Be it ordained by the People of the City and County of San Francisco:

Section 1. Chapter 21 of the Administrative Code is amended by revising Chapter 21.43, to read as follows:

SEC. 21.43. PURCHASE AND SALE OF CERTAIN ELECTRICITY AND RELATED PRODUCTS BY THE PUBLIC UTILITIES COMMISSION.

(a) Findings.

(12)— In order for CleanPowerSF and Hetch Hetchy Power to meet State law requirements for RA, electricity-related products that ensure sufficient electric generation resources are available to meet unusually high levels of demand, and the Renewable Portfolio Standard (RPS), the state’s program for continuously increasing purchases from renewable energy facilities, the PUC purchases RA and RPS from a variety of suppliers, but on occasion must rely on purchases from
Investor Owned Utilities (IOUs) in California. The IOUs in California, PG&E, Southern California Edison, and San Diego Gas & Electric, all require RA and RPS buyers to agree to binding arbitration when purchasing these products.

(13) In Ordinance No. 08-18227-18, the Board of Supervisors authorized binding arbitration provisions in certain limited circumstances and approved three PG&E agreements with binding arbitration provisions. In order to reliably meet the State’s legal requirements for RA and RPS compliance, it is imperative to authorize the PUC to include binding arbitration provisions in agreements for RA and/or RPS with California IOUs.

(c) **Delegation of Approval Authority under Charter Section 9.118.** Pursuant to its authority under Charter Section 9.118, the Board of Supervisors delegates to the General Manager of the PUC authority to enter into purchases of power and related products using contracts with terms in excess of 10 years or requiring expenditures of 10 million dollars or more including amendments to such agreements with an impact of greater than $500,000, so long as the contract term, including any amendments, does not exceed 25 years. The annual expenditure for all agreements entered under this subsection (c) may not exceed 150 million dollars. 200 million dollars per year. This annual expenditure cap may be increased by Board of Supervisors Resolution.

(f) **Waiver of Certain Contract-Related Requirements.** The Board of Supervisors finds the waivers identified below to be reasonable and in the public interest, for individual contracts or an entire procurement process, where the General Manager of the PUC finds and documents in writing both that the transaction agreement or solicitation represents the best opportunity available to the City to obtain essential services and products in a manner beneficial to the
City, and that it is not feasible to add all standard City contract provisions to the agreement or solicitation; the Board of Supervisors finds the following waivers to be reasonable and in the public interest for contracts these waivers apply to agreements procured through competitive bidding processes that include language requiring compliance with all applicable federal, state, and local laws:

1. Nondiscrimination in contracts (Admin. Code Chapter 12B);
2. MacBride Principles (Admin. Code Chapter 12F);
3. Local business enterprise utilization and non-discrimination in contracting ordinance (Admin. Code Chapter 14B);
4. Consideration of criminal history in hiring (Admin. Code Section 12T);
5. Consideration of salary history in hiring (Admin. Code Section 12K);
6. Prohibition on contracting in certain states (Admin. Code Section 12X);
7. First source hiring (Admin. Code Chapter 83);
8. Competitive bidding requirements (Admin. Code Section 21.1); and
9. Tropical hardwood and virgin redwood ban (Environ. Code Chapter 8);
10. Minimum Compensation Ordinance (Admin. Code Chapter 12P);
11. Health Care Accountability Ordinance (Admin. Code Chapter 12Q);
12. Public access to meetings and records of non-profit organizations (Admin. Code Section 12L.2);
13. Sweatfree contracting (Admin. Code Section 12U.4); and

(g) Delegation of Approval of Binding Arbitration for RA and/or RPS Agreements with IOUs. The Board of Supervisors finds it is reasonable and in the public interest to delegate to the General Manager of the PUC the authority to enter into contracts for RA and/or RPS from California
IOU's with binding arbitration provisions, and hereby delegates said authority to the General Manager of the PUC.

**(h)** *Power and Related Products and Services.* For purposes of the delegation, authorizations, and waivers in this Section 21.43, power and related products and services shall include power supplies, RA, the conveyance or transmission of same, or ancillary services such as spinning reserve, voltage control, as required for assuring reliable services in accordance with good utility practices and applicable laws.

**(i)** *Projects on City Property.* The delegation, authorizations, and waivers in Section 21.43 shall not apply to projects being constructed on City property.
