19 Section 1. Environmental Findings.

20 The Planning Department has determined that the actions contemplated in this  
21 ordinance comply with the California Environmental Quality Act (California Public Resources  
22 Code Sections 21000 et seq.). Said determination is on file with the Clerk of the Board of  
23 Supervisors in File No. 210566 and is incorporated herein by reference.

1 Section 2. General Findings.

2 (a) The Port of San Francisco (“Port”) manages the waterfront as the gateway to a  
3 world-class city, and advances environmentally and financially sustainable maritime,  
4 recreational, and economic opportunities to serve the City and County of San Francisco  
5 (“City”), the Bay Area, and California.

6 (b) The Port is home to many of San Francisco’s leading visitor destinations, and  
7 welcomed over 24 million visitors annually before the COVID-19 pandemic.

8 (c) In furtherance of the City’s recovery from the pandemic, the Port is committed to  
9 supporting the growth of waterfront jobs and providing space for new and expanding  
10 businesses on Port property, while maintaining public health and safety as well as scenic and  
11 recreational opportunities.

12 (d) Vending, because it has a relatively low barrier to entry, encourages  
13 entrepreneurship, represents a significant sector of San Francisco’s local economy, and  
14 provides economic opportunity for people to support themselves and their families, which is a  
15 City priority.

16 (e) A well-regulated vending program would ensure the Port’s streetscape can  
17 remain a vibrant and dynamic marketplace, with unparalleled historic, scenic, and recreational  
18 value that can be safely enjoyed by all. Regulations are needed for several reasons: to  
19 accommodate vending, including vendors’ equipment, while safeguarding pedestrian and  
20 chair-user movement on sidewalks, streets, and other public spaces; to prevent unsanitary  
21 conditions and ensure trash and debris are removed by vendors; and to protect the scenic  
22 and natural character of the Port of San Francisco’s parks and waterfront, and the recreational  
23 opportunities the areas provide.

24 (f) In 2018, then-Governor Jerry Brown signed Senate Bill 946 (“SB 946”), which  
25 decriminalized street vending across California and constrained local regulatory authority. SB

1 946 seeks to create entrepreneurial and economic development opportunities for immigrant  
2 and low-income communities, increase access to desired goods, contribute to a safe and  
3 dynamic public space, and promote the safety and welfare of the public by encouraging local  
4 authorities to support and properly regulate vending.

5 (g) The Board of Supervisors (“Board”) seeks to prioritize health and safety, protect  
6 the scenic and natural character of our City’s parks and open spaces, and the waterfront,  
7 while expanding economic opportunities for those who aspire to vend lawfully in a manner  
8 consistent with SB 946. The Board recognizes that regulation of vending benefits the City as  
9 a whole, as it leads to orderly commerce and safeguards public health. The Board seeks to  
10 provide vendors with the ability to operate in a safe, professional, and meaningfully  
11 enforceable manner that enhances the visitor experience at the waterfront and provides  
12 increased economic opportunities; and

13 (h) The Board seeks to create a vending program which provides permitting and  
14 regulation of street vendors on Port property.

15

23 Health.

24          (4) Each Mobile Vendor permit issued pursuant to this Article 2A and the approval,  
25 as applicable, of the Tax Collector (issuance of business registration certificate; see subsection (b)(1)),

1 Port Fire Marshal (see subsection (b)(2)), and the Department of Public Health (see subsection (b)(3)),  
2 shall authorize inspection by the City of the Mobile Vendor's operations at any time during operating  
3 hours.

4 (5) The applicable conditions of this subsection (b) are preconditions to the issuance  
5 of a Mobile Vendor permit. Lapse or revocation of approvals, as applicable, from the Tax Collector,  
6 Port Fire Marshal, or Department of Public Health shall, by operation of law, automatically invalidate  
7 any Mobile Vendor permit without further action by the Department.

8 (c) **Permit Fee.** The Department shall identify the reasonable regulatory costs for the  
9 administrative enforcement and any adjudication of this Article 2A, including but not limited to the  
10 Department's costs to issue permits, perform investigations, conduct inspections, issue administrative  
11 citations or other enforcement actions, and audit permittees. The Department shall charge applicants  
12 for each Mobile Vendor permit and permit renewal an amount that does not exceed the reasonable  
13 regulatory costs described in this subsection (c), and may include the actual costs that other agencies,  
14 boards, commissions, or departments of the City incur in connection with the processing or  
15 administration of this Article 2A, which fee shall be waived in accordance with California Business and  
16 Professions Code section 16102, as it may be amended, and as applicable. The fee set forth in this  
17 subsection (c) shall be approved by the Port Commission and may be adjusted each year, without  
18 further action by the Board of Supervisors. In addition, separate annual fees may apply and be payable  
19 to the Tax Collector, Department of Public Health, and the Port Fire Marshal for any approvals  
20 required by each department.

