(b) On April 23, 2020, the Planning Commission, in Resolution No. 20688, adopted findings that the actions contemplated in this ordinance are consistent, on balance, with the City's General Plan and eight priority policies of Planning Code Section 101.1. The Board adopts these findings as its own. A copy of said Resolution is on file with the Clerk of the Board of Supervisors in File No. 200143 and is incorporated herein by reference.

(c) Pursuant to Planning Code Section 302, the Board of Supervisors finds that this ordinance will serve the public necessity, convenience, and general welfare for the reasons set forth in Planning Commission Resolution No. 20688.

Section 2. Article 8 of the Planning Code is hereby amended by revising Sections 803.9 and 843, to read as follows:

SEC. 803.9. USES IN MIXED USE DISTRICTS.

* * * *

(f) Vertical Controls for Office Uses.

(1) Purpose. In order to preserve ground floor space for production, distribution, and repair uses and to allow the preservation and enhancement of a diverse mix of land uses, including limited amounts of office space on upper stories, additional vertical zoning controls shall govern office uses as set forth in this Section 803.9(f).

(2) Applicability. This Section 803.9(f) shall apply to all office uses in the MUG and UMU Districts, and all office uses in buildings in the PDR-1-D and PDR-1-G Districts that are designated as landmarks pursuant to Article 10 of the Planning Code, where permitted.

(3) Definitions. Office use shall be as defined in Section 890.70 of this Code.
(4) Controls.

(A) **Prohibition of Office Uses in the Mission Area Plan Area.** Except for Professional Services, Financial Services, Medical Services, and Office Uses in Landmark Buildings, Office Uses are prohibited in the Mission Area Plan area.

(B) **Designated Office Story or Stories.** Office uses are not permitted on the ground floor, except as specified in Sections 840.65A and 843.65A. Office uses may be permitted on stories above the ground floor if they are designated as office stories. On any designated office story, office uses are permitted, subject to any applicable use size limitations. On any story not designated as an office story, office uses are not permitted. When an office use is permitted on the ground floor per Sections 840.65A and 843.65A, it shall not be considered a designated office story for the purposes of subsection (h)(4)(D) below.

(C) **Timing of Designation.** In the case of new construction, any designated office story or stories shall be established prior to the issuance of a first building permit or along with any associated Planning Commission action, whichever occurs first. In the case of buildings that were constructed prior to the effective date of this Section, any such story or stories shall be designated prior to the issuance of any building permit for new or expanded office uses or along with any associated Planning Commission action, whichever occurs first.

(D) **Recordation of Designation.** Notice of the designation of office stories shall be recorded as a restriction on the deed of the property along with plans clearly depicting the designated story or stories in relation to the balance of the building. A designated office story may only be re-allocated when the designated office story is first returned to a permitted non-office use and associated building modifications to the designated office story are verified by the Zoning Administrator.
(E D) **Maximum Number of Designated Stories.** The maximum number of designated office stories shall correspond to the total number of stories in a given building, as set forth in the table below. The designation of a particular story shall apply to the total floor area of that story and no partial designation, split designation, or other such subdivision of designated floors shall be permitted. For the purposes of the following table, the total number of stories in a given building shall be counted from grade level at curb and shall exclude any basements or below-grade stories.

(F E) For projects in MUG and UMU Districts with multiple buildings, consolidation of permitted office stories may be permitted, pursuant to the controls set forth in Section 329(d)(9).

**SEC. 843. UMU – URBAN MIXED USE DISTRICT.**

The Urban Mixed Use (UMU) District is intended to promote a vibrant mix of uses while maintaining the characteristics of this formerly industrially-zoned area. It is also intended to serve as a buffer between residential districts and PDR districts in the Eastern Neighborhoods. Within the UMU, allowed uses include production, distribution, and repair uses such as light manufacturing, home and business services, arts activities, warehouse, and wholesaling. Additional permitted uses include retail, educational facilities, and nighttime entertainment. Housing is also permitted, but is subject to higher affordability requirements. Family-sized dwelling units are encouraged. Within the UMU, limited office uses serving the general public are generally prohibited in the Mission Area Plan and elsewhere are restricted to the upper floors of multiple story buildings allowed on the ground floor with Conditional Use authorization restricted to the upper floors of multiple story buildings. In considering any new land use not contemplated in this District, the Zoning Administrator shall take into account the intent of this District as expressed in this Section 843 and in the General Plan. Dwelling Units are permitted within the district pursuant to subsections 207(c)(4) and (c)(6) of this Code.
