Section 1. Environmental and Land Use Findings.

(a) The Planning Department has determined that the actions contemplated in this ordinance comply with the California Environmental Quality Act (California Public Resources Code Sections 21000 et seq.). Said determination is on file with the Clerk of the Board of Supervisors in File No. 190355 and is incorporated herein by reference. The Board adopts these findings as its own.
(b) On April 25, 2019, the Planning Commission, in Resolution No. 20434, adopted findings that the actions contemplated in this ordinance are consistent, on balance, with the City’s General Plan and eight priority policies of Planning Code Section 101.1. The Board adopts these findings as its own. A copy of said Resolution is on file with the Clerk of the Board of Supervisors in File No. 190355, and is incorporated herein by reference.

(c) Pursuant to Planning Code Section 302, this Board finds that these Planning Code amendments will serve the public necessity, convenience, and welfare for the reasons set forth in Planning Commission Resolution No. 20434, and the Board of Supervisors incorporates such reasons herein by reference.

Section 2. Findings and Purpose.
During the process of seeking development approvals and entitlements for land or buildings, such land or buildings may become underutilized, vacant, and economically unproductive for prolonged time periods. Occupying and activating such land or buildings with temporary activities, and creating an active and vital street frontage, would help generate economic activity, create jobs, deter crime and nuisance activities, and enhance the vitality of the public realm near or within such land or buildings. The authorization of temporary uses for such land or buildings will also help ensure the proper upkeep and maintenance of such land and buildings, while encouraging property owners to provide invaluable and scarce space for arts activities, light industrial uses, retail or institutional uses, and other land uses.

Section 3. Article 2 of the Planning Code is hereby amended by revising Sections 205 and 205.2 and adding Section 205.5, to read as follows:

SEC. 205. TEMPORARY USES, GENERAL.
(a) The temporary uses listed in Sections 205.1 through 205.4S, where not otherwise permitted in the district, may be authorized as provided therein and in this Section 205, up to the time limits indicated. Further time for such uses may be authorized only by action upon a new
application, subject to all the requirements for the original application, unless otherwise indicated in Sections 205.1 through 205.45.

(b) Action upon such uses may be authorized by the Zoning Administrator Planning Director without a public hearing.

(c) Wherever a use exists at the effective date of this Code or of an amendment thereto under which such use is classified as a temporary use, or wherever a use is being conducted under a temporary use authorization given prior to such a date, such use may be continued for the maximum term specified therefore, calculated from said effective date or date of authorization. No such use shall continue thereafter unless a temporary use authorization shall have been sought and obtained under a new application. Continuance of a temporary use beyond the date of expiration of the period authorized therefore, or failure to remove a structure for such temporary use within 10 days thereafter, shall constitute a violation of this Code.

(d) The time periods referenced in Sections 205.1 through 205.3 and Section 205.5 are consecutive hours or consecutive calendar days; they are not the total number of hours or days that the use is in operation. Therefore, a 24-hour authorization that begins at 6:00 a.m. expires at 6:00 a.m. the following day, even if the use was in operation only eight hours of that 24-hour period. Similarly, a 60-day authorization expires after 60 calendar days even though the use may only have been open for business three days per week during that 60-day period. Hours or days of unused authorization cannot be stored or credited.

(e) Any temporary uses authorized pursuant to this Section 205 and Sections 205.1 through 205.5 shall not be required to comply with any Planning Code requirements that are not expressly applicable to such temporary uses under this Section 205 and Sections 205.1 through 205.5, provided, however, any temporary uses authorized pursuant to this Section 205 and Sections 205.1 through 205.5
shall be subject to all applicable initiative ordinances approved by the voters of the City and County of San Francisco.

(f) The decision of the Planning Director to authorize or deny authorization of any temporary use pursuant to this Section 205 and Sections 205.1 through 205.5 may be appealed to the Board of Appeals within 15 days after the date of the decision by filing a written notice of appeal with that body.

SEC. 205.2. TEMPORARY USES: ONE TO FOUR-YEAR LIMIT.

A temporary use may be authorized for a period not to exceed two years, or in the case of a Temporary Cannabis Retail Use, for a period not to exceed four years, for any of the following uses:

(a) Temporary structures and uses incidental to the construction of a group of buildings on the same or adjacent premises;

(b) Rental or sales office incidental to a new residential development, not including the conduct of a general real estate business, provided that it be located within the development, and in a temporary structure or part of a dwelling. A temporary use may be authorized for a period not to exceed one year (including any extensions) for the following year.

