SEC. 206.3. HOUSING OPPORTUNITIES MEAN EQUITY - SAN FRANCISCO PROGRAM.

(a) Purpose. This Section 206.3 sets forth the HOME-SF Program. The HOME-SF Program or “HOME-SF” provides benefits to project sponsors of housing projects that set aside residential units onsite at below market rate rent or sales price in an amount higher than the amount required by the Inclusionary Housing Ordinance. The purpose of HOME-SF is to expand the number of below market rate units produced in San Francisco and provide housing opportunities to a wider range of incomes than traditional affordable housing programs, such as the City’s Inclusionary Affordable Housing Program, Planning Code Sections 415 et seq., which typically provide housing only for very low, low or moderate income households. The purpose of HOME-SF also is to provide an alternative method of
complying with the on-site inclusionary option set forth in Section 415.6. HOME-SF allows market-rate projects to match the City’s shared Proposition K (November 2014) housing goals that 50% of new housing constructed or rehabilitated in the City by 2020 be within the reach of working middle class San Franciscans, and at least 33% affordable for low and moderate income households.

SEC. 240. WATERFRONT SPECIAL USE DISTRICT.

(c) Waterfront Design Review Process.

(8) The determination of the Committee on urban design issues related to the proposed project shall be final as to those design issues, except as provided below. The Committee shall transmit the design recommendations to the Planning Department and Port, and to the Bay Conservation and Development Commission for proposed projects within its jurisdiction, within five days following the Committee action for consideration by those agencies prior to any action on the project.

(A) For a project that is permitted as a principal use, the Planning Commission can, by majority vote within 14 days of receipt of the design recommendations of the Committee, make a determination to review the design recommendations. If the item cannot be calendared for Commission consideration within that period due to a canceled meeting, the Commission may consider whether to review the design recommendations at its next available meeting. If the Commission requests review, it shall conduct a public hearing on the matter within 14 days following its determination to review the design recommendations, if legally adequate environmental documents have been completed, or at its first public meeting after such documents have been completed, unless the Port Director agrees to a different date. At the request of the Port Director, the meeting shall be conducted as a joint public hearing of the Planning Commission and the Port Commission.
Commission, by majority vote, may adopt, amend or reject the design recommendations of
the Committee, subject to the same standards and criteria that govern Committee decisions
as provided in Subsection (c)(6) above.

If the Port Commission accepts the design recommendations of the Committee or of
the Planning Commission, the Port Commission shall incorporate the design
recommendations into the Port action on the project.

If the Port Commission objects to or seeks to modify the design recommendations of
the Committee, the Port Commission may request Planning Commission review of the design
recommendations of the Committee. The Planning Commission shall schedule a public
hearing and review the design recommendations of the Committee within 20 days following
receipt of the request, if legally adequate environmental documents have been completed, or
at its first public meeting after such documents have been completed, unless the Port Director
agrees to a different date. At the request of the Port Director, the meeting shall be conducted
as a joint public hearing of the Planning Commission and the Port Commission.

If the Port Commission objects to or seeks to substantially modify design
recommendations that have been approved by the Planning Commission as set forth above,
the Port Commission may appeal the design recommendations to the Board of Supervisors
pursuant to the procedures set forth in Section 308.1 of this Code and in Charter Section
4.105 for appeals of Conditional Uses. The Board of Supervisors may disapprove the
decision of the Commission by a vote of not less than two-thirds of the members of the Board.

SEC. 240.1. WATERFRONT SPECIAL USE DISTRICT NO. 1.

The following provisions shall apply within Waterfront Special Use District No. 1:

* * * *
(f) The basic Floor Area Ratio limit shall be 5.0 to 1 to the extent provided in Section 124(e) of this Code. To calculate the Floor Area Ratio on piers under the jurisdiction of the Port Commission, all building permit applications shall include a map of the lot or lease area with precise boundaries showing its location on the pier under consideration. The proposed lot shall be reviewed and approved as part of the building permit and be the basis for further alterations or expansions of the structure.

SEC. 249.1. FOLSOM AND MAIN RESIDENTIAL/COMMERCIAL SPECIAL USE DISTRICT.

* * * *

(b) Controls. The following zoning controls are applicable in the Residential/Commercial Special Use District.

* * * *

(3) Density.

(A) Residential Density. There shall be no density limit for Residential Uses in the Residential/Commercial Subdistrict. The provisions of Sections 207-4 and 208 related to residential density shall not apply.

* * * *

SEC. 249.33. VAN NESS & MARKET DOWNTOWN RESIDENTIAL SPECIAL USE DISTRICT.

* * * *

(b) Use Controls.

(1) Non-residential Uses. For newly-constructed buildings or additions which exceed 20 percent or more of an existing structure's Gross Floor Area, Non-Residential Uses are not permitted above the fourth story, and at least two occupied square feet of Residential Use shall be provided for each occupied square foot of Non-Residential Use.
Use. In order to accommodate local government office uses near City Hall, publicly-owned or leased buildings or lots are exempted from the requirements of this subsection.

(2) Residential Density. There shall be no density limit for Residential uses by lot area, but by the applicable requirements and limitations elsewhere in this Code, including but not limited to height, bulk, setbacks, open space, and exposure, as well as by the Market & Octavia Area Plan Fundamental Principles for Design, other applicable design guidelines, applicable elements and area plans of the General Plan, and design review by the Planning Department. The limitations set forth in the Zoning Control Table for the district in which the lot is located shall not apply.

(3) Residential Affordable Housing Program. All projects in this District shall be subject to all the terms of Section 415 and following of the Inclusionary Affordable Housing Program. Notwithstanding the foregoing, projects within the Van Ness and Market Downtown Residential Special Use District shall at a minimum fulfill the requirements to the levels specified in this section. Should Section 415 require greater contributions to the affordable housing program, those requirements shall supersede this section. Proposed exceptions to these requirements due to hardships associated with construction type, specifically heights above 120 feet, are not applicable in this Special Use District because parcels are receiving an up zoning through increased density and benefits through the general transformation of the district to a transit oriented neighborhood with a mixed use character. Requirements and administration of this program shall follow the conditions outlined in Section 415 of this Code unless otherwise specified in this Section.

* * * *

(4) Open Space Provider. The off-site open space permitted by this Section may be provided individually by the project sponsor or jointly by the project sponsor and other project sponsors, provided that each square foot of jointly developed open space may count
toward only one sponsor's requirement. With the approval of the Planning Commission, a
public or private agency may develop and maintain the open space, provided that (A) the
project sponsor or sponsors pay for the cost of development of the number of square feet the
project sponsor is required to provide, (B) provision satisfactory to the Commission is made
for the continued maintenance of the open space for the actual lifetime of the building giving
rise to the open space requirement, and (C) the Commission finds that there is reasonable
assurance that the open space to be developed by such agency will be developed and open
for use by the time the building, the open space requirement of which is being met by the
payment, is ready for occupancy.

* * * *

(B) Publicly-Accessible Open Space Standards.

(iC) Open Space Types. Open space must be of one or more of the
following types:

(a) An unenclosed park or garden at street grade or
following the natural topography, including improvements to hillsides or other unimproved
public areas according to the Market & Octavia Area Plan;

(b) An unenclosed plaza at street grade, with seating
areas and landscaping and no more than 10 percent of the floor area devoted to food or
beverage service;

(c) An unenclosed pedestrian pathway that meets the
minimum standards described in Section 827(g)(3)(A)-(E) of this Code;

(d) A terrace or roof garden with landscaping;

(e) Streetscape improvements with landscaping and
pedestrian amenities that result in additional space beyond the pre-existing sidewalk width
and conform to the Market & Octavia Area Plan, such as sidewalk widening or building setbacks; and

   (vi) Streetscape improvements with landscaping and pedestrian amenities on alleyways from building face to building face, beyond basic street tree planting or street lighting as otherwise required by this Code, in accordance with the Market & Octavia Area Plan.

