Be it ordained by the People of the City and County of San Francisco:

Section 1. The Administrative Code is hereby amended by Adding Chapter 12X, to read as follows:

CHAPTER 12X: PROHIBITING CITY TRAVEL AND CONTRACTING IN STATES THAT ALLOW DISCRIMINATION AGAINST LGBT INDIVIDUALS

SEC. 12X.1. Findings and Purpose.

SEC. 12X.2. Definitions.

SEC. 12X.3. Covered State List.

SEC. 12X.4. Travel.

SEC. 12X.5. Contracting.

SEC. 12X.7. Preemption.

SEC. 12X.1. FINDINGS AND PURPOSE.

LGBT individuals are entitled to live free from discrimination on the basis of sexual orientation, gender identity, and gender expression. San Francisco has a long history of protecting and promoting the rights of LGBT individuals. San Francisco is also a city open to the free expression and protection of religious views of all kinds.

Since the U.S. Supreme Court's landmark decision in Obergefell v. Hodges on June 26, 2015, recognizing the constitutional right of same-sex couples to marry, states have enacted laws aimed at reducing the legal protections for the LGBT community. In March 2016, North Carolina passed a law nullifying municipal anti-discrimination protections for LGBT individuals in the state. Under the North Carolina law, any existing local LGBT anti-discrimination measure is unenforceable, as would be any future measure adopted by a local government. The law also discriminates against transgender people by requiring them to use public bathrooms that correspond to their biological sex rather than their gender identity. Other states, are considering similar laws. In April 2016, Mississippi enacted a law that would permit discrimination against LGBT individuals if the person choosing to treat LGBT individuals differently claims that the disparate treatment is based on “sincerely held religious beliefs.” Such laws have been proposed in other states. The City and County of San Francisco does not support discrimination against LGBT individuals under any circumstances, including when such discrimination is based on religion.

The Board of Supervisors finds that the City should not require its employees, many of whom are LGBT individuals, to be subjected to these discriminatory laws while traveling on City business. No individual, and certainly no employee of the City while conducting City business, should suffer the
indignity of being denied services on the basis of being lesbian, gay, bisexual, or transgender. The City and the country have moved in the direction of granting more rights and more protections to LGBT individuals. These new laws represent an affront to progress and to the recognition that the LGBT community is entitled to equal treatment under the law.

Further, the City has a strong interest in dissociating itself from the discriminatory practices of states that have enacted or in the future might enact such laws, and from companies that choose to have their headquarters therein. City funds should not be expended, directly or indirectly, in states that perpetuate unequal treatment of the LGBT community. The Board finds that supporting such states through the tax revenue that would result from the expenditure of City funds therein is inconsistent with the principles of equality that San Francisco strives to promote.

A state shall be removed from the Covered State List where the law or laws that caused the state to meet the definition of a Covered...
State have been repealed or found to be unenforceable by a court of competent jurisdiction. The
Covered State List shall be posted on the website of the City Administrator, and shall be reviewed and
updated by the City Administrator at least annually.

SEC. 12X4. TRAVEL.

(a) The City shall not:

(1) Require any of its employees or officers to travel to a state on the Covered State
List; or

(2) Approve a request for City-funded travel to a state on the Covered State List.

(b) Subsection (a) shall not apply to travel that is:

SEC. 12X5. CONTRACTING.

(a) The City shall not enter into any Contract with a Contractor that has its United States
headquarters in a state on the Covered State List or where any or all of the work on the Contract will
be performed in a state on the Covered State List. Notwithstanding the foregoing sentence, if, during
the term of a Contract, the Contractor moves its headquarters, or the location from which it will
provide services to the City, to a state on the Covered State List, such a move shall not constitute

grounds to terminate the Contract.

(b) Nonapplicability, Exceptions, and Waivers. Subsection (a) shall not apply to Contracts in
the following circumstances:

(1) The Contracting Department determines that needed services under the
applicable Contract are available only from one source pursuant to applicable provisions of the
Administrative Code; or

(2) The Contracting Department determines, pursuant to applicable provisions of
the Administrative Code, that the Contract is necessary to respond to an emergency which endangers
the public health or safety; and no entity that complies with subsection (a) and is capable of responding
to the emergency is immediately available to perform the required services; or

(3) The Contracting Department determines that there are no qualified responsive
bidders or prospective vendors that comply with the requirements of subsection (a); and the Contract is
for a service, project, or property that is essential to the City or the public; or

(4) The Contracting Department determines that the public interest warrants the
granting of a waiver because application of this Section 12X.5 would have an adverse impact on
services or a substantial adverse financial impact on the City; or

(5) The Contracting Department determines that the services to be purchased are
available under a bulk purchasing arrangement with a federal, state, or local governmental entity or a
group purchasing organization; purchase under such arrangement will substantially reduce the City's
cost of purchasing such services; and purchase under such an arrangement is in the best interest of the
City; or

(6) The Contracting Department determines that the requirements of this Section
12X.5 will violate or are inconsistent with the terms or conditions of a grant, subvention, or agreement
with a public agency or the instructions of an authorized representative of any such agency with
respect to any such grant, subvention, or agreement, provided that the contracting officer has made a
good faith attempt to change the terms or conditions of any such grant, subvention, or agreement to
authorize application of this Section; or

(7) The General Manager of the Public Utilities Commission may waive the
requirements of this Section 12X.5 where the Contractor is providing wholesale or bulk water, power,
or natural gas, the conveyance or transmission of same, or ancillary services such as spinning reserve,
voltage control, or loading scheduling, as required for assuring reliable services in accordance with
good utility practice, to or on behalf of the San Francisco Public Utilities Commission; provided that
the purchase of same may not practically be accomplished through the City's standard competitive
bidding procedures; and further provided that this waiver provision shall not apply to Contractors or
franchisees providing direct, retail services to end users within the City.

(c) For any determination of nonapplicability, exception, or waiver pursuant to subsection (b),
the Contracting Department shall maintain a record documenting the basis for such decision. Each
Contracting Department that makes a determination of nonapplicability, exception, or waiver pursuant
to subsection (b) shall submit a report to the City Administrator summarizing the Contract and the
basis for inapplicability. Such reports shall be submitted annually within 30 days of the end of the
fiscal year.

(d) The requirements of this Section 12X.5 shall apply to Contracts first advertised, solicited,
or initiated on or after the Operative Date.

SEC. 12X.6. RULES AND REGULATIONS.

The City Administrator may adopt rules, regulations, and guidelines to implement this Chapter
12X.
**SEC. 12X.7. PREEMPTION.**

Nothing in this Chapter 12X shall be interpreted or applied so as to create any requirement, power, or duty in conflict with any federal or state law. In Contracts that involve the use of any funds furnished, given, or loaned by the Government of the United States or the State of California, all laws, rules, and regulations of the United States or California or of any federal or State departments relative to the performance of such work and the conditions under which the work is to be performed, shall prevail over the requirements of this Chapter 12X when such laws, rules, or regulations are in conflict.

**SEC. 12X.8. UNDERTAKING FOR THE GENERAL WELFARE.**

In enacting and implementing this Chapter 12X, the City is assuming an undertaking only to promote the general welfare. It is not assuming, nor is it imposing on its officers and employees, an obligation for breach of which it is liable in money damages to any person who claims that such breach proximately caused injury.

**SEC. 12X.9. SEVERABILITY.**

If any section, subsection, sentence, clause, phrase, or word of this Chapter 12X, or any application thereof to any person or circumstance, is held to be invalid or unconstitutional by a decision of a court of competent jurisdiction, such decision shall not affect the validity of the remaining portions or applications of the Chapter. The Board of Supervisors hereby declares that it would have passed this Chapter and each and every section, subsection, sentence, clause, phrase, and word not declared invalid or unconstitutional without regard to whether any other portion of this Chapter or application thereof would be subsequently declared invalid or unconstitutional.

Section 2. Renumbering of Chapter and Sections. Existing Chapter 12X of the Administrative Code, consisting of existing Sections 12X.1-12X.9 (with Section 12X.6 having
been repealed), shall be renumbered as Chapter 96B of the Administrative Code, consisting of Sections 96B.1-96B.9 (with Section 96B.6 having been repealed); and any cross-references in the Municipal Code to existing Chapter 12X or its component sections shall be renumbered accordingly. These changes are not made for any substantive reason and shall have no substantive effect. The changes are made solely for the purpose of renumbering the affected chapter and sections, so as to permit this ordinance to be codified in Chapter 12X of the Administrative Code. The City Attorney shall direct the publisher of the Municipal Code to take all appropriate steps to effectuate this provision.

Section 3. Effective and Operative Date.

(a) This ordinance shall become effective 30 days after enactment. Enactment occurs when the Mayor signs the ordinance, the Mayor returns the ordinance unsigned or does not sign the ordinance within ten days of receiving it, or the Board of Supervisors overrides the Mayor's veto of the ordinance.

(b) This ordinance shall become operative 90 days after the effective date.
