27
28 FURTHER RESOLVED, That the Special Tax will be secured by recordation of a
29 continuing lien against all real property in the Special Tax District that annexes to the Special

same manner as ordinary ad valorem property taxes, or in such other manner as this Board of
Supervisors or its designee shall determine, including direct billing of the affected property
owners in the Special Tax District; and be it

FURTHER RESOLVED, That the proposed rate and method of apportionment of the
Special Tax among the parcels of real property within the Special Tax District is described in
Exhibit B attached hereto and hereby incorporated herein ("Rate and Method"); and be it

FURTHER RESOLVED, That the Special Tax to be levied in the Special Tax District
shall not be levied in the Special Tax District to finance Facilities after the fiscal year
established therefor in the Rate and Method, except that a Special Tax that was lawfully
levied in or before the final tax year and that remains delinquent may be collected in
subsequent years. Under no circumstances shall the Special Tax levied against any parcel in

FURTHER RESOLVED, That the Special Tax shall be levied on a parcel or parcels in
the Special Tax District only with the written unanimous approval (each, a "Unanimous
Approval") of the owner or owners of each parcel or parcels to their annexation to the Special

requirement for further public hearings or additional proceedings, and each such unanimous
approval shall be deemed to constitute a unanimous vote in favor of the matters addressed in

substance of the Unanimous Approval attached to the Resolution of Intention as Exhibit C, or
such other form authorized by the Director of the Office of Public Finance; and be it
FURTHER RESOLVED, That under Government Code Section 50075.1, the following accountability provisions shall apply to the special taxes: (a) the provision and/or acquisition of the Facilities and the Services and the payment of debt service on the bonds and other debt and the incidental costs thereof, all as defined herein, shall constitute the specific single purpose; (b) the proceeds shall be applied only to the specific purposes identified in the preceding clause (a); (c) there shall be created special account(s) or funds(s) into which the proceeds shall be deposited; and (d) there shall be caused to be prepared an annual audit and report of the Special Tax District; and, be it

FURTHER RESOLVED, That the Director of the Office of Public Finance of the City and County of San Francisco, 1 Dr. Carlton B. FURTHER RESOLVED, That upon recordation of a notice of Special Tax lien pursuant to California Streets and Highways Code Section 3114.5, a continuing lien to secure each levy of the Special Tax shall attach to all nonexempt real property in the Special Tax District and this lien shall continue in force and effect until the Special Tax obligation is prepaid and permanently satisfied and the lien canceled in accordance with law or until collection of the tax by the City ceases, and that pursuant to Code Section 43.10.17, a notice of special tax lien shall not be recorded against any parcel or parcels in the Special Tax District without the unanimous approval of the owner or owners of such parcel or parcels’ annexation to the Special Tax District or in compliance with other procedures established by the Code, at which time the notice of special tax lien shall be recorded against such parcel or parcels as set forth in Act Section 53328.3 and, be it
FURTHER RESOLVED, That except as may otherwise be provided by law or by the Rate and Method, all lands owned by any public entity, including the United States, the State of California and/or the City, or any departments or political subdivisions thereof, shall be omitted from the levy of the Special Tax to be made to cover the costs and expenses of the Facilities, the Services or the Special Tax District. In the event that a portion of the property within the Special Tax District shall become for any reason exempt, wholly or in part, from the levy of the Special Tax, this Board of Supervisors will, on behalf of the Special Tax District, increase the levy to the extent necessary upon the remaining property within the Special Tax District which is not exempt in order to yield the required debt service payments and other annual expenses of the Special Tax District, if any, subject to the provisions of the Rate and Method; and, be it

FURTHER RESOLVED, That in accordance with the Code, the annual appropriations limit, as defined by subdivision (h) of Section 8 of Article XIII B of the California Constitution, of the Special Tax District is hereby preliminarily established at $5,300,000,000; and, be it

