18 Section 1. Findings.

19 (a) The Planning Department has determined that the actions contemplated in this  
20 ordinance comply with the California Environmental Quality Act (California Public Resources  
21 Code Sections 21000 et seq.). Said determination is on file with the Clerk of the Board of  
22 Supervisors in File No. 200214 and is incorporated herein by reference. The Board affirms  
23 this determination.

24 (b) On May 28, 2020, the Planning Commission, in Resolution No. 20725, adopted  
25 findings that the actions contemplated in this ordinance are consistent, on balance, with the  
City’s General Plan and eight priority policies of Planning Code Section 101.1. The Board

1 adopts these findings as its own. A copy of said Resolution is on file with the Clerk of the  
2 Board of Supervisors in File No. 200214, -and is incorporated herein by reference.

3 (c) Pursuant to Planning Code Section 302, the Board of Supervisors finds that this  
4 ordinance will serve the public necessity, convenience, and general welfare for the reasons  
5 set forth in Planning Commission Resolution No. 20725.

6  
7 Section 2. Article 3 of the Planning Code is hereby amended by adding Section 303.2,  
8 to read as follows:

9 **SEC. 303.2. PRIORITY PROCESSING FOR CERTAIN USES IN COMMERCIAL SPACE:**  
10 **EXPEDITED CONDITIONAL USE REVIEW AND APPROVAL PROCESS AND REDUCED**  
11 **APPLICATION FEE.**

12 (a) **Findings.**

13 (1) In April 2013, the Planning Commission adopted the Small Business Priority  
14 Processing Pilot Program. The stated goal of the pilot program was to accelerate the review of certain  
15 small business applications without compromising the review times of other applications.

16 (2) Building on the success of the pilot program, Planning Department staff in  
17 consultation with staff from the Office of Small Business proposed expanding the program to additional  
18 types of applications. The expanded program was adopted by the Planning Commission in February  
19 2015 and renamed the Community Business Priority Processing Program. As expressed in the  
20 Commission’s adoption Resolution No. 19323, the intent was to support the business community –  
21 especially small and mid-sized businesses – and to increase efficiencies in the way the Commission and  
22 Department handle related applications.

23 (3) By enacting this Section 303.2, the Board of Supervisors underscores the  
24 importance of small and mid-sized businesses to the economic vitality of San Francisco’s  
25 neighborhoods and to the City as a whole, its residents, and visitors. The intent of this Section 303.2 is

1 to expedite the review and hearing process for these vital small and mid-sized businesses without  
2 compromising public notice and input or the review times of other applications, and to build upon the  
3 success of the Community Business Priority Process Program by expanding the scope of eligible  
4 projects and ensuring that all eligible projects are considered accordingly, while preserving critical  
5 opportunities for community input and accountability to the legislative branch of government.

6 (4) The Calle 24 Special Use District is still in its infancy, and due to its  
7 unique history and special identity the projects within its boundaries require special  
8 consideration in order to retain, enhance, and support its character. It is, therefore, exempted  
9 from the priority processing provisions of this Section 303.2.

10 The City first recognized the area’s unique history and special character in 2014, when  
11 in Resolution No. 168-14 it established the Calle 24 (“Veinticuatro”) Latino Cultural District.  
12 The Resolution memorialized “a place whose richness of culture, history and entrepreneurship  
13 is unrivaled in San Francisco.” A 2014 report by San Francisco Architectural Heritage found  
14 that many of the long-standing community-serving businesses within the area were at risk of  
15 displacement due to San Francisco’s volatile economic climate despite continued value and a  
16 record of success.

17 The special character of the area was further recognized in 2017 when Ordinance No.  
18 85-17 was enacted to establish the Calle 24 Special Use District. In enacting that ordinance,  
19 the Board specifically found, among other things, that “[t]he mix of businesses and uses,  
20 including Legacy Businesses, murals, festivals and architectural neighborhood design and  
21 character in the Calle 24 Special Use District contribute to a strong sense of neighborhood  
22 and a unifying identify.” This area continues to require special consideration in order to retain,  
23 enhance, and support its unique history and character, including providing economic and  
24 workforce opportunities for local residents, supporting the production and offering of local or  
25 Latino artwork, and making sure that the area offers a range of goods and services available

1 and accessible to residents, including immigrant and low-income and moderate-income  
2 households.

