18 Section 1. Environmental and Land Use Findings.

19 (a) On September 22, 2016, after a duly noticed public hearing, the Planning
20 Commission, in Resolution No. 19741, adopted findings that the actions contemplated in this
21 ordinance are not, in and of themselves, subject to the California Environmental Quality Act
22 (CEQA) (California Public Resources Code Sections 21000 et seq.). A copy of said
23 Resolution is on file with the Clerk of the Board of Supervisors in File No. 160960, and is
24 incorporated herein by reference. The Board of Supervisors adopts these findings as its own.
25

1 (b) In Resolution No. 19741, the Planning Commission also adopted findings that the
2 actions contemplated in this ordinance are consistent, on balance, with the City's General
3 Plan and the eight priority policies of Planning Code Section 101.1. The Board of Supervisors
4 adopts these findings as its own.

5 (c) Pursuant to Planning Code Section 302, this Board finds that these Planning Code
6 amendments will serve the public necessity, convenience, and welfare for the reasons set
7 forth in Planning Commission Resolution No. 19741 and the Board of Supervisors
8 incorporates such reasons herein by reference.

9
10 Section 2. Additional Findings.

11 (a) A significant number of people in San Francisco cannot obtain adequate or
12 appropriate shelter. According to the San Francisco biennial "Point-in-Time" homeless count
13 and survey taken in January 2015, there were 6,686 adults and 853 youth without a place to
14 live, constituting a total of 7,539 homeless people. Between the January 2013 homeless
15 count and survey and the January 2015 homeless count and survey, the number of homeless
16 people rose in seven of the 11 San Francisco supervisorial districts. A 10-year trend of
17 comparable Point-in-Time data (excluding the targeted youth count) identified a 7% increase
18 in the number of homeless people in San Francisco between 2005 and 2015.

19 (b) As San Francisco's homeless population ages, additional health services are
20 needed to address the homeless population's deteriorating health. According to the January
21 2015 homeless count and survey, 22% of the homeless were between the ages of 51 and 60,
22 up from 14% in 2013, and 8% were 61 or older, up from 3% in 2013.

23 (c) The inability to obtain adequate or appropriate shelter threatens the health and
24 safety of homeless people. Homelessness is an independent risk factor for a number of
25 illnesses through its association with exposure to harsh weather, high stress levels, sleep

1 deprivation, general unsanitary surroundings, lack of access to hygiene facilities, and poor
2 nutrition. For example, sleep deprivation impairs cognitive processes and increases the risk
3 of heart disease, heart attack, heart failure, irregular heartbeat, high blood pressure, stroke,
4 and diabetes.

5 (d) The City has partnered and collaborated with community-based nonprofit
6 organizations serving homeless populations to develop and implement new strategies to
7 shelter and identify housing for difficult-to-serve homeless populations, including residents of
8 encampments, people who have not accessed the traditional shelter system, the long-term
9 homeless population, and Homeward Bound clients. Since 2015, the City has successfully
10 piloted the Navigation Center model, a temporary Homeless Shelter model that minimizes
11 barriers to participation and seeks to connect clients to stable income, public benefits, and
12 permanent housing outside of the Navigation Center. This ordinance would facilitate the
13 expansion of the Navigation Center model and the successful transition of difficult-to-serve
14 homeless populations to services and permanent housing.

15 (e) According to Administrative Code Chapter 106, the City is required to open and
16 operate no fewer than six Navigation Centers by July 31, 2018 (within 24 months of the July
17 31, 2016 effective date of Ordinance No. 117-16), develop plans for the equitable distribution
18 of shelter and housing resources, and identify sustainable revenue sources for the
19 development of new permanent housing for homeless individuals.

20 (f) This ordinance would amend the Planning Code to allow temporary Homeless
21 Shelter uses in the Production, Distribution, and Repair (PDR), the WSoMa Mixed Use-Office
22 (WMUO), and the Service/Arts/Light Industrial (SALI) zoning districts subject to conditional
23 use authorization.

1 Section 3. Section 210.3 of the Planning Code is hereby amended by revising Table

12 (18) In this District, Homeless Shelter uses are permitted only with Conditional Use
 13 authorization and only if each such use (a) would operate for no more than four years, and (b) would
 14 be owned or leased by, operated by, and/or under the management or day-to-day control of the City
 15 and County of San Francisco. If such a use is to be located within a building or structure, the building
 16 or structure must be either (a) preexisting, having been completed and previously occupied by a use
 17 other than a Homeless Shelter, or (b) temporary. In this District, construction of a permanent structure
 18 or building to be used as a Homeless Shelter is not permitted.

20 Section 4. Section 845 of the Planning Code is hereby amended by revising Table
 21 845, including adding the portion entitled “Specific Provisions for WMUO Districts” at the end
 22 of the table, to read as follows:
