18 Section 1. Environmental Findings.

19 The Planning Department has determined that the actions contemplated in this
20 ordinance comply with the California Environmental Quality Act (California Public Resources
21 Code Sections 21000 et seq.). Said determination is on file with the Clerk of the Board of
22 Supervisors in File No. 240056 and is incorporated herein by reference. The Board affirms
23 this determination.
24
25

1 Section 2. General Findings.

2 (a) Since Public Works Code Article 5.9 (the "Vending Ordinance") took effect, the
3 Department of Public Works ("Department") has devoted significant resources to enforce
4 Article 5.9 to preserve the safety and usability of City sidewalks and property. During the
5 course of enforcement efforts, the Department has routinely encountered a large volume of
6 unpermitted Vendors occupying sidewalks, transit shelters, and BART property.

7 (b) As evidenced by police incident reports on file with the Department, the City
8 sidewalks and property on which Vending occurs are sometimes impacted by illegal activities,
9 such as assault, battery, drug sales and use, alcohol consumption, and theft. Overcrowded
10 sidewalks impede Department staff's ability to enforce the Vending Ordinance and police
11 officers' ability to respond to these safety threats effectively.

12 (c) The aforementioned conditions that occur contemporaneously with and in proximity
13 to Vending activities pose numerous objective health, safety, and welfare concerns,
14 threatening the health, safety, and wellbeing of Vendors, pedestrians, wheelchair users, and
15 City staff who are using City property. Such conditions have required significant law
16 enforcement and civilian staff resources to mitigate and address nuisance and criminal
17 activities that occur alongside Vending activities, diverting these City resources from other law
18 enforcement and Public Works functions.

19 (d) The aforementioned Vending, criminal, and nuisance activities have been
20 associated with and have exacerbated the severity of unsanitary sidewalk conditions resulting
21 from the accumulation of food waste, drug paraphernalia, Vendors' discarded boxes and
22 receptacles, and other miscellaneous debris, all in violation of the Vending Regulations that
23 have been approved by the City and the Good Neighbor Policies in Public Works Code
24 Section 5.9-9.
25

1 (e) This ordinance intends to implement improvements to Vendor permitting and
2 Vendor permit enforcement in order to address objective health, safety, and welfare concerns
3 associated with Vending. The ordinance would also enable the Department to update and
4 amend its regulations more expeditiously to better address urgent conditions and concerns
5 related to Vending on City property.

6
7 Section 3. Article 5.9 of the Public Works Code is hereby amended by revising
8 Sections 5.9-2, 5.9-3, 5.9-4, 5.9-5, 5.9-6, 5.9-8, and 5.9-11, to read as follows:

22 any violation of this Article 5.9, or of the Rules and Regulations that interpret and implement
23 this Article, and as described in subsection (ce) below, that occurs on a public right-of-way (as
24 that term is defined in Public Works Code Section 2.4.4) or any other street, sidewalk, alley,

6 information about who to contact for assistance related to this Article 5.9, and (8) information
7 about workforce development opportunities and job placement programs.

8 ~~(cd) Written Warnings.~~

9 ~~———— (1) The Department shall use the information included in the Notice of Violation to~~
10 ~~issue a written warning for any violation of this Article 5.9, or the Rules and Regulations that interpret~~
11 ~~and implement this Article 5.9, within 15 calendar days of issuing the Notice of Violation. The written~~
12 ~~warning shall inform the Vendor of a reasonable time, identified by the Department, to correct the~~
13 ~~issue or if the Vendor fails to correct the issue, the Vendor may be subject to an Administrative~~
14 ~~Citation. If a Vendor is found Vending Food and/or Merchandise in a package that is different from the~~
15 ~~description listed in the Vendor's permit application pursuant to Section 5.9-5, the written warning~~
16 ~~shall inform the Vendor of a reasonable time, identified by the Department, to update the description of~~
17 ~~the Food and/or Merchandise in the Vendor's permit application, or the Vendor may be subject to an~~
18 ~~Administrative Citation for failing to update the description.~~

19 ~~(2) If a Vendor fails to correct any of the issues for which they received a written~~
20 ~~warning within the reasonable time identified by the Department, all additional violations of this~~
21 ~~Article 5.9, or of any applicable Rules and Regulations that interpret and implement this Article 5.9,~~
22 ~~shall be subject to an Administrative Citation.~~

23 ~~(e) Administrative Citation.~~ The Department will use the information included in the
24 Notice of Violation to issue an Administrative Citation for any violation of this Article 5.9, or the
25

1 Rules and Regulations that interpret and implement this Article, as described below, within 15
2 calendar days of issuing the Notice of Violation:

3 (1) Vending that violates a requirement in this Article 5.9 or in the Rules and
4 Regulations that interpret and implement this Article, other than failure to possess a valid
5 license or permit shall be subject to the following:

6 (A) An administrative fine equal to \$100 for a first violation.

7 (B) An administrative fine equal to \$200 for a second violation within 12
8 ~~twelve~~ months of the first violation.

9 (C) An administrative fine equal to \$500 for a third violation, and each
10 subsequent violation, within 12 ~~twelve~~ months of the first violation.

11 (D) In addition to any other authorized enforcement activity, the Director
12 may revoke or suspend a Vendor's ~~license and/or~~ permit for the remainder of its term upon a
13 fourth ~~or subsequent~~ violation within 12 ~~twelve~~ months of the first violation.

14 (2) Vending without a valid ~~license or~~ permit shall be subject to the following:

15 (A) An administrative fine equal to \$250 for a first violation.

16 (B) An administrative fine equal to \$500 for a second violation within 12
17 ~~twelve~~ months of the first violation.

18 (C) An administrative fine equal to \$1,000 for a third violation, and each
19 subsequent violation, within 12 ~~twelve~~ months of the first violation.

20 (D) If the Vendor submits proof of a valid permit that was effective at the
21 time of the citation, the administrative fines set forth in subsections (A) through (C) of this
22 subsection (~~c~~)(2) shall be reduced to equal the administrative fines set forth in subsections
23 (A) through (C) of subsection (e)(1), as those amounts may be revised pursuant to subsection
24 (~~c~~)(5).
25

1 (3) Failure to pay an Administrative Citation described in this subsection (c) shall not be punishable as an infraction or misdemeanor; further, additional fines, fees,
2 assessments, or any other financial conditions beyond those authorized in this subsection (c)
3 may not be assessed.

4 (4) When assessing an Administrative Citation authorized in this subsection
5 (c), the Director shall take into consideration the person's ability to pay the fine using the
6 criteria described in subsection (a) or (b) of California Government Code Section 68632, as it
7 may be amended. The Enforcement Official shall give notice to the Vendor of the right to
8 request an ability-to-pay determination and instructions or other materials for requesting an
9 ability-to-pay determination. The Vendor may request an ability-to-pay determination at any
10 time while the judgment remains unpaid, including when a case is delinquent or has been
11 referred to a comprehensive collection program. The Director's determination shall be final. If
12 the Vendor meets the ability-to-pay criteria, the Department shall accept 20% of the total
13 administrative fine specified in subsection (c)(1) or (c)(2), as applicable, as full satisfaction.

14 (5) To the extent permitted by State law, the amounts of the administrative fines
15 identified in subsections (A) through (C) of subsections (c)(1) and (c)(2) shall automatically
16 increase or decrease to the maximum amount authorized under California Government Code
17 Section 51039, as it may be amended. If Section 51039 is repealed and not replaced with a
18 similar limitation on administrative fines, then the Director, in consultation with the Controller,
19 may adjust the administrative fine amounts in this Section 5.9-11 each year, without further
20 action by the Board of Supervisors, to reflect changes in the relevant Consumer Price Index.

21 (6) Within 30 days of issuance, the Vendor shall pay the Administrative Citation
22 unless the Vendor files a written appeal with the Director. The grounds of appeal are limited
23 to error or abuse of discretion in the issuance of the Administrative Citation. The Director may
24 make an ability-to-pay determination pursuant to subsection (c)(4), but inability to pay shall
25

1 not be grounds for rescinding the Administrative Citation or reducing the amount required to
2 satisfy the fine to an amount less than the amount specified in subsection (c)(4). The
3 Director shall consider any claims or defenses by the appellant, and shall issue and mail a
4 written decision on the appeal within a reasonable time of receipt of the written appeal. Within
5 20 days of the Director's decision upholding a fine in whole or in part, the Vendor shall pay the
6 Administrative Citation. The Vendor may seek judicial review of an Administrative Citation
7 pursuant to subsection (c)(1) in San Francisco Superior Court pursuant to Government Code
8 Section 53069.4.

9 (7) Administrative Citation Issuance Date. For purposes of payment and
10 appeals deadlines, the issuance date of any Administrative Citation delivered by the U.S.
11 Postal Service shall be ~~§~~ five calendar days after the date of mailing.

12 (8) Collection of Fines. The failure of any person to pay a fine assessed by
13 Administrative Citation within the required time constitutes a debt to the City. Simple interest
14 at 10% per year shall accrue on unpaid amounts.

15 **(d) Temporary Order to Cease Vending and Removal.**

16 (1) Any Enforcement Official may order a Vendor to promptly cease Vending
17 when, in the judgment of the Enforcement Official, (A) the Vendor constitutes a safety hazard,
18 including but not limited to impeding the safe use of a public right-of-way by pedestrians or
19 persons with disabilities, or (B) when the presence of an emergency so requires, or (C) if the
20 Vendor is unpermitted.

21 (2) (A) After the Enforcement Official orders an unpermitted Vendor to cease
22 Vending, the Vendor must discontinue any Vending and remove all Food, Merchandise, and
23 any other Vending paraphernalia from property within the City's jurisdiction. A failure to
24 promptly obey any such order from an Enforcement Official is a violation of this Article 5.9.
25

1 (B) After the Enforcement Official orders a permitted Vendor to cease
2 Vending, the Vendor must discontinue any Vending and follow the orders of the Enforcement
3 Official with regard to removing and relocating all Food, Merchandise, and any other Vending
4 paraphernalia, and any other orders the Enforcement Official may give to mitigate safety
5 hazards, and no further Vending may occur until the conditions that caused the order to cease
6 Vending have been abated to the satisfaction of the Enforcement Official. A failure to
7 promptly obey any such orders from an Enforcement Official is a violation of this Article 5.9.

8 (3) If a Vendor fails, within 10 minutes~~a reasonable time~~, to remove Food, or
9 Merchandise, or any other Vending paraphernalia from the location subject to the order to
10 cease Vending, or fails to follow any other orders the Enforcement Official may issue to
11 mitigate safety hazards, the Enforcement Official or the Department may remove any or all of
12 the items. Prior to removal by the Enforcement Official or the Department, the Enforcement
13 Official shall warn the Vendor of the impending removal and impoundment, and shall urge the
14 Vendor to make every effort to remove the items, or cause their removal,~~and shall urge the~~
15 ~~Vendor to make every effort to remove the items, or cause their removal.~~ Where the Department
16 actually removes any items, the Enforcement Official shall issue an Administrative Citation to
17 the Vendor. The Vendor shall pay the actual costs of removal and storage of any items
18 impounded, and of disposal of any items the storage of which may cause public health, safety,
19 or infestation issues. The Vendor may contest the liability for these costs by timely appealing
20 the Administrative Citation. However, these actual costs to the City are not subject to
21 reduction based on the ability to pay; actual costs are a debt to the City that may be collected
22 in the same manner as provided in subsection (c)(8). Vendor items that have been removed
23 and stored may be recovered by the Vendor within 90 days from the date of removal and
24 upon payment of a sum equal to the costs of removal, plus any reasonable transport and
25 storage costs, as determined by the Department, and any costs incurred by the Department in

1 disposing of any items. If the Vendor filed a written appeal pursuant to subsection (ce)(6) and
2 the appeal is not resolved within 90 days, the Department shall continue to store Vendor's
3 items until the appeal is resolved in order to allow Vendor to recover items. After 90 days, or
4 as soon as the Vendor's appeal is resolved if longer than 90 days, the Department shall
5 donate non-Food items to organizations providing services to people who are unhoused, as
6 appropriate. Prior to making any donations, the Department shall adopt regulations governing
7 the process for selecting organizations to accept these donated goods.

8 (ge) **Other Violations.** Any violation of this Article 5.9, or of the Rules and Regulations
9 that interpret and implement this Article, may be subject to one or more of the following:

10 (1) An administrative fine as described in subsection (ce).

11 (2) Civil Action.

12 (A) The Department may refer violations to the City Attorney to maintain
13 an action for injunction to restrain to cause the correction or abatement of the violation of this
14 Article 5.9, and for recovery of any City department's enforcement and abatement costs
15 (including but not limited to costs for removal, storage, impoundment, and disposal).

16 (B) The City shall be awarded its reasonable attorney's fees and costs
17 incurred in enforcing this Article 5.9.

18
19 Section 4. Effective Date. This ordinance shall become effective 30 days after
20 enactment. Enactment occurs when the Mayor signs the ordinance, the Mayor returns the
21 ordinance unsigned or does not sign the ordinance within ten days of receiving it, or the Board
22 of Supervisors overrides the Mayor's veto of the ordinance.

23
24 Section 5. Scope of Ordinance. In enacting this ordinance, the Board of Supervisors
25 intends to amend only those words, phrases, paragraphs, subsections, sections, articles,

1 numbers, punctuation marks, charts, diagrams, or any other constituent parts of the Municipal
2 Code that are explicitly shown in this ordinance as additions, deletions, Board amendment
