Be it ordained by the People of the City and County of San Francisco:

Section 1. Environmental Findings. The Planning Department has determined that the actions contemplated in this ordinance comply with the California Environmental Quality Act (California Public Resources Code Sections 21000 et seq.). Said determination is on file with the Clerk of the Board of Supervisors in File No. 220940 and is incorporated herein by reference. The Board affirms this determination.

Section 2. General Findings.

(a) The California Building Standards Code is contained in Title 24 of the California Code of Regulations. It consists of 12 Parts, which are based upon model codes that are

1 amended by the State agencies with jurisdiction over the subject matter. The California  
2 Building Code is Part 2 of Title 24 of the California Code of Regulations; the California  
3 Residential Code is Part 2.5. The 2022 California Building Code and 2022 California  
4 Residential Code will go into effect throughout California on January 1, 2023.

5 (b) The State of California adopts a new California Building Standards Code every  
6 three years ("triennial CBSC") with supplemental amendments published in intervening years.  
7 The triennial CBSC goes into effect throughout the State of California 180 days after its  
8 publication by the California Building Standards Commission or at a later date established by  
9 the Commission. The 2022 triennial CBSC will go into effect on January 1, 2023.

10 (c) Local jurisdictions must enforce the California Building Standards Code but they  
11 may also enact more restrictive building standards that are reasonably necessary because of  
12 local climate, geologic, or topographical conditions. Local amendments may be made both to  
13 a triennial CBSC and also to its individual Parts during the intervening years; however, local  
14 amendments previously adopted are not automatically applicable to a triennial CBSC. Rather,  
15 they must be re-enacted with the required findings of local climate, geologic, or topographical  
16 conditions, expressly made applicable to the new triennial CBSC, and with an operative date  
17 no earlier than the effective date of the new State Code.

18 (d) As in past triennial CBSC adoption cycles, by this ordinance the Board of  
19 Supervisors repeals the 2019 San Francisco Building Code in its entirety, enacts the 2022  
20 San Francisco Building Code, and re-enacts the existing local amendments to make them  
21 applicable to the 2022 California Building and Residential Codes.

22 (e) Pursuant to Charter Section D3.750-5, the Building Inspection Commission  
23 considered and approved San Francisco's amendments to the 2022 California Building Code  
24 at a duly noticed public hearing that was held on August 17, 2022.

1           Section 3. Findings Regarding Local Conditions.

2           (a)     California Health and Safety Code Sections 17958.7 and 18941.5 provide that  
3 before making any changes or modifications to the California Building Code and any other  
4 applicable provisions published by the California Building Standards Commission, the local  
5 governing body must make an express finding that each such change or modification is  
6 reasonably necessary because of specified local conditions. The local amendments together  
7 with the required findings must be filed with the California Building Standards Commission  
8 before the local changes or modifications can go into effect.

9           (b)     The City and County of San Francisco is unique among California communities  
10 with respect to local climate, geologic, topographical, and other conditions. A specific list of  
11 findings that support San Francisco's modifications to the 2022 California Building Code and  
12 the 2022 California Residential Code, with a section-by-section correlation of each  
13 modification with a specific numbered finding, are contained in Exhibit A entitled "Standard  
14 Findings for San Francisco Building Standards Code Amendments."

15           (c)     Pursuant to California Health and Safety Code Sections 17958.7 and 18941.5,  
16 the Board of Supervisors finds and determines that the local conditions described in Exhibit A  
17 constitute a general summary of the most significant local conditions giving rise to the need  
18 for modification of the 2022 California Building Code and 2022 California Residential Code  
19 provisions published by the California Building Standards Commission. The Board of  
20 Supervisors further finds and determines that the proposed modifications are reasonably  
21 necessary based upon the local conditions set forth in Exhibit A.  
22

23           Section 4. Repeal of the 2019 San Francisco Building Code and Enactment of the  
24 2022 San Francisco Building Code.  
25

1 (a) The 2019 San Francisco Building Code is hereby repealed in its entirety. The  
2 San Francisco Building Code being repealed was enacted on November 21, 2019, by  
3 Ordinance No. 264-19, with an operative date of January 1, 2020. It was amended by  
4 Ordinance Nos. 60-20, 92-20, 237-20, 31-21, 40-21, 204-21, and 71-22. These ordinances  
5 are available on the Board of Supervisors website and in the Office of the Clerk of the Board  
6 of Supervisors.

7 (b) The 2022 San Francisco Building Code is hereby enacted. It consists of (1) the  
8 2022 California Building Code, (2) the 2022 California Residential Code, and (3) San  
9 Francisco's existing local amendments to those 2022 California Codes, which are re-enacted  
10 and expressly made applicable to said codes. Copies of the 2022 California Building Code,  
11 the 2022 California Residential Code, and the stand-alone San Francisco amendments to  
12 those 2022 California Codes are declared to be part of Board File No. 220940 and are  
13 incorporated into this ordinance by reference as though fully set forth. Existing San Francisco  
14 amendments that are being made applicable to those 2022 California Codes are shown in  
15 unformatted ("plain") text and may include bold and/or italicized type; new San Francisco  
16 amendments are underlined; and deleted San Francisco amendments are in strikeout text.

17  
18 Section 5. Continuance of Actions Under Prior Code. Nothing contained in this  
19 ordinance shall be construed as abating any action now pending under or by virtue of any  
20 ordinance of the City and County of San Francisco hereby repealed, nor shall this ordinance  
21 be construed as discontinuing, abating, modifying, or altering any penalties accruing, or to  
22 accrue, or as waiving any right of the City under any such ordinance.

23  
24 Section 6. Severability. If any section, subsection, sentence, clause, or phrase of this  
25 ordinance is, for any reason, held to be invalid, such decision shall not affect the validity of the

1 remaining portions of this ordinance. The Board of Supervisors hereby declares that it would  
2 have passed this ordinance, and each section, subsection, sentence, clause, or phrase of this  
3 ordinance, irrespective of the fact that any one or more sections, subsections, sentences,  
4 clauses, or phrases be declared invalid.

5  
6 Section 7. Effective and Operative Dates. This ordinance shall become effective 30  
7 days after enactment. Enactment occurs when the Mayor signs the ordinance, the Mayor  
8 returns the ordinance unsigned or does not sign the ordinance within ten days of receiving it,  
9 or the Board of Supervisors overrides the Mayor's veto of the ordinance. This ordinance shall  
10 take effect and be in full force on and after either January 1, 2023 or its effective date if the  
11 effective date is later.

12  
13 Section 8. Directions to Clerk. Upon enactment of this ordinance, the Clerk of the  
14 Board of Supervisors is hereby directed to transmit to the California Building Standards  
15 Commission pursuant to the applicable provisions of State law 1) this ordinance, 2) the Exhibit  
16 A attachment, and 3) the San Francisco modifications to the 2022 California Building Code  
17 and the 2022 California Residential Code.
