11 WHEREAS, Results from the 2020 Census help direct billions of dollars in federal
12 funds to local communities for schools, roads, hospitals, and other public services; and

13 WHEREAS, Census responses will also be used to determine the number of seats

2 among members of the public that federal law can guarantee the confidentiality of census

7 law enforcement purposes; and

8 WHEREAS, San Francisco is home to many hard-to-count communities that have been
9 historically underrepresented in previous census efforts, including households who are low-
10 income, who are immigrant, who are renters, or who have limited-English proficiency; and

11 WHEREAS, It is important to bolster confidence in census data protection in order to
12 facilitate a successful 2020 Census; and

13 WHEREAS, The City and County of San Francisco believes that protection of census
14 data confidentiality is essential to a successful Census and to a healthy and thriving
15 democracy; now, therefore, be it
