denied shall not constitute a denial and
shall have no effect on the statute of limitations for filing a claim for refund under subsections
(a)-(f) of this Section 6.15-1. In lieu of requesting a refund on a return, amended return, or request
for refund form, a taxpayer may elect to apply an overpayment of the business registration fee in
Article 12, the payroll expense tax in Article 12-A, or the gross receipts tax in Article 12-A-1 (including
the tax on administrative office business activities under Section 953.8 of Article 12-A-1) as a credit
against the taxpayer’s immediately succeeding payment or payments due of any of these three tax types.
Any election to apply an overpayment to the taxpayer’s future liability shall be binding and may not
later be changed by the taxpayer.

SEC. 6.15-2. REFUNDS; INTEREST.

(a) Any amounts refunded prior to entry of a final judgment in a judicial proceeding
shall bear interest at the rate for prejudgment interest on refunds of local taxes or fees
provided by Section 3287(c) of the California Civil Code, as amended from time to time, and
shall be computed from the date of payment to the date of refund.

(b) If the Controller offsets overpayments for a period or periods against another
liability or liabilities currently owed to the City, or against penalties or interest on the other
liability or liabilities currently owed to the City, the taxpayer will be credited with interest on the 
amount so applied at the rate of interest set forth above, computed from the date of payment. 

(c) If a taxpayer elects to apply all or part of an overpayment of the business registration 
fee in Article 12, the payroll expense tax in Article 12-A, or the gross receipts tax in Article 12-A-1 
(including the tax on administrative office business activities under Section 953.8 of Article 12-A-1) as 
a credit against the taxpayer's immediately succeeding payment or payments due of any of these three 
tax types, a refund, inclusive of any interest accrued up to the date of the taxpayer's election, against a 
future San Francisco tax liability, the taxpayer will not be credited with interest on the amount so 
applied from the date of the taxpayer's election.

(a) Effective Date. This ordinance shall become effective 30 days after enactment.

governing all tax periods commencing prior to January 1, 2017. The amendments in this 
ordinance made to Sections 6.15-1 and 6.15-2 shall apply to all pending and future 
overpayments, regardless of whether the overpayments relate to tax periods ending before or 
after the effective date of this ordinance.

Section 3. Scope of Ordinance. In enacting this ordinance, the Board of Supervisors 
intends to amend only those words, phrases, paragraphs, subsections, sections, articles,
numbers, punctuation marks, charts, diagrams, or any other constituent parts of the Municipal
Code that are explicitly shown in this ordinance as additions, deletions, Board amendment
additions, and Board amendment deletions in accordance with the “Note” that appears under
the official title of the ordinance.

Section 4. Severability. If any section, subsection, sentence, clause, phrase, or word
of this ordinance, or any application thereof to any person or circumstance, is held to be
invalid or unconstitutional by a decision of a court of competent jurisdiction, such decision
shall not affect the validity of the remaining portions or applications of the ordinance. The
Board of Supervisors hereby declares that it would have passed this ordinance and each and
every section, subsection, sentence, clause, phrase, and word not declared invalid or