22 the Department unless renewed or unless the particular circumstances warrant a permit term of less  
23 than one year.

24 (e) **Permit Renewal.**

1           (1) Each Mobile Vendor permit may be renewed annually so long as the Mobile  
2 Vendor remains in compliance with this Article 2A, including payment of all fees due to the City and  
3 compliance with the Good Neighbor Policies.

4           (2) Each Mobile Vendor permit renewed by the Department is not operative unless  
5 and until the Mobile Vendor has within 30 days of the date of renewal obtained approvals, as  
6 applicable, from the Port Fire Marshal and the Department of Public Health.

7           **(f) Application Denial; Appeal.**

8           (1) The Department may reject an application for Mobile Vendor permit for any of  
9 the following reasons: (A) the applicant failed to provide any required information or prerequisite  
10 approvals identified in this Section 2A.4, or provided incorrect or incomplete information, and failed to  
11 correct the application within a reasonable time identified by the Department; (B) the applicant  
12 knowingly presented false and material information or knowingly omitted material information; (C) the  
13 applicant previously received a permit, which permit was revoked pursuant to Section 2A.8, and the  
14 revocation occurred within one year of the application; (D) the applicant submitted a substantially  
15 similar application that was rejected within the past year; or (E) good cause, including but not limited  
16 to violations of federal, state, or City law that in the Department's judgment are relevant to whether the  
17 applicant would perform as a Mobile Vendor in a lawful manner.

18           (2) The rejection of an application for a Mobile Vendor permit may be appealed in  
19 writing to the Director within 10 days of rejection. The Director may investigate the rejection and  
20 consider any claims by the applicant, and shall either affirm or reverse the rejection within 30 days of  
21 receipt of the written appeal.

22           **SEC. 2A.5. VENDING RESTRICTIONS; DELEGATION OF AUTHORITY.**

23           (a) Certified Farmer's Market or Swap Meet. No person, without written approval of the  
24 Director, may Vend within the immediate vicinity of a permitted Certified Farmers' Market or a  
25 permitted Swap Meet during the operating hours of that Certified Farmers' Market or Swap Meet.

5 *for purposes including filming, parades, or outdoor concerts. This prohibition against Vending shall*  
6 *be effective only for the limited duration of the temporary special permit. Any notice, business*  
7 *interruption mitigation, or other rights provided to affected businesses or property owners under the*  
8 *temporary special permit must also be provided to any Mobile Vendor specifically permitted by the*  
9 *Director to operate in the immediate vicinity of the temporary special permit.*

10           **(c) Rules and Regulations Authorized.**

11           **(1)** *The Department, and any other agency (including but not limited to a*  
12 *department or commission) of the City that governs the use of public property (including but not limited*  
13 *to the Port Commission and its Executive Director), may adopt additional requirements regulating the*  
14 *time, place, and manner of Vending if the requirements are directly related to objective health, safety,*  
15 *or welfare concerns. Such Rules and Regulations may impose, but are not limited to imposing, (A)*  
16 *further requirements to maintain sanitary conditions; or (B) requirements necessary to ensure*  
17 *compliance with the Americans with Disabilities Act of 1990 (Public Law 101-336), as amended, and*  
18 *other disability access standards.*

19           **(2)** *The Department, and any other agency (including but not limited to a*  
20 *department or commission) of the City that governs the use of public property (including but not limited*  
21 *to the Port Commission and its Executive Director) may prohibit Stationary Mobile Vendors from*  
22 *Vending in a park if the operator of the park has signed an agreement for concessions that exclusively*  
23 *permits Vending of Food, Merchandise, or both by one or more concessionaires.*

24           **(3)** *The Department, and any other agency (including but not limited to a*  
25 *department or commission) of the City that governs the use of public property (including but not limited*

1 to the Port Commission and its Executive Director), may adopt additional requirements regulating the  
2 time, place, and manner of Vending in one or more parks if the requirements are: (A) directly related to  
3 objective health, safety, or welfare concerns; or (B) necessary to ensure the public's use and enjoyment  
4 of natural resources and recreational opportunities; or (C) necessary to prevent an undue  
5 concentration of commercial activity that unreasonably interferes with the scenic and natural character  
6 of the park.

7 **SEC. 2A.6. EXEMPTIONS.**

8 This Article 2A does not govern:

9 (a) the sale of an art or craft regulated under Article 24 (Regulating Street Artists) of the  
10 Police Code; or

11 (b) the operation of, or any sale within, a Certified Farmers' Market; or

12 (c) the operation of, or any sale within, a permitted Swap Meet.

13 **SEC. 2A.7. GOOD NEIGHBOR POLICIES.**

14 Mobile Vendors shall operate in accordance with the following good neighbor policies:

15 (a) Mobile Vendors shall be individually responsible for any garbage, detritus, or debris  
16 that directly results from their Vending activity;

17 (b) Noise and odors shall be contained within the immediate area of the Mobile Vendor so  
18 as not to be a nuisance to neighbors; and

19 (c) Mobile Vendors shall urge patrons to not litter and to maintain the safety, cleanliness,  
20 quiet, peace, and orderliness of the area; and

21 (d) Stationary Mobile Vendors shall provide for proper and adequate storage and disposal  
22 of garbage, detritus, and debris.

23 **SEC. 2A.8. ENFORCEMENT.**

24 (a) Nuisance Declaration. Any violation of this Article 2A, or any applicable Rules and  
25 Regulations, constitutes a public nuisance.

1           (b) **Administrative Citation.** Any Enforcement Official may issue an Administrative  
2 Citation as described below for any violation of this Article 2A, or of the Rules and Regulations that  
3 interpret and implement this Article, that occurs on a public right-of-way (as that term is defined in  
4 Public Works Code Section 2.4.4) or any other street, sidewalk, alley, walkway, wharf, pier, or  
5 pedestrian path available to the public:

6           (1) Vending that violates a requirement in this Article or in the Rules and  
7 Regulations, other than failure to possess a valid license or permit:

8                   (A) An administrative fine equal to \$100 for a first violation.

9                   (B) An administrative fine equal to \$200 for a second violation within twelve  
10 months of the first violation.

11                   (C) An administrative fine equal to \$500 for a third violation, and each  
12 subsequent violation, within twelve months of the first violation.

13                   (D) In addition to any other authorized enforcement activity, a Mobile Vendor's  
14 license and/or permit may be revoked or suspended for the remainder of its term upon a fourth or  
15 subsequent violation.

16           (2) Vending without a valid license or permit:

17                   (A) An administrative fine equal to \$250 for a first violation.

18                   (B) An administrative fine equal to \$500 for a second violation within twelve  
19 months of the first violation.

20                   (C) An administrative fine equal to \$1,000 for a third violation, and each  
21 subsequent violation, within twelve months of the first violation.

22                   (D) Upon submission of proof of a valid permit, the administrative fines set forth  
23 in subsections (A) through (C) of this subsection (b)(2) shall be reduced to equal the administrative  
24 fin es set forth in subsections (A) through (C) of subsection (b)(1), as those amounts may be revised  
25 pursuant to subsection (b)(5).

1           (3) Failure to pay an Administrative Citation described in this subsection (b) shall  
2 not be punishable as an infraction or misdemeanor; further, additional fines, fees, assessments, or any  
3 other financial conditions beyond those authorized in this subsection (b) may not be assessed.

4           (4) When assessing an Administrative Citation authorized in this subsection (b), the  
5 Director shall take into consideration the person's ability to pay the fine using the criteria described in  
6 subsection (a) or (b) of California Government Code section 68632, as it may be amended. Notice  
7 shall be given to the Mobile Vendor of the right to request an ability-to-pay determination and  
8 instructions or other materials for requesting an ability-to-pay determination. The person may request  
9 an ability-to-pay determination at adjudication or while the judgment remains unpaid, including when  
10 a case is delinquent or has been referred to a comprehensive collection program. If the Mobile Vendor  
11 meets the ability-to-pay criteria, the Department shall accept 20% of the total administrative fine  
12 specified in subsection (b)(1) or (b)(2), as applicable, as full satisfaction.

13           (5) The amounts of the administrative fines identified in subsections (A) through (C)  
14 of subsections (b)(1) and (b)(2) shall automatically increase or decrease to the maximum amount  
15 authorized under California Government Code section 51039, as it may be amended. If section 51039  
16 is repealed and not replaced with a similar limitation on administrative fines, then the administrative  
17 fine amounts in this Section 2A.8 may be adjusted each year, without further action by the Board of  
18 Supervisors, to reflect changes in the relevant Consumer Price Index.