(ii) Open Space Standards. Open space must meet the following standards:

   (a) Be in such locations and provide such ingress and egress as will make the area convenient, safe, secure and easily accessible to the general public;

   (b) Be appropriately landscaped;

   (c) Be protected from uncomfortable winds;

   (d) Incorporate ample seating and, if appropriate, access to limited amounts of food and beverage service, which will enhance public use of the area;

   (e) Be well signed and accessible to the public during daylight hours;

   (f) Be well lighted if the area is of the type requiring artificial illumination;

   (g) Be designed to enhance user safety and security;

   (h) Be of sufficient size to be attractive and practical for its intended use; and

   (i) Have access to drinking water and toilets if feasible.
(CE) **Maintenance.** Open spaces shall be maintained at no public expense, except as might be provided for by any community facilities district that may be formed. The owner of the property on which the open space is located shall maintain it by keeping the area clean and free of litter and keeping in a healthy state any plant material that is provided. Conditions intended to assure continued maintenance of the open space for the actual lifetime of the building giving rise to the open space requirement may be imposed in accordance with the provisions of Section 309.1 of this Code.

(DF) **Informational Plaque.** Prior to issuance of a permit of occupancy, a plaque of no less than 24 inches by 36 inches in size shall be placed in a publicly conspicuous location outside the building at street level, or at the site of any publicly-accessible open space, identifying said open space feature and its location, stating the right of the public to use the space and the hours of use, describing its principal required features (e.g., number of seats, availability of food service) and stating the name and address of the owner or owner’s agent responsible for maintenance.

(EG) **Hold Harmless Requirement.** The Zoning Administrator shall have authority to require a property owner to hold harmless the City and County of San Francisco, its officers, agents and employees, from any damage or injury caused by the design, construction or maintenance of open space, and to require the owner or owners or subsequent owner or owners of the property to be solely liable for any damage or loss occasioned by any act or neglect in respect to the design, construction or maintenance of the open space.

(5) **Lot Coverage.** The rear yard requirements of Section 134 of this Code shall not apply. Lot coverage is limited to 80 percent at all residential levels except on levels in which all residential units face onto a public right-of-way. The unbuilt portion of the lot shall be open to the sky except for those obstructions permitted in yards per Section 136(c) of this
Code. Exceptions to the 20 percent open area may be granted pursuant to the procedures of
Section 309 for conversions of existing Non-Residential structures where it is determined
that provision of 20 percent open area would require partial demolition of the existing Non-
Residential structure.

(6) Floor Area Ratio.

* * * *

(B) Floor Area Bonus Permitted for Public Improvements or In-
lieu Contributions to the Van Ness and Market Neighborhood Infrastructure Fund and
In lieu Contributions to the Citywide Affordable Housing Fund.

(i) The Gross Floor area of a structure or structures on a lot
may exceed the maximum ratio described in Section 123(c) of this Code through participation
in the Van Ness and Market Affordable Housing and Neighborhood Infrastructure Program,
according to the procedures described in Section 424.

the following defined areas, a noncontiguous Fringe Financial Service Restricted Use District
(Fringe Financial Service RUD) is hereby established for the following properties:

(1) Properties in NC-1 and NCT-3 Districts, and in the Broadway (Sec. 714),

SEC. 249.35A. FULTON STREET GROCERY STORE SPECIAL USE DISTRICT.SEC.

(d) Controls. The following controls apply to projects meeting the criteria of subsection (c) and to any subsequent alterations or changes of use in a building approved under this Section.

* * * *

(4) All subsequent changes of use shall require Conditional Use authorization from the Planning Commission. The only Non-Residential Uses that may be permitted in the space initially approved for a grocery store shall include Trade Shop, Institutional Uses, excluding Medical Cannabis Dispensaries, and Hospitals and Philanthropic Administrative
Services, except that General Retail Sales and Services, Pharmacy, or Specialty Grocery uses may be permitted provided that no individual tenant occupies more than 3,000 square feet of Gross Floor Area.

* * * *

249.40. POTRERO CENTER MIXED-USE SPECIAL USE DISTRICT.

* * * *

(c) Controls. All provisions of the Planning Code shall continue to apply, except for the following:

* * * *

(4) Housing Requirements. The Potrero Center is one of the largest properties in the UMU zoning district that provides a unique opportunity for a mixed-use project with the provision of a significant amount of affordable housing, through either on-site inclusionary units, a dedication of a portion of the land or the air rights of the property to the City. This would enable the City (or another affordable housing developer) to develop affordable housing on such dedicated portion or provide for a combination of both on-site inclusionary housing and land dedication. The City supports such affordable housing production in this location, rather than in an off-site location or locations. The provisions of Table 419.5 Sections 319.4(a)(3)(A) and 319.4(a)(3)(B) shall be modified to increase the off-site affordable unit election and in lieu fee election requirements from 27 percent to 30 percent of the total number of units produced in the principal project. The findings of Section 419.5(a)(2) 319.4 concerning the provision of affordable housing are incorporated herein by reference.