FURTHER RESOLVED, That pursuant to Code Section 43.10.17, in lieu of approval pursuant to an election held in accordance with the procedures set forth elsewhere in the Code and in Act Sections 53326, 53327, 53327.5 and 53328, the appropriations limit for the Special Tax District, the Rate and Method and manner of collection of the Special Tax and the authorization to incur bonded indebtedness and other debt for the Special Tax District shall be specified and approved by the Unanimous Approval of the owner or owners of each parcel or parcels at the time that such parcel or parcels are annexed to the Special Tax District or in compliance with other procedures established by the Code. No additional hearings or procedures are required, and such Unanimous Approval shall be deemed to constitute a unanimous vote in favor of the appropriations limit for the Special Tax District, the authorization to levy the Special Tax on such parcel or parcels and the authorization to incur
bonded indebtedness for the Special Tax District; and, be it

FURTHER RESOLVED, That pursuant to Code Section 43.10.19, in connection with
the annexation of a parcel or parcels to the Special Tax District pursuant to the alternate and
independent procedure set forth in Code Section 43.10.17 and the conduct of an election on
the proposition to authorize bonded indebtedness and other debt pursuant to the alternate
and independent procedure set forth in Code Section 43.10.18, the City may, without
additional hearings or procedures, designate a parcel or parcels as an improvement area
within the Special Tax District, and each improvement area will be known as "Improvement
Area No. ____ of City and County of San Francisco Special Tax District No. 2018-1 (Central
SoMa)," and after the designation of a parcel or parcels as an improvement area, all
proceedings for approval of the appropriations limit, the rate and method of apportionment
and manner of collection of special tax and the authorization to incur bonded indebtedness for
such parcel or parcels shall apply only to the improvement area. The City may incur bonded
indebtedness and other debt payable solely from special taxes levied on property in the
improvement area; and be it

FURTHER RESOLVED, That Act Section 53314.9 provides that, either before or after
formation of the Special Tax District, the City may accept advances of funds and may provide,
by resolution, for the use of those funds, including but not limited to pay any cost incurred by
the local agency in creating the Special Tax District, and may agree to reimburse the
advances under all of the following conditions: (A) the proposal to repay the advances is
included both in the resolution of intention and the resolution of formation to establish the
Special Tax District; and (B) any proposed special tax is approved by the qualified electors of
the Special Tax District and, if the qualified electors of the Special Tax District do not approve
the proposed special tax, the City shall return any funds which have not been committed for
any authorized purpose by the time of the election and, in furtherance of Act Section 53314.9,
the Board of Supervisors hereby declares its intent to enter into an agreement providing for
the advance and reimbursement of funds if it is determined by the Director of the Office of
Public Finance to be in the best interests of the City; and, be it

FURTHER RESOLVED, That Act Section 53314.9 provides that, either before or after
formation of the Special Tax District, the City may accept work in-kind from any source,
including, but not limited to, private persons or private entities, may provide, by resolution, for
the use of that work in-kind for any authorized purpose and this Board of Supervisors may
enter into an agreement, by resolution, with the person or entity advancing the work in-kind, to
reimburse the person or entity for the value, or cost, whichever is less, of the work in-kind, as
determined by this Board of Supervisors, with or without interest, under the conditions
specified in the Act. Any work in-kind must be performed or constructed as if the work had
been performed or constructed under the direction and supervision, or under the authority of,
the City and, in furtherance of Act Section 53314.9, the Board of Supervisors hereby declares
its intent to enter into an acquisition and reimbursement agreement with one or more property
owners in the Special Tax District if it is determined by the Director of the Office of Public
Finance to be in the best interests of the City; and, be it

FURTHER RESOLVED, That the Board of Supervisors hereby reserves the right and
authority to allow any interested owner of property in the Special Tax District, subject to the
provisions of Act Section 53344.1 and such other conditions as the Board of Supervisors may
impose and any applicable prepayment penalties associated with bonds or other debt issued
