Be it ordained by the People of the City and County of San Francisco:

Section 1. The Municipal Elections Code is hereby amended by adding Article XI, consisting of Sections 1101 and 1102, to read as follows:

**ARTICLE XI: VOTE-BY-MAIL IN MUNICIPAL ELECTIONS**

**SEC. 1101. DEFINITIONS.**

Whenever the following terms are used in this Article XI, the following definitions shall apply. Other terms shall be defined as set forth in the California Elections Code.

“Department” means the San Francisco Department of Elections.

“Exclusively Municipal Election” shall mean any election for local officials or measures to be held in the City and County that the City has not consolidated with a Federal Election or State Election, including, but not limited to, municipal elections held on the Tuesday immediately following the first Monday in November in 2023 and in every fourth year following 2023.

“Federal Election” shall mean any election for Federal officials held in the City and County.
“State Election” shall mean any election for State officials or measures held in the City and County.

SEC. 1102. EXPANSION OF VOTE-BY-MAIL FOR EXCLUSIVELY MUNICIPAL ELECTIONS.

(a) Purpose. The Department shall seek to expand the use of vote-by-mail by San Francisco voters to the extent permitted by State law, without limiting in-person voting opportunities on or before election day. If any subsequent State or federal law (including, but not limited to, statutes and executive orders) that requires the Department to provide vote-by-mail ballots to all registered voters for all municipal elections is approved, enacted, or issued prior to or after the effective date of the ordinance in Board of Supervisors File No. 210604, this Article XI shall be inoperative and the City Attorney shall cause it to be removed from the Municipal Elections Code.

(b) Implementation.

(1) To the extent not otherwise rendered inoperative by subsection (a), in Exclusively Municipal Elections, the Department shall begin distributing vote-by-mail ballots to all registered voters, including to voters who have not applied to become vote-by-mail voters, by no later than 29 days before the date of the election.

(2) The Department shall attempt to inform every San Francisco household regarding the opportunity to register as a vote-by-mail voter, as authorized under the California Elections Code, for all municipal elections held in the City and County. Such attempts to inform San Francisco households may include: mail or postcards sent to San Francisco addresses; advertisements on radio or television; posts on the Department’s social media accounts; signs in public locations or on public transit; or flyers distributed through storefronts or at public events and gatherings.
Section 2. Effective Date. This ordinance shall become effective 30 days after enactment. Enactment occurs when the Mayor signs the ordinance, the Mayor returns the ordinance unsigned or does not sign the ordinance within ten days of receiving it, or the Board of Supervisors overrides the Mayor’s veto of the ordinance.

Section 3. Severability. If any section, subsection, sentence, clause, phrase, or word of this ordinance, or any application thereof to any person or circumstance, is held to be invalid or unconstitutional by a decision of a court of competent jurisdiction, such decision shall not affect the validity of the remaining portions or applications of the ordinance. The Board of Supervisors hereby declares that it would have passed this ordinance and each and every section, subsection, sentence, clause, phrase, and word not declared invalid or unconstitutional without regard to whether any other portion of this ordinance or application thereof would be subsequently declared invalid or unconstitutional.