(c) In any M-1 or M-2 District, an Automobile Wrecking use as defined in Section 102 of this Code, provided if the operation would be a conditional use in the district in question, that the Zoning Administrator Planning Director determines the operation will meet within 90 days of commencing operation all conditions applicable to such use in that district.

(d) Temporary Wireless Telecommunications Services (WTS) Facilities for a period of up to one year if the following requirements are met:

(1) the Zoning Administrator Planning Director determines that the Temporary WTS Facility shall be sited and constructed so as to:
(A) avoid proximity to residential dwellings to the maximum extent feasible;

(B) comply with the provisions of Article 29 of the Police Code;

(C) be no taller than needed;

(D) be screened to the maximum extent feasible; and

(E) be erected for no longer than reasonably required.

(2) Permits in excess of 90 days for Temporary WTS Facilities operated for commercial purposes shall be subject to Section 311 and 312 of this Code, where applicable.

(3) The Planning Department may require, where appropriate, notices along street frontages abutting the location of the Temporary WTS Facility indicating the nature of the facility and the duration of the permit.

(e) Temporary Cannabis Retail Use for a period of up to four years, as provided by Section 191, to be authorized no earlier than January 1, 2018 and to expire on January 1, 2022. This is the only type of Temporary Use allowed for the sale of cannabis or cannabis products.

SEC. 205.5. TEMPORARY USES: INTERIM ACTIVITIES ON DEVELOPMENT SITES.

(a) Upon the satisfaction of the requirements in this Section 205.5, an Interim Activity on an Eligible Development Site located in an Eligible Area may be authorized as a temporary use for an initial period not to exceed 36 months ("Initial Period").

(b) Definitions. For purposes of this Section 205.5, the following definitions shall apply:

"Development Project" has the meaning set forth in the definition of Eligible Development Site.

"Eligible Area" means the Commercial (C), Residential-Commercial (RC), Downtown Residential (DTR), and Neighborhood Commercial Transit (NCT) Districts, and Mixed Use and Neighborhood Commercial (NC) Districts within the area bounded by Market Street, 13th...
Street/Duboce Avenue, Division Street, and King Street in Mixed-Use and Neighborhood Commercial (NC) Districts.

"Eligible Development Site" means a legal lot on which all of the following requirements have been satisfied: (1) an application has been submitted and accepted either to permit demolition of an existing structure, or to permit alterations sufficiently extensive to be considered, in the judgment of the Planning Director, tantamount to demolition for the purposes of this Section 205.5; (2) applications and the associated fees have been submitted and accepted to obtain all required land use and permit entitlements for an associated development project that, if approved and completed, would result in greater residential density than the residential density existing as of the time both the land use and permit entitlement applications were submitted to the City ("Development Project"); (3) provided that a Development Project proposes to include residential uses, it would result in greater residential density than the residential density existing as of the time both the land use and permit entitlement applications were submitted to the City; and (4) applications and the associated fees have been submitted and accepted to evaluate compliance of the Development Project with the California Environmental Quality Act (California Public Resources Code Sections 21000 et seq.) pursuant to Administrative Code Section 31.22.

"Interim Activity" means any Entertainment, Arts and Recreation Use; any Arts Activities Use; any Entertainment, General Use; any Social Service or Philanthropic Facility Use; any Homeless Shelter Use; any Agriculture/Beverage Processing, Light Manufacturing, or Metal Working Use permitted either Conditionally or Principally within a PDR-1-D District; any Retail or Institutional Use regardless of Use size; and/or any Use Principally or Conditionally permitted in the subject zoning district and/or any Office Use, so long as such Office space is less than 5,000 gross square feet and an equal or greater square footage of space is established within a building on the same Eligible Development Site and dedicated for Arts Activities Use and/or Light Manufacturing Use. In addition, in order for Office Use to constitute an Interim Activity,
such Arts Activities Use and/or Light Manufacturing Use occupancies or activities must commence on the Eligible Development Site prior to or simultaneously with the Office Use occupancies or activities, and the Arts Activities Use and/or Light Manufacturing Use occupancies or activities must continue for the full duration of the Office Use occupancies or activities.

(c) Application. The property owner or the property owner's authorized agent ("Applicant") shall submit an application for temporary use to the Planning Department, on a form prepared by the Planning Department. The application shall be accompanied by the applicable fees pursuant to Planning Code Section 350 and shall include an affidavit signed by the Applicant and, as applicable, each tenant occupying any portion of the Eligible Development Site for the Interim Activity, or each tenant’s authorized agent, acknowledging that the use of the Eligible Development Site for the Interim Activity is temporary and subject to the time limits set forth in this Section 205.5 and acknowledging that the Applicant has to pay any outstanding fees, invoices, or penalties owed to City agencies, and is in compliance with all requirements of the Municipal Code, including any requirements to file Updates to Institutional Master Plans and abate any Code or Building Code violations. The Applicant shall not be required to pay additional fees set forth in Article 4 of the Planning Code as a prerequisite to obtaining temporary use authorization pursuant to this Section 205.5.

(d) New, Additional, or Modified Temporary Uses. New, additional, or modified temporary uses that were not previously approved by the Planning Director shall be reviewed through the filing of a new application and submittal of a new application fee.

(e) New Tenants. Additional or different tenants (each a “New Tenant”) may commence occupancy within and use of the Eligible Development Site in question without additional applications or fees, provided that each New Tenant submits a completed affidavit to the Department attesting to the truthfulness and correctness of the previously submitted application and declaring that the New Tenant will not discontinue, add to, or modify the approved Interim Activity.
(f) No Conversion, Change, Discontinuance, or Abandonment of Use. The approval or commencement of an Interim Activity as a temporary use as authorized under this Section 205.5 shall not be considered a conversion, discontinuance, abandonment, or change of use for purposes of this Code, notwithstanding Sections 182 and 183 of this Code. Any property for which the Interim Activity is authorized shall retain its authorized land use(s). Such authorized land uses, including any nonconforming uses, shall become operative upon the expiration, termination, or abandonment of such temporary use authorization.

(g) Fenestration, Transparency, and Visibility Requirements. Construction proposed in connection with the Interim Activity shall not cause noncompliance or exacerbate existing noncompliance with respect to fenestration, transparency, or any other visibility requirement of Section 145.1 of this Code. Further, no film, adhesive, blinds, or other treatment may be applied to any existing fenestration.

(h) Information To Be Available To Public. The Department shall make available to the public in the Planning Department’s main office and on its website a list of all applications approved under this Section 205.5, along with applicable time frames and any additional information the Planning Department deems useful for or relevant to the continued and successful activation of those spaces in the Eligible Area.

(i) Extension of Initial Period. Upon the Planning Director’s determination that permits for the Development Project are being and have been diligently pursued, and that the Interim Activity has been consistent with public convenience, necessity, or the general welfare of the City, the Planning Director is authorized to permit the Interim Activity to exceed the Initial Period for an additional period not to exceed 12 months. The Planning Director is authorized to extend the Initial Period up to three (two) times (the first time being the extension referenced in the previous sentence) such that each extension of the Initial Period may be up to 12 months, each extension shall require a separate
determination of the Planning Director according to this Section 205.5(i), and the authorization of the
Interim Activity may not exceed a total duration of 72 months.

(j) Other Temporary Uses. Authorization of an Interim Activity pursuant to this Section 205.5 shall not preclude the authorization of any other temporary uses recognized in Sections 205.1 through 205.4.

Section 4. Effective Date. This ordinance shall become effective 30 days after enactment. Enactment occurs when the Mayor signs the ordinance, the Mayor returns the ordinance unsigned or does not sign the ordinance within ten days of receiving it, or the Board of Supervisors overrides the Mayor’s veto of the ordinance.

Section 5. Scope of Ordinance. In enacting this ordinance, the Board of Supervisors intends to amend only those words, phrases, paragraphs, subsections, sections, articles, numbers, punctuation marks, charts, diagrams, or any other constituent parts of the Municipal Code that are explicitly shown in this ordinance as additions, deletions, Board amendment additions, and Board amendment deletions in accordance with the “Note” that appears under the official title of the ordinance.

Section 6. Ordinance No. 274-19, which will be effective December 28, 2019, revised the text of Planning Code Section 205.2. The text of Section 205.2, as it appears in this ordinance, includes the revisions made in Ordinance No. 274-19.
