16 Be it ordained by the People of the City and County of San Francisco:

17 Section 1. Findings.

18 The Board of Supervisors finds:

19 (a) Most nonprofit organizations receiving funding from the City and County of San  
20 Francisco provide high-quality services and meet their financial obligations, but ones that do  
21 not are harming the overall reputation of city contracting.

22 (b) City departments providing funding on behalf of the City and County of San  
23 Francisco must ensure accountability, transparency, and results for our residents.

24 (c) The decentralized process of verifying fiscal eligibility has resulted in an  
25 excessive number of instances where an organization no longer meets federal and state  
requirements for the receipt of these City funds.

1 (d) Reversing the changes made in Ordinance No. 213-11 that allowed alternative  
2 reporting and reduced reporting requirements to departments and restoring the City  
3 Administrator's centralized collection of this information will make the process more efficient  
4 and provide the public with one location to review this information.

5  
6 Section 2. Chapter 10, Article I, of the Administrative Code is hereby amended by  
7 revising Section 10.1, to read as follows:
