Section 1. Environmental Findings.

The Planning Department has determined that the actions contemplated in this ordinance comply with the California Environmental Quality Act (California Public Resources Code Sections 21000 et seq.). Said determination is on file with the Clerk of the Board of Supervisors in File No. 191258 and is incorporated herein by reference. The Board affirms this determination.
Section 2. Repeal of Ordinance Nos. 38-17 and 102-19.

(a) Except as stated in Section 4 of this ordinance, Ordinance No. 38-17 is hereby repealed in its entirety.

(b) Ordinance No. 102-19 is hereby repealed in its entirety.

(c) Ordinance No. 38-17 included amendments to Sections 41.3, 41.4, 41.9, 41.10, 41.11, 41.12, 41.13, 41.14, 41.19, and 41.20 of the Administrative Code; and Ordinance No. 102-19 included a further amendment of Section 41.4. There have been no other amendments to any of those Administrative Code sections following the enactment of Ordinance No. 38-17. Hence the effect of repealing Ordinance Nos. 38-17 and 102-19 is that the text of each of the Administrative Code sections listed above reverts to the text as it existed immediately prior to the effective date of Ordinance No. 38-17.

(d) Accordingly, the amendments to Sections 41.3, 41.4, 41.9, 41.10, 41.11, 41.12, 41.13, 41.14, 41.19, and 41.20 of the Administrative Code in Section 3 of this ordinance are based on the text of those sections as it existed immediately prior to the effective date of Ordinance No. 38-17.

In accordance with subsection (d) of Section 2 of this ordinance, for purposes of this Section 3, the “Unchanged Code text” referenced in the “Note” that appears under the official title of the ordinance means the text of the Administrative Code sections listed above as it existed immediately prior to the effective date of Ordinance No. 38-17.

SEC. 41.3. FINDINGS.

* * * *

* * *
Since enactment of this Chapter, residential units have been converted to tourist units and
the hotel operators have paid the 40 percent in-lieu fee to the City. This amount, 40 percent of the cost
of construction of comparable units plus site acquisition cost, has not been adequate to provide
replacement units. Federal, state and local funds were incorrectly assumed at that time to be available
and sufficient to make up the shortfall between the 40 percent in-lieu fee and actual replacement costs.
For example, in 1979 the federal government was spending $32 billion dollars on housing and is
spending only $7 billion dollars in 1989.

Certain uses provide both living accommodation and services, such as health
care, personal care, and counseling, to residents of the City. Examples of such uses are
hospital, skilled nursing facility, AIDS hospice, intermediate care facility, asylum, sanitarium,
orphange, prison, convent, rectory, residential care facility for the elderly, and community
care facility. Such facilities are often operated in buildings owned or leased by non-profit
organizations and provide needed services to the City's residents. To subject such facilities to
the provisions of this Chapter may deter future development of such facilities. It is desirable
that such facilities exist and the City should encourage construction and operation of such
facilities.

In addition, a form of housing facilities called "transitional housing" provides
housing and supportive services to homeless persons and families and is intended to facilitate
the movement of homeless individuals and families to independent living or longer term
supportive residences in a reasonable amount of time. Transitional housing has individual
living quarters with physical characteristics often similar to a residential hotel (i.e.,
accommodations which provide privacy to residents) and provides a source of interim housing
for homeless individuals and families seeking to live independently.

The City's public, quasi-public, and private social agencies serving the elderly and
needy persons often find it difficult to immediately locate suitable housing units for such
persons returning to independent living after hospitalization or upon leaving skilled-nursing or intermediate care facilities within a short time after their discharge from a health facility. Such persons often will require minimum supervision and other interim social service support. The provision of a stable number of housing units for such emergency needs until permanent housing can be secured and supportive services arranged are necessary and desirable for the City. Emergency housing will have physical characteristics similar to "transitional housing" and is often intended to be occupied for a period of less than one month.

The City also wishes to provide positive incentives to encourage residential hotel owners and operators to comply with the terms of this Chapter. Hotel owners have expressed a need to rent certain residential units on a short term basis during the winter months. In an effort to address this need and to encourage compliance with this Chapter, the City wishes to provide an opportunity to hotel owners who have complied with the terms of this Chapter to rent a limited number of residential units to tourists during the winter months.

SEC. 41.4. DEFINITIONS.

The Board of Supervisors hereby declares that it would have passed this ordinance and each and every section, subsection, sentence, clause, phrase, and word not declared invalid or unconstitutional without regard to whether any other portion of this ordinance or application thereof would be subsequently declared invalid or unconstitutional.
