"conversion of residential unit," as those terms are defined in Section 317 of this Code; (2) the
proposed garage opening/addition of off-street parking will not substantially eliminate or
decrease the livability of a square footage of any dwelling unit without increasing the floor area in a

commensurate amount; (3) the building has not had two or more "no-fault" evictions, as defined in 37.9(a)(78)-(1316) of the San Francisco Administrative Code, with each eviction associated with a separate unit(s) within the past 10ten years, with each eviction associated with a separate unit(s), (4) the garage would not front on an Alley pursuant to Section 155(r)(2) of this Code or on a public right-of-way narrower than 41 feet, and (5) the proposed garage or addition of off-street parking installation is consistent with the Priority Policies of Section 101.1 of this Code.

Prior to the Planning Commission hearing, or prior to issuance of any required notification under Section 311(e)(2) or 312 of this Code, the Planning Department shall require a signed affidavit by the project sponsor attesting to (1), (2), and (3) above, which the Department shall independently verify, and the Department shall determine whether the Department shall also have made a determination that the project complies with (4) and (5) above. * * *