3 (b) **Priority Processing for Certain Uses.** Applications for Conditional Use authorization  
4 that comply with the requirements of subsection (c) are eligible for priority processing and a prorated  
5 application fee. Eligibility for priority processing shall not require any application separate from a  
6 completed application for Conditional Use authorization. Unless modified by this Section 303.2, the  
7 provisions of Section 303 shall apply.

8 (c) **Eligibility for Priority Processing.** An application for a Conditional Use authorization  
9 qualifies for priority processing (“eligible application”) pursuant to this Section 303.2 if it complies  
10 with all of the following requirements:

11 (1) It pertains exclusively to Non-Residential Uses;

12 (2) It is limited to changes of use, tenant improvements, or other interior or  
13 storefront work;

14 (3) It does not involve the removal of any Dwelling Units;

15 (4) It does not involve a Formula Retail use;

16 (5) It does not propose or require the consolidation of multiple storefronts;

17 (6) It does not seek to provide off-street parking in a quantity beyond that allowed as  
18 of right;

19 (7) It does not seek to establish, expand, or intensify activities during hours of  
20 operation beyond those permitted as of right;

21 (8) It does not seek to sell alcoholic beverages for either on-site or off-premises  
22 consumption, excepting beer and/or wine sold in conjunction with the operation of a Bona Fide Eating  
23 Place; and

24 (9) It does not seek to establish or expand any of the following uses:

25 (A) Adult Entertainment.

1                    (B) Bar.

2                    (C) Drive-up Facility.

10 in Section 249.59 of this Code.

11 If the application qualifies for priority processing, the Department shall notify the applicant of the date  
12 of acceptance of the complete application and of the applicant's eligibility for priority processing. The  
13 application fee shall be prorated pursuant to subsection (f).

14                    (d) Expedited Commission Hearing. An eligible application shall be scheduled for a public  
15 hearing on the Planning Commission's consent calendar within 90 days from the date that the  
16 application has been deemed complete, unless the hearing date is extended pursuant to subsection (e).  
17 An application is deemed complete when the application and filing fee have been accepted by the  
18 Department. The Planning Commission shall develop rules and regulations to ensure that eligible  
19 applications are heard and determined within 90 days without compromising the review times of other  
20 applications.

21                    (e) Extension of Commission Hearing Date. The Planning Commission may at any time  
22 adopt a one-time extension of not more than 60 days of the hearing date for an eligible application  
23 beyond 90 days if:

24                    (1) the Planning Director or the Director's designee requests in writing that the item  
25 be removed from the Commission's consent calendar; or

1                   (2) any member of the Planning Commission requests that the item be removed from  
2 the Commission's consent calendar; or

3                   (3) any neighborhood organization maintained on a list by the Planning Department  
4 pursuant to subsection 311(d)(4) submits within 60 days of the submission of a complete Conditional  
5 Use authorization application, or at any point prior to the Planning Commission's scheduled hearing,  
6 a letter of opposition or written request that the item be removed from the Commission's consent  
7 calendar.

8                   (f) **Reduced Application Fee; Fee Refund.** The fee for an application that meets the  
9 priority processing requirements of subsection (c) shall be 50% of the otherwise applicable fee  
10 established by Section 350 of this Code. If the Planning Commission does not hold a hearing on a  
11 Conditional Use application that is eligible for priority processing within 90 days of the date the  
12 application is deemed complete, or within the additional time allotted if the Commission continues the  
13 matter pursuant to subsection (e), the applicant shall be entitled to a full refund of the application fee.

14                   (g) **Report to the Board of Supervisors.** One year from the effective date of this Section  
15 303.2 and for three years thereafter on an annual basis, the Planning Department shall submit to the  
16 Board of Supervisors a report showing the number and percentage of eligible applications that are  
17 considered within 90 days of the date the Department has deemed the application complete and the  
18 reason or reasons why eligible applications were not heard within 90 days, if any.