(5) Land Dedication Election. The Land Dedication Alternative for the provision of inclusionary housing units specified in Section 419.5(a)(2) 319.4(b)(2) may be satisfied incrementally over time in the event that portions of the SUD are redeveloped in phases and may be satisfied through the dedication to the City of air space parcels above or
adjacent to retail, parking or other uses, as well as through dedications of land, upon the
approval of the Mayor's Office of Housing or a successor entity, and provided the
requirements of Section 419.5(a)(2) 319.4(b)(2)(A)-(E) are otherwise satisfied.

SEC. 249.52. TREASURE ISLAND/YERBA BUENA ISLAND SPECIAL USE DISTRICT.

(e) Development Controls. Development and uses of property within this Special
Use District shall be regulated by the controls contained herein and in the Design for
Development, provided, however, that if there is any inconsistency between this Special Use
District and the Design for Development, this Special Use District shall control.

(2) Uses. The uses listed in Figure are permitted in this Special Use
District as indicated by the following symbols in the respective column for each district: (i) P –
permitted as a Principal Use in this zoning designation; (ii) IC – subject to approval as an
Island Conditional Use pursuant to the procedures set forth in subsection (h) below; (iii) blank
– not permitted in this zoning designation.

SEC. 249.59. CALLE 24 SPECIAL USE DISTRICT.

(d) Controls. The following provisions, in addition to all other applicable provisions
of the Planning Code, shall apply within the Calle 24 Special Use District:

(1) Eating and Drinking Establishments. In addition to other prohibitions
on such uses found within this Code, a new Restaurant use, new Limited-Restaurant use,
new Bar use, or the physical expansion of any such existing use shall be prohibited where the
concentration of those uses exceeds, or would exceed with the proposed use or physical
expansion of an existing use, 35% of the total commercial frontage as measured in linear feet
within the immediate area of the subject site. For the purpose of calculating the concentration
of commercial frontage, the “immediate area” shall mean all properties located within 300 feet
of the subject property within the Calle 24 Special Use District and in a zoning district that is
not Residential or Public Use. Any project for which a development application, as defined in
Section 401, was submitted by March 31, 2017 or any change in use from an existing
Limited-Restaurant use to a Restaurant use shall be exempt from the requirements of this
Section 249.59(d)(1).

SEC. 249.60. MISSION ALCOHOLIC BEVERAGE SPECIAL USE DISTRICT.

* * * *

(d) Good Neighbor Policies. The operating conditions established in Section 202.2
of this Code shall apply to all liquor establishments in this SUD in order to maintain the safety
and cleanliness of the premises and vicinity. In addition, all new, relocated, or expanded liquor
establishments, and any liquor establishment with a license referred for review to the Planning
Department by the State of California Department of Alcohol Beverage Control, shall comply
with the requirements set forth below. Liquor establishment shall have the meaning set forth in
subsection (c) above.

* * * *

(2) No more than 33% of the square footage of the windows and clear doors
of the liquor establishment shall bear advertising or signage of any sort, and all advertising
and signage shall be placed and maintained in a manner than ensures that law enforcement
personnel have a clear and unobstructed view of the interior of the premises from the exterior
public sidewalk or entrance to the premises. This requirement shall not apply to premises
where there are no windows, or where existing windows are located at a height that precludes
a view of the interior of the premises to a person standing outside the premises. Street facing
facades shall maintain at least 50% clear and visually-permeable glazing.
For any use authorized pursuant to a Conditional Use authorization after the effective
date of Ordinance No. 143-14 repeated violations of the Good Neighbor Policies set forth in
this subsection (d), of the operating conditions set forth in Section 202.2 of this Code,
or of any conditions associated with a Condition of Approval shall require a hearing at the
Planning Commission to consider revocation of the Conditional Use authorization.

Mission Neighborhood Commercial District shall apply to the Cayuga/Alemany SUD except as
otherwise provided in this Section 249.63.

(1) Dwelling Unit Density. There shall be no residential density limit within
this SUD.

(2) Dwelling Unit Mix. The following dwelling unit mix criteria shall apply in
this SUD:

(A i) No less than 70% of the total number of proposed dwelling units shall contain at least two bedrooms. Any fraction resulting from this calculation shall be rounded to the nearest whole number of dwelling units;

(B ii) No less than 10% of the total number of proposed dwelling units shall contain at least three bedrooms. Any fraction resulting from this calculation shall be rounded to the nearest whole number of dwelling units. Units counted towards
requirement may also count towards the requirement for units with two or more bedrooms as described in subsection (c)(2)(i).

(3) Inclusionary Housing. The requirements of Section 415 of this Code shall apply in this SUD, except as expressly provided herein.

(A) Compliance with Section 415 shall be by providing affordable units on-site in accordance with Section 415.6. Payment of an affordable housing fee under Section 415.5, or construction of units off-site under Section 415.7 are not permitted to satisfy Section 415.

(B) The number of Affordable Units constructed on-site shall be 50% of the number of all units constructed on-site.

(i) Ten percent of the units shall be affordable to households earning 55% of Area Median Income, with households earning up to 65% of Area Median Income eligible to apply for units under this subsection (c)(3)(B)(i).

(ii) Ten percent of the units shall be affordable to households earning 80% or less of Area Median Income, with households earning from 65% to 90% of Area Median Income eligible to apply for units under this subsection (c)(3)(B)(ii).

(iii) Thirty percent of the units shall be affordable to households earning up to 100% of Area Median Income, with households earning from 90% to 130% of Area Median Income eligible to apply for units under this subsection (c)(3)(B)(iii).

SEC. 249.70. CENTRAL SUBWAY TUNNEL BORING MACHINE EXTRACTION SITE SPECIAL USE DISTRICT.

* * * *

SEC. 713. NC-S – NEIGHBORHOOD COMMERCIAL SHOPPING CENTER DISTRICT.

NC-S Districts are intended to serve as small shopping centers or supermarket sites which provide retail goods and services for primarily car-oriented shoppers. They commonly contain at least one anchor store or supermarket, and some districts also have small medical office buildings. The range of services offered at their retail outlets usually is intended to serve the immediate and nearby neighborhoods. These districts encompass some of the most recent (post-1945) retail development in San Francisco’s neighborhoods and serve as an alternative to the linear shopping street.

Shopping centers and supermarket sites contain mostly one-story buildings which are removed from the street edge and set in a parking lot. Outdoor pedestrian activity consists primarily of trips between the parking lot and the stores on-site. Ground and second stories are devoted to retail sales and some personal services and offices.

The NC-S standards and use provisions allow for medium-size commercial uses in low-scale buildings. Rear yards are not required for new development. Most neighborhood-serving retail businesses are permitted at the first and second stories, but limitations apply to fast-food restaurants and take-out food uses. Some auto uses are permitted at the first story. Limited storage and administrative service activities are permitted with some restrictions.

Housing development in new buildings is permitted. Existing residential units are protected by limitations on demolitions and prohibitions of upper-story conversions. Accessory Dwelling Units are permitted within the District pursuant to subsection 207(c)(4) of this Code.

SEC. 763. 24TH STREET – MISSION NEIGHBORHOOD COMMERCIAL TRANSIT DISTRICT.
The 24th Street – Mission Neighborhood Commercial Transit District is situated in the Inner Mission District on 24th Street between Bartlett Street and San Bruno Avenue. This mixed-use district provides convenience goods to its immediate neighborhood as well as comparison shopping goods and services to a wider trade area. The street has a great number of Latin American restaurants, grocery stores, and bakeries as well as other gift and secondhand stores. Most commercial businesses are open during the day while the district's bars and restaurants are also active in the evening. Dwelling Units are frequently located above the ground-story commercial uses.

The 24th Street – Mission Neighborhood Commercial Transit District controls are designed to provide potential for new development consistent with the existing scale and character. Small-scale buildings and neighborhood-serving uses are encouraged, and rear yard corridors above the ground story and at residential levels are protected. Most commercial uses are encouraged at the ground story, while service uses are permitted with some limitations at the second story. Special controls are necessary to preserve the unique mix of convenience and specialty commercial uses. In order to maintain convenience stores and protect adjacent livability, new bars and fast-food restaurants are prohibited, and limitations apply to the development and operation of ground-story full-service restaurants, take-out food and entertainment uses. Continuous retail frontage is maintained and encouraged by prohibiting most automobile and drive-up uses, banning curb cuts, and requiring active, pedestrian-oriented ground floor uses. Parking is not required, and any new parking required to be set back or below ground.

Housing development in new buildings is encouraged above the ground story. Housing density is not controlled by the size of the lot but by requirements to supply a high percentage of larger units and by physical envelope controls. Existing housing units are protected by prohibitions on upper-story conversions and limitations on demolitions, mergers, and
subdivisions. Given the area’s central location and accessibility to the City’s transit network, accessory parking for Residential Uses is not required.

* * * *

SEC. 764. UPPER MARKET STREET NEIGHBORHOOD COMMERCIAL TRANSIT DISTRICT.

The Upper Market Street Neighborhood Commercial Transit District is located on Market Street from Church to Noe Streets, and on side streets off Market. Upper Market Street is a multi-purpose commercial district that provides goods goods and services to adjacent neighborhoods, but also serves as a shopping street for a broader trade area. The width of Market Street and its use as a major arterial diminish the perception of the Upper Market Street Transit District as a single commercial district. The street appears as a collection of dispersed centers of commercial activity, concentrated at the intersections of Market Street with secondary streets.

SEC. 780. NEIGHBORHOOD COMMERCIAL SPECIAL USE DISTRICTS.

(a) Purpose. In order to provide, maintain, and strengthen viable neighborhood commercial districts, promote the multiple use of neighborhood commercial areas, and protect environmental quality in neighborhood commercial areas, there shall be Neighborhood Commercial Special Use Districts. The designations, locations and boundaries of these Neighborhood Commercial Special Use Districts shall be as provided in Section 780.1 as shown on Sectional Maps of the Zoning Map referred to in Sections 105 and 106 of this Code, subject to the provisions of Sections 105 and 106. The original of the numbered sectional maps of the Zoning Map for Special Use Districts referred to in Section 780.1 of this Code is on file with the Clerk of the Board of Supervisors under File No. 115-87-4. In any Neighborhood Commercial Special Use District, the provisions of the applicable use district
established by Section 702.1 shall prevail, except as specifically provided in Section 780.1 and Section 249.14 "Third Street Special Use District," as designated on Sectional Map 10SU of the Zoning Map. The provisions set forth in this Section shall be applicable to all property, whether public or private, therein.

(c) Controls. The following provisions shall apply within such District:
(1) **Restaurants, Limited Restaurants, and Bars.** Restaurant, Limited Restaurant, and Bar uses may be permitted as a Conditional Use on the First Story through the procedures set forth in Section 303 only if the Zoning Administrator first determines that the proposed new Restaurant, Limited Restaurant, or Bar would occupy a space that is currently or was last legally occupied by one of the uses described below; provided that its last use has not been discontinued or abandoned pursuant to Sections 186.1(d) or 178(d) of this Code and that the proposed new use will not enlarge the space; and provided further that no Conditional Use shall be required if the use remains the same as the prior authorized use, with no enlargement or intensification of use that the following shall apply:

* * * *

(2) **Alcohol Licenses.** A Restaurant may provide on-site beer, wine, and/or liquor sales for drinking on the premises (with ABC license types 02, 23, 41, 47, 49, 59 or 75) as a Conditional Use on the First Story if, in addition to the criteria set forth in Section 303, the Planning Commission finds, based on information submitted to the Department by the applicant, that the Restaurant is and will continue to operate as a Bona-Fide Eating Place as defined in Section 102. Should a Restaurant fail to operate as a Bona-Fide Eating Place for any length of time, the Conditional Use authorization shall be subject to immediate revocation per Planning Code Section 303(f). To verify that the Restaurant is continuing to operate as a Bona-Fide Eating Place, records of the Restaurant’s gross receipts, showing that a minimum of 51% of its gross receipts within the last year preceding the Department’s request is from food sales prepared and sold to guests on the premises, shall be provided to the Department upon request. All records and information shall be submitted to the Department under penalty of perjury.

