Section 2. The Police Code is hereby amended by adding Article 16, consisting of Sections 1600 to 1638, to read as follows:

ARTICLE 16: REGULATION OF CANNABIS

SEC. 1600. FINDINGS AND PURPOSE.

(a) In 1996, the voters of California approved Proposition 215, The Compassionate Use Act, allowing persons in need of cannabis for specified medical purposes to obtain and use cannabis.

(b) In 2001, the City adopted Resolution No. 955-01, declaring San Francisco to be a "sanctuary for medical cannabis." In 2005, the City enacted Ordinance No. 275-05, Health Code Article 33, known as the Medical Cannabis Act, which implemented a local regulatory scheme for Medical Cannabis Dispensaries operating in San Francisco.

(c) In 2006, the City enacted Ordinance No. 297-06, Administrative Code Chapter 96B, making cannabis offenses by adults the lowest law enforcement priority in San Francisco.

(d) On August 29, 2013, in response to the number of states seeking to legalize cannabis, the United States Department of Justice issued a memorandum known as the Cole Memo, outlining federal cannabis enforcement priorities and specifying that the federal government would continue to rely on
states and local law enforcement agencies to address cannabis activity through enforcement of their own narcotics laws.

(e) The federal law enforcement priorities articulated in the Cole Memo align with many of San Francisco's priorities including: preventing the distribution of cannabis to minors; preventing cannabis sales revenue from going to criminal enterprises, gangs, and cartels; preventing the diversion of cannabis from states where it is legal to other states; preventing state-authorized cannabis activity from being used as a cover or pretext for the trafficking of other illicit drugs or activity; preventing violence and use of firearms in the cultivation and distribution of cannabis; preventing drugged driving and the exacerbation of other adverse public health consequences associated with cannabis use; preventing the cultivation of cannabis on public lands and the attendant public safety and environmental dangers posed by cannabis production on public lands; and preventing cannabis possession or use on federal property.

(f) On October 9, 2015, Governor Brown signed into law the Medical Marijuana Regulation and Safety Act ("MMRSA"), effective January 1, 2016, which established a comprehensive state licensing and regulatory framework for the cultivation, manufacturing, testing, distribution, transportation, dispensing, and delivery of medicinal cannabis, and which recognized the authority of local jurisdictions to prohibit or impose additional restrictions on commercial activities relating to medicinal cannabis. On June 27, 2016, Governor Brown signed into law Senate Bill 837, which amended MMRSA and renamed it the Medical Cannabis Regulation and Safety Act ("MCRSA").

(g) On November 8, 2016, the voters of California approved Proposition 64, the Control, Regulate, and Tax Adult Use of Marijuana Act (AUMA), which legalized the nonmedicinal use of cannabis for adults 21 years of age and older, created a state regulatory, licensing, and taxation system for non-medical cannabis businesses, and reduced penalties for cannabis-related crimes. San Francisco voters approved Proposition 64 at a rate of 74.3%, compared to 57.1% in the state overall.
(h) On November 9, 2016, Mayor Lee issued Executive Directive 16-05, entitled “Implementing Prop 64: Adult Use of Marijuana Act,” directing the Directors of Planning and Public Health, in collaboration with the San Francisco Cannabis State Legalization Task Force and other stakeholders, to lead the process of drafting the legislation required to fully and responsibly implement Proposition 64, including ordinances that address land use, local permitting, safety, and youth access.

(i) On June 27, 2017, Governor Brown signed into law the Medicinal and Adult-Use Cannabis Regulations and Safety Act (MAUCRSA), effective immediately, reconciling MCRSA and Proposition 64, unifying the adult-use and medicinal cannabis markets within the same regulatory regime, and making explicit the protection of the public to be the highest priority for all state licensing authorities in exercising their licensing, regulatory, and disciplinary functions under MAUCRSA. Under MAUCRSA, local jurisdictions may adopt and enforce ordinances to further regulate cannabis businesses, including zoning and permitting requirements and prohibitions on certain types of businesses.

(j) In 2015, the City enacted Ordinance No. 115-15, creating the San Francisco Cannabis State Legalization Task Force (“the Task Force”) to advise the Board of Supervisors, the Mayor, and other City departments on matters relating to the potential legalization of adult use cannabis. In December 2016, the Task Force submitted its Year I Report, and made recommendations related to Public Safety and Social Environment, Land Use and Social Justice, and Regulation and City Agency Framework for the City’s policymakers to consider.

(k) The Board of Supervisors intends to establish a comprehensive regulatory framework for medicinal cannabis and adult use cannabis. In furtherance of this goal, the Mayor’s FY2017-2018 budget, approved by the Board through its enactment of Ordinance No. 156-17, included appropriations for the establishment of an Office of Cannabis to coordinate with City departments and state agencies to develop policies and regulate the local cannabis industry to ensure that local public health, safety, and social justice goals are met. In addition, in July 2017, the City enacted Ordinance
No. 168-17, Administrative Code Chapter 2A, Article XXVI, to establish an Office of Cannabis; to
authorize the Director of the Office of Cannabis to issue permits to cannabis-related businesses; and to
require the Director to collect permit application and annual license fees following the enactment of an
ordinance establishing the amounts of those fees.

(I) In November 2017, the Office of Cannabis, the Office of the Controller, and the
Human Rights Commission authored a Cannabis Equity Report, a copy of which is on file with
the Clerk of the Board of Supervisors in File No. 171042. Among other things, the Cannabis
Equity Report acknowledged that the War on Drugs, which included racially disproportionate
arrests and incarceration, had disastrous impacts in San Francisco, including generational
poverty, community degradation, disruption of family structures, and the loss of educational
and employment opportunities. The Cannabis Equity Report found that:

(1) African Americans and Latinos in San Francisco have endured
disproportionately higher felony drug arrests than persons of other races.

(2) Recent efforts to decriminalize specific drug-related activities have helped to
narrow those gaps, but people of color still interact with the justice system at a rate far higher
than white people in San Francisco.

(3) Even at today’s much lower rates of arrest and conviction, large racial
disparities persist. In 2016, African Americans in San Francisco experienced felony drug
arrest rates 10 times higher than San Franciscans of other races, and 2.4 times higher than
African Americans elsewhere in California.

(4) Currently, Latino youth are twice as likely as African Americans, five times
more likely than whites, and nearly 10 times more likely than Asian Americans to be arrested
for a drug felony in San Francisco.
(5) While Proposition 64 clears the way for people with a conviction history involving cannabis crimes to enter the cannabis industry, a past criminal history can still present significant challenges, such as accessing financing or signing a lease agreement.

The Board of Supervisors is committed to ensuring that the perspectives of communities that have been historically and disproportionately affected by federal drug enforcement policies are included and considered in all cannabis policy decisions.

The Board of Supervisors is committed to fostering equitable access to participation in the cannabis industry for San Francisco-based small businesses and individuals by promoting ownership and stable employment opportunities in the industry.

Through this Article 16, the Board of Supervisors intends to develop a regulatory framework that: reduces the illegal market for cannabis; minimizes the chances of social harm by protecting and promoting the health of all San Franciscans; limits youth access and exposure to cannabis and cannabis products; ensures safe consumption; maintains the City’s progressive clean air policies for residents, businesses, and their employees; creates equitable access to opportunities within the cannabis industry; and creates jobs and tax revenue for the City.

SEC. 1631. NOTICE OF VIOLATION; HEARING AND APPEAL.

(a) If the Director determines that a Cannabis Business is operating in violation of this Article 16 (which is deemed in the entirety of this Section 1631 to include a violation of a permit condition and/or a violation of the rules and regulations adopted pursuant to this Article), the Director may issue a Notice of Violation to the Cannabis Business, the owner of real property where the violation occurred, and/or any other Persons the Director deems responsible for causing the violation.

(b) The Notice of Violation shall include the following information:

(1) That the Director has made a determination that the Cannabis Business is operating in violation of this Article 16;

(2) The alleged acts or failures to act that constitute the basis for the Director’s determination;

(3) That the Director intends to take enforcement action against the Cannabis Business, owner of real property, and/or any other Person deemed responsible for causing the violation(s), and
the nature of that action, including the administrative penalty and enforcement costs to be imposed, additional conditions on Cannabis Business Permit(s) that may be imposed, and/or the suspension or revocation of Cannabis Business Permit(s):

(4) That the Cannabis Business, owner of real property, and/or any other Person deemed responsible for causing the violation(s) has the right to request a hearing before the Director within 15 days after the Notice of Violation is mailed, and that the written request for hearing must state facts demonstrating that:

(A) If the violation is disputed, the Cannabis Business was operating in compliance with this Article 16 and/or the rules and regulations adopted pursuant to this Article; and

(B) Whether or not the violation is disputed, the Cannabis Business is currently operating in compliance with this Article 16 and/or the rules and regulations adopted pursuant to this Article, and has taken reasonable steps to prevent violations similar to the alleged violation(s), and arranged for the Director to re-inspect the Cannabis Business to confirm such reasonable steps.

Where no such showing has been made, any Person or entity served with a notice or order by the Director setting forth the nature of the violation of this Article, such person shall be presumed, in subsequent administrative and/or civil proceedings, not to have corrected such violation.

(c) If no request for a hearing is filed with the Director within the appropriate period, or the request for hearing does not include the information required by subsection (b)(4) of this Section 1631, the right to request a hearing shall be deemed waived, and the Director’s determination shall become final and effective 15 days after the Notice of Violation was mailed. The Director shall issue an order imposing the enforcement action and mail the order to the Persons served with the Notice of Violation. In subsequent civil proceedings, such violations shall be presumed not to have been corrected. Where no hearing is timely requested, an order suspending, revoking, or imposing additional conditions on a permit is final. The failure of the Person on whom the Notice of Violation is served to request a hearing shall constitute a failure to exhaust administrative remedies and shall preclude the Person
from obtaining judicial review of the validity of the enforcement action.

(d) Upon a timely request for a hearing that includes the information required by subsection
(b)(4) of this Section 1631, the Director shall, within 15 days of the request, notify the requester of the
date, time, and place of the hearing. The Director shall make available to the requester the
photographs and other recorded evidence obtained in support of the Notice of Violation as well as a
copy of the report prepared by the Director’s designee, if any, to support the Notice of Violation. Such
hearing shall be held no later than 60 days after the Director receives the request, unless time is
extended by mutual agreement of the requester and the Director.

(e) The Director shall conduct the hearing, or a hearing officer may be designated, who shall
have the same authority as the Director to hear and decide the case and make any orders consistent
with this Article 16. The Cannabis Business, owner of real property, or other Person(s) deemed
responsible for causing the violation(s) may present evidence for consideration, subject to any rules
adopted by the Director or hearing officer for the orderly conduct of the hearing. Within 30 days of the
conclusion of the hearing, the Director or hearing officer shall render a decision in the form of a
written order, which the Director shall promptly serve on the Cannabis Business, owner of real
property, or any other Persons charged in the Notice of Violation. The order shall state whether the
Notice of Violation has been upheld (in whole or in part), and the enforcement action taken against
each party.

(f) If the order directs the Cannabis Business, owner of real property, or other person to pay an
administrative penalty and/or enforcement costs, such amount shall be paid within ten days from the
mailing of the order; the order shall inform the recipient of such deadline for payment.

(g) If the order suspends or revokes a permit, or imposes additional permit conditions, it may
be appealed to the Board of Appeals in the manner prescribed in Article 1 of the Business and Tax
Regulations Code; the order shall inform the recipient of such right to appeal.
SEC. 1632. ADMINISTRATIVE PENALTIES AND ENFORCEMENT COSTS.

(a) Penalty Amounts. Any Person who violates this Article 16 (which is deemed in the entirety of this Section 1632 to include a violation of a permit condition and/or a violation of the rules and regulations adopted pursuant to this Article) shall be subject to an administrative penalty imposed by order of the Director, not to exceed $1,000 for each violation, for each day such violation occurs. However, in the case of a continuing violation, the Director shall not impose a daily administrative penalty for the second and subsequent days of such violation where the Director finds all of the following:

(1) In the 12 months preceding issuance of the Notice of Violation, the Cannabis Business was not issued a Notice of Violation, which was later upheld in whole or in part, for a similar violation;

(2) In the 12 months preceding issuance of the Notice of Violation, the Cannabis Business was issued no more than two Notices of Violation, which were later upheld in whole or in part, for any violation of this Article;

(3) The violation occurred notwithstanding that the Cannabis Business was acting in good faith; and

(4) The Cannabis Business promptly took reasonable steps to prevent future violations similar to the alleged violation(s), and arranged for the Director to re-inspect the Cannabis Business to confirm such reasonable steps.

(b) Setting Administrative Penalty. In setting the amount of the administrative penalty, the Director shall consider any one or more of the relevant circumstances presented, including but not limited to the following: the nature and seriousness of the misconduct giving rise to the violation, the number of violations, the persistence of the misconduct, the length of time over which the misconduct occurred, the willfulness of the responsible party's misconduct, and the responsible party's assets, liabilities, and net worth.
(c) **Setting Enforcement Costs.** In any action where a violation is found, the Director shall assess the Office’s costs of enforcement against the Cannabis Business or any other Persons the Director finds responsible for causing the violation.

(d) **Payment and Collection of Administrative Penalty and Enforcement Costs.** Any administrative penalty and/or enforcement costs assessed under this Article 16 is a debt to the City and County of San Francisco and shall be paid to the Treasurer of the City and County of San Francisco. Any amount paid late shall be subject to an additional late fine of 10% on the unpaid amount. The sum of the unpaid amount and the 10% late fine shall accrue interest at the rate of 1% per month (or fraction thereof) until fully paid; any partial payments made shall first be applied to accrued interest. The City may file a civil action or pursue any other legal remedy to collect such unpaid amount, fine, and interest. In any civil action for collection, the City shall be entitled to obtain a judgment for the unpaid amounts, fine, and interest, and for the costs and attorneys’ fees incurred by the City in bringing such civil action.

(e) **Lien for Administrative Penalty.** Where an activity or condition on San Francisco real property has caused, contributed to, or been a substantial factor in causing the violation, the Director may initiate proceedings to make any unpaid administrative penalty, enforcement costs, fine, and interest, and all additional authorized costs and attorneys’ fees, a lien on the property. Such liens shall be imposed in accordance with Administrative Code Sections 10.230—10.237, or any successor provisions. Before initiating lien proceedings, the Director shall send a request for payment under Administrative Code Section 10.230A.

**SEC. 1633. PERMIT SUSPENSIONS AND REVOCATIONS.**

(a) **Grounds for Suspension or Revocation.** The Director may revoke or suspend any Cannabis Business Permit if the Director finds any of the following circumstances to exist:
(1) Facts sufficient to support the denial of such permit on any ground set forth in Section 1615 of this Article 16:

(2) The Permittee has refused to permit an inspection of its business Premises or its operations under this Article:

(3) The Permittee has engaged in any conduct in connection with the operation of the Cannabis Business that violates this Article 16 (which is deemed in the entirety of this Section 1633 to include a violation of a permit condition and/or a violation of the rules and regulations adopted pursuant to this Article), or the Medicinal and Adult Use Cannabis Regulation and Safety Act, and any regulations promulgated thereto:

(6) An Owner or manager of the Cannabis Business willfully violated this Article:

(b) The Director may not suspend or revoke a Cannabis Business Permit under this Article 16 until the Director has issued a Notice of Violation and provided the Cannabis Business an opportunity
to be heard and respond as provided in Section 1631 of this Article 16. A Cannabis Business whose permission has been suspended or revoked must cease operations within 24 hours of the suspension or revocation order being final.

(c) Notwithstanding subsection (b) of this section 1633, the Director may suspend summarily any Cannabis Business Permit issued under this Article 16 when, in the judgment of the Director, the public health or safety requires such summary suspension. The Director shall provide written notice of such summary suspension to the permit holder by hand delivery, registered mail, or electronic mail.

No more than three days after written notice of such summary suspension is given, the Director shall issue a Notice of Violation identifying the alleged acts or failures to act that constitute the basis for the summary suspension, and provide the Cannabis Business an opportunity to be heard and respond as provided in Section 1631 as to why the summary suspension should end. However, the time for hearing and decision shall be accelerated as follows: Upon a timely request for a hearing that includes the information required by subsection (b)(4) of Section 1631, the Director shall set any requested hearing within seven days, unless time is extended by mutual agreement of the affected parties; and the Director, or a designated hearing officer who shall have the same authority as the Director to hear and decide the case, and make any orders consistent with this Article 16, shall issue a decision on the summary suspension within seven days after hearing.

(ed) If the Permittee appeals a decision by the Director or hearing officer upholding a summary suspension to the Board of Appeals, the summary suspension shall remain in effect until a final decision is issued by the Board of Appeals. Where a permit is revoked after a summary suspension, the revocation shall be effective immediately and, if the Permittee appeals to the Board of Appeals, shall remain in effect until a final decision is issued by the Board of Appeals.

(e) Enforcement Costs. Following an Order under this Section 1634, the Director shall issue a separate order assessing the City’s costs of enforcement, including the costs incurred by the Office as well as the costs incurred by any other City departments, against the Cannabis Business. Such assessments shall be paid within 10 days of issuance of the separate order.
