Be it ordained by the People of the City and County of San Francisco:

Section 1. Chapter 37C of the Administrative Code is hereby amended by adding a new Section 37.4, renumbering existing Section 37.4 as Section 37.5, and revising existing Section 37C.5, to read as follows:

SEC. 37C.4. SHUTDOWNS DUE TO HEALTH ORDERS.

(a) Purpose and Findings. The COVID-19 pandemic has created an unprecedented crisis in the City, leading to disputes between commercial landlords and tenants regarding whether a tenant is required to pay rent that accrued during periods when the tenant was legally prohibited from operating due to COVID-19. In some cases, where performance of a contractual duty has become impossible or where the purposes of a contract have been frustrated, state law excuses a party to the contract from performance. The Board of Supervisors finds that it is appropriate to presume – at least in the absence of a contract provision or other agreement between the parties to the contrary – that a legally required shutdown due to COVID-19 is a circumstance that made it impossible for those tenants to perform or frustrated the purpose of those tenants’ leases. This presumption applies only to those situations where
a tenant fell under a category of businesses that was required to shut down under a health order, not
where a tenant would have been allowed to stay open but had to close due to a COVID-19 outbreak, or
where the tenant closed due to the economic impacts of COVID-19. The payment of rent pursuant to a
commercial lease should be excused if the operation of the business was rendered illegal by a COVID-
19 health order(s), if the parties have not agreed otherwise.

(b) **Excusing Performance.** Absent an agreement to the contrary between a Covered
Commercial Tenant and the landlord, if the Covered Commercial Tenant fell under a category of
businesses that was legally prohibited from operating in the unit due to a state or local health order
concerning COVID-19, then there shall be a rebuttable presumption that the shutdown frustrated the
purpose of the lease and that payment of rent covering the period of the shutdown is excused. The
Covered Commercial Tenant need not seek to terminate the lease to invoke the protections of this
ordinance. This presumption shall apply unless and until evidence is introduced that would support a
finding that, notwithstanding the shutdown order(s), the purpose of the lease was not frustrated and
performance remained possible.

(c) **Non-Applicability to Certain Negotiated Agreements.** In some cases,
commercial landlords and their tenants may have executed written agreements in response to
the COVID-19 pandemic in order to reduce, waive, or extend the tenant’s deadline to pay rent
that might otherwise have been due. It is the policy of the Board of Supervisors to encourage
such negotiated agreements. Accordingly, the presumption in subsection (b) shall not apply
to those rent payments that the landlord and tenant addressed in such a negotiated
agreement, assuming the agreement is otherwise legal and valid.

(d) **Federal and state law.** Nothing in this Section 37C.4 shall be interpreted or applied so as
to conflict with the terms of the lease or any federal or state law. This Section 37C.4 does not override
the terms of any lease, does not modify any state laws that relate to the interpretation or enforcement of
leases, and does not alter the burden of proof under state law with regard to a landlord’s claim that a
tenant has breached the lease or a tenant’s defense or excuse regarding the alleged breach. Instead, this Section 37C.4 seeks to simplify the burden of presenting evidence so that landlords and tenants, especially those who may be unable to afford legal representation or protracted litigation, may resolve their disputes more easily and more economically.

SEC. 37.45. SEVERABILITY.

SEC. 37C.65. SUNSET PROVISION.

This Chapter 37C shall expire by operation of law on June 30, 2025 after the Tier 1 Forbearance Period has ended. Upon expiration, the City Attorney shall cause this Chapter 37C to be removed from the Administrative Code.

Section 2. Severability. If any section, subsection, sentence, clause, phrase, or word of this ordinance, or any application thereof to any person or circumstance, is held to be invalid or unconstitutional by a decision of a court of competent jurisdiction, such decision shall not affect the validity of the remaining portions or applications of the ordinance. The Board of Supervisors hereby declares that it would have passed this ordinance and each and every section, subsection, sentence, clause, phrase, and word not declared invalid or unconstitutional without regard to whether any other portion of this ordinance or application thereof would be subsequently declared invalid or unconstitutional.

Section 3. Effective Date. This ordinance shall become effective 30 days after enactment. Enactment occurs when the Mayor signs the ordinance, the Mayor returns the ordinance unsigned or does not sign the ordinance within ten days of receiving it, or the Board of Supervisors overrides the Mayor's veto of the ordinance.