19           (6) Within 10 days of issuance, the Administrative Citation must be paid unless a  
20 written appeal is filed with the Director. The grounds of appeal are limited to error or abuse of  
21 discretion in the issuance of the Administrative Citation. The Director may make an ability-to-pay  
22 determination pursuant to subsection (b)(4), but inability to pay shall not be grounds for rescinding the  
23 Administrative Citation or reducing the amount required to satisfy the fine to an amount less than the  
24 amount specified in subsection (b)(4). The Director may investigate the Administrative Citation and  
25 any claims by the appellant, and shall issue and mail a written decision on the appeal within 30 days of

1 receipt of the written appeal. Within 20 days of the Director's decision upholding a fine in whole or in  
2 part, the Administrative Citation must be paid. The method for judicial review of an Administrative  
3 Citation pursuant to subsection (b)(1) is an appeal filed with San Francisco Superior Court pursuant to  
4 Government Code section 53069.4.

5 (7) Collection of Fines. The failure of any person to pay a fine assessed by  
6 administrative citation within the required time constitutes a debt to the City. Simple interest at 10%  
7 per year shall accrue on unpaid amounts. The City may file a civil action including a small claims  
8 action or may pursue any other legal remedy to collect such money.

9 (c) **Temporary Order to Cease Vending and Removal.**

10 (1) Any Enforcement Official may order a Mobile Vendor to promptly cease Vending  
11 when, in the judgment of the Enforcement Official, (A) the Mobile Vendor constitutes a safety hazard,  
12 including but not limited to impeding the safe use of a public right of way by pedestrians and persons  
13 with disabilities, or (B) when the presence of an emergency so requires, or (C) if the Mobile Vendor is  
14 unpermitted.

15 (2) (A) After the Enforcement Official orders an unpermitted Mobile Vendor to  
16 cease Vending, the Mobile Vendor must discontinue any Vending and remove all Food, Merchandise,  
17 and any other Vending paraphernalia from property within the regulatory jurisdiction of the Port. A  
18 failure to promptly obey any such orders from an Enforcement Official is a violation of this Article 2A

19 (B) After the Enforcement Official orders a permitted Mobile Vendor to cease  
20 Vending, the Mobile Vendor must discontinue any Vending and follow the orders of the Enforcement  
21 Official with regard to removing and relocating all Food, Merchandise, and any other Vending  
22 paraphernalia, and any other orders the Enforcement Official may give to mitigate safety hazards, and  
23 no further Vending may occur until the conditions that caused the order to cease Vending have been  
24 abated to the satisfaction of the Enforcement Official. A failure to promptly obey any such orders from  
25 an Enforcement Official is a violation of this Article 2A.

1                   (3) If a Mobile Vendor fails, within a reasonable time, to remove Food, or  
2 Merchandise, or any other Vending paraphernalia from the location subject to the order to cease  
3 Vending, or to follow any other orders the Enforcement Official may issue to mitigate safety hazards,  
4 the Enforcement Official may order the Department to remove any or all of the items. Prior to removal  
5 by the Department, the Enforcement Official shall warn the Mobile Vendor of the impending removal  
6 and impoundment, and shall urge the Mobile Vendor to make every effort to remove the items, or cause  
7 their removal. Where the Department actually removes any items, the Enforcement Official shall issue  
8 an Administrative Citation to the Mobile Vendor. The Mobile Vendor shall pay the actual costs of  
9 removal and storage of any items impounded, and of disposal of any items the storage of which may  
10 cause public health, safety, or infestation issues. The Mobile Vendor may contest the liability for these  
11 costs by timely appealing the Administrative Citation. However, these actual costs to the City are not  
12 subject to reduction based on the ability to pay; actual costs are a debt to the City that may be collected  
13 in the same manner as provided in subsection (b)(7). Mobile Vendor items that have been removed and  
14 stored may be recovered within 90 days from the date of removal and upon payment of a sum equal to  
15 the costs of removal, plus any reasonable transport and storage costs, as determined by the  
16 Department, and any costs incurred by the Department in disposing of any items contained in the  
17 Mobile Food Facility.

18                   (d) **Other Violations.** Any violation of this Article 2A, or of the Rules and Regulations that  
19 interpret and implement this Article, that occurs on either: any area open to the public on private  
20 property, or on public property other than a Public right-of-way (as that term is defined in Public  
21 Works Code section 2.4.4) or any other street, sidewalk, alley, walkway or pedestrian path available to  
22 the public, may be subject to one or more of the following:

23                   (1) An administrative fine as described in subsection (b).

24                   (2) Civil Action.

1                    (A) The Department may refer violations to the City Attorney to maintain an  
2 action for injunction to restrain to cause the correction or abatement of the violation of this Article 2A,  
3 and for recovery of any City department’s enforcement and abatement costs (including but not limited  
4 to costs for removal, storage, impoundment, and disposal).

5                    (B) The City shall be awarded its reasonable attorney’s fees and costs incurred  
6 in enforcing this Article 2A.

7                    **SEC. 2A.9. EXTORTION.**