(1) Garages in Existing Residential Buildings. Installing a garage in an existing residential building of four or more units requires a mandatory discretionary review hearing by the Planning Commission; Section 311 notice is required for a building of less than four units. In approving installation of the garage, the Planning Commission shall find that:
(Aa) the proposed garage opening/addition of off-street parking will not cause the "removal" or "conversion of residential unit," as those terms are defined in Section 317 of this Code;

(Bb) the proposed garage opening/addition of off-street parking will not substantially decrease the livability of a Dwelling Unit without increasing the floor area in a commensurate amount;

(Ce) the building has not had two or more "no-fault" evictions, as defined in Section 37.9(a)(7) through (9) and (11) through (13) of the San Francisco Administrative Code, with each eviction associated with a separate unit(s) within the past 10 years, and

(Dd) the proposed garage/addition of off-street parking installation is consistent with the Priority Policies of Section 101.1 of this Code.

Prior to the Planning Commission hearing, or prior to issuance of notification under Section 311(c)(2) of this Code, the Planning Department shall require a signed affidavit by the project sponsor attesting to (Aa), (Bb), and (Ce) above, which the Department shall independently verify. The Department shall also have made a determination that the project complies with (Dd) above.

SEC. 803.3. USES PERMITTED IN EASTERN NEIGHBORHOODS MIXED USE DISTRICTS.

(b) Use Limitations. Uses in Eastern Neighborhood Mixed Use Districts are either Principally Permitted, Conditional, Accessory, temporary, or are not permitted.

(1) Permitted Uses. If there are two or more uses in a structure, any use not classified below under Section 803.3(b)(1)(C) of this Code as Accessory will be considered separately as an independent permitted, Conditional, temporary or not permitted use.
(C) Accessory Uses. Subject to the limitations set forth below and in Sections 204.1 (Accessory Uses for Dwelling Units in All R and NC Districts), 204.2 (Accessory Uses for Uses Other Than Dwellings in R Districts), 204.4 (Dwelling Units Accessory to Other Uses), and 204.5 (Parking and Loading as Accessory Uses) of this Code, an accessory use is a related minor use which is either necessary to the operation or enjoyment of a lawful Principal Use or Conditional Use, or is appropriate, incidental, and subordinate to any such use, and shall be permitted as an Accessory Use in an Eastern Neighborhoods Mixed Use District. In order to accommodate a Principal Use which is carried out by one business in multiple locations within the same general area, such Accessory Use need not be located in the same structure or lot as its Principal Use provided that (1) the Accessory Use is located within 1,000 feet of the Principal Use; and (2) the multiple locations existed on April 6, 1990.

Accessory Uses to non-office uses (as defined in Section 890.70) may occupy space which is noncontiguous or on a different Story as the Principal Use so long as the Accessory Use is located in the same building as the Principal Use and complies with all other restrictions applicable to such Accessory Uses. Any use which does not qualify as an Accessory Use shall be classified as a Principal Use.

No use will be considered accessory to a Principal Use which involves or requires any of the following:

(i) The use of more than one-third of the total Occupied Floor Area which is occupied by both the accessory use and principal use to which it is accessory, combined, except in the case of accessory off-street parking or loading which shall be subject to the provisions of Sections 151, 156 and 303 of this Code;
(ii) A hotel, motel, inn, hostel, adult entertainment, massage establishment, large fast food restaurant, or movie theater use in a RED, RED-MX, SPD, DTR, MUG, WMUG, MUR, MUO, CMUO, WMUO, SALI or UMU District;

(iii) Any take-out food use, except for a take-out food use which occupies 100 square feet or less (including the area devoted to food preparation and service and excluding storage and waiting areas) in a restaurant, bar, catering establishment, bakery, retail grocery or specialty food store.

(iii iv) Any sign not conforming to the limitations of Section 607.2(f)(3).

(iv v) Medical Cannabis Dispensaries as defined in 890.133.

(vi) Any nighttime entertainment use, as defined in Section 102; provided, however, that a Limited Live Performance Permit as set forth in Police Code Section 1060 et seq. is allowed in any District except for an RED, RED-MX, MUR, or MUG District.

(vii) Cannabis Retail that does not meet the limitations set forth in Section 204.3(a)(3).

(viii) Catering Uses that do not meet the limitations set forth in Section 703(d)(3)(B).

(D) Temporary Uses. Temporary uses not otherwise permitted are permitted in Eastern Neighborhoods Mixed Use Districts to the extent authorized by Sections 205 through 205.3 of this Code.

SEC. 803.4. USES PROHIBITED IN SOUTH OF MARKET AND EASTERN NEIGHBORHOODS MIXED USE DISTRICTS.

(a) No use, even though listed as a permitted use or otherwise allowed, shall be permitted in an Eastern Neighborhood Mixed Use District that, by reason of its nature or
manner of operation, creates conditions that are hazardous, noxious, or offensive through the
emission of odor, fumes, smoke, cinders, dust, gas, vibration, glare, refuse, water-carried
waste, or excessive noise.

(he) The establishment of a use that sells alcoholic beverages, other than beer and
wine, concurrent with motor vehicle fuel is prohibited, and shall be governed by Section
202(b)(1)229.

SEC. 803.9. USES IN MIXED USE DISTRICTS.

(f) Vertical Controls for Office Uses.

(1) Purpose. In order to preserve ground floor space for production,
distribution, and repair uses and to allow the preservation and enhancement of a diverse mix
of land uses, including limited amounts of office space on upper stories, additional vertical
zoning controls shall govern office uses as set forth in this Section subsection (f).

(2) Applicability. This Section shall apply to all office uses in the MUG and
UMU Districts and all office uses in buildings in the PDR-1-D and PDR-1-G Districts that are
designated as landmarks pursuant to Article 10 of the Planning Code, where permitted.

(3) Definitions. Office use shall be as defined in Section 890.70 of this Code.

(4) Controls.

(A) Designated Office Story or Stories. Office uses are not permitted on
the ground floor, except as specified in Sections 840.65A and 843.65A. Office uses may be
permitted on stories above the ground floor if they are designated as office stories. On any
designated office story, office uses are permitted, subject to any applicable use size
limitations. On any story not designated as an office story, office uses are not permitted.
When an office use is permitted on the ground floor per Sections 840.65A and 843.65A, it
shall not be considered a designated office story for the purposes of Subsection (f)(4)(D) below.

(g) Retail Controls in the MUG, MUO, CMUO, and UMU Districts. In the MUG, MUO, CMUO, and UMU District, up to 25,000 gross square feet of retail use (as defined in Section 890.104 of this Code) is permitted per lot. Above 25,000 gross square feet, three gross square feet of other uses permitted in that District are required for every one gross square foot of retail. In the UMU District, Gyms, as defined in Section 102See. 218(d), are exempt from this requirement. In the CMUO District, Tourist Hotels, as defined in Sec. 890.46, are exempt from this requirement.

**SEC. 840. MUG – MIXED USE-GENERAL DISTRICT.**

The Mixed Use-General (MUG) District is largely comprised of the low-scale, production, distribution, and repair (PDR) uses mixed with housing and small-scale retail. The
MUG is designed to maintain and facilitate the growth and expansion of small-scale light manufacturing, wholesale distribution, arts production and performance/exhibition activities, general commercial and neighborhood-serving retail and personal service activities while protecting existing housing and encouraging the development of housing at a scale and density compatible with the existing neighborhood.

Housing is encouraged over ground floor commercial and PDR production, distribution, and repair uses. New residential or mixed use developments are encouraged to provide as much mixed-income family housing as possible. Existing group housing and dwelling units would be protected from demolition or conversion to nonresidential use by requiring conditional use review. Accessory Dwelling Units are permitted within the district pursuant to subsection 207(c)(4) of this Code.

Hotels, nighttime entertainment, movie theaters, adult entertainment and heavy manufacturing industrial uses are not permitted. Office is restricted to the upper floors of multiple story buildings.

Continuous ground floor commercial frontage with pedestrian-oriented retail activities along major thoroughfares is encouraged. Hotels, nighttime entertainment, adult entertainment and heavy manufacturing industrial uses are not permitted. Office is limited by residential-to-non residential ratio in new construction.

SEC. 842. MUO – MIXED USE-OFFICE DISTRICT.

The Mixed Use-Office (MUO) is designed to encourage office uses and housing, as well as small-scale light manufacturing and arts activities. Nighttime entertainment and small tourist hotels are permitted as a conditional use. Large tourist hotels are permitted as a conditional use in certain height districts.
