WHEREAS, The Board of Supervisors ("Board") of the City and County of San Francisco ("City") has, pursuant to the applicable laws of the State of California ("State"), the Charter of the City ("Charter"), and previous resolutions duly adopted and proceedings duly conducted by the Board, previously authorized the issuance, sale and delivery of certain City general obligation bonds listed in Exhibit A attached hereto (referred to herein as the "Prior Bonds") (a copy of which is on file with the Clerk of Board of Supervisors and which is hereby declared to be a part of this Resolution as if fully set forth herein) to assist in the financing, or refinancing, of the acquisition, construction, and improvement of certain municipal facilities or programs; and

WHEREAS, The Board desires to issue and sell, from time to time, the City's General Obligation Refunding Bonds (referred to herein as the "Bonds") in the aggregate principal amount not to exceed $1,482,995,000, including an initial series of such Bonds in the amount of $255,000,000 pursuant to this Resolution of the Board ("Resolution"), the laws of the State of California including Title 5, Division 2, Part 1, Chapter 3, Articles 9 and 11 of the California Government Code, the Charter, the Administrative Code of the City ("Administrative Code") and any ordinance now or hereinafter in effect, in order to reduce the amount of debt service payments on the Prior Bonds by refunding and setting aside funds to retire all or a portion of the Prior Bonds and to pay the costs of issuance of the Bonds.

NOW, THEREFORE, BE IT RESOLVED by the Board of Supervisors of the City, as follows:

Section 1. Recitals. All of the recitals herein are true and correct.

Section 2. Conditions Precedent. All conditions, things and acts required by law to exist, to happen and to be performed precedent to the adoption of this Resolution exist, have happened and have been performed in due time, form and manner in accordance with applicable law, and the City is now authorized pursuant to the Charter and applicable law to
issue the Bonds and incur indebtedness in the manner and form provided in this Resolution.

Section 3. Documents. The documents presented to the Board and on file with the Clerk of the Board of Supervisors or his or her designee ("Clerk of the Board of Supervisors") are contained in File No. 200088.

Section 4. Authorization of Issuance of the Bonds. (a) The Board hereby authorizes the issuance, from time to time and in one or more series (each a “Series”), of the City’s General Obligation Refunding Bonds in an aggregate amount not to exceed $1,482,995,000. The Bonds shall be designated generally as “City and County of San Francisco General Obligation Refunding Bonds, Series _____-R___,” or such other designation as the Director of Public Finance (as defined below) shall determine, with each Series of Bonds to bear such additional designation as may be necessary or appropriate to distinguish such Series from every other Series of Bonds, as provided in Section 5 hereof.

Each Series of Bonds shall be issued in accordance with this Resolution, the applicable laws of the State, the Charter, the Administrative Code and any ordinance now or hereinafter in effect.

(b) The initial Series of such Bonds shall be issued in an aggregate principal amount not to exceed $255,000,000 and designated as “City and County of San Francisco General Obligation Refunding Bonds, Series 2020-R1” (and if issued in more than one series, then “Series 2020-R2” and so forth), and will be issued in accordance with the provisions of this Resolution.

(c) The Controller’s Director of Public Finance, or such other officer carrying out such duties on behalf of the City, or his or her designee ("Director of Public Finance"), is hereby authorized and directed to determine which issues (or maturities within any issue) of the Prior Bonds shall be refunded from proceeds of any Series of Bonds and to provide for the sale of any Series of Bonds by competitive or negotiated sale as herein provided, subject to
the following terms and conditions applicable to each Series of Bonds:

(i) The City's current policy, based on GFOA recommended standards, is that the present value of the savings on debt service of each series of refunding bonds will be 3 percent or greater in total than the par of the bonds to be refunded. The discount rate to calculate present value should be either (a) true interest cost of the series of the refunding bonds, or (b) the discount rate that equates future debt service costs of the series of refunding bonds to their purchase price. The Controller shall determine compliance with the requirements of this Section 4(c)(i) in a written certificate. This requirement shall be in addition to satisfying the savings test set forth under California Government Code Section 53552.

(ii) The Series of Bonds shall not have a true interest cost in excess of twelve percent (12%) (for purposes of this paragraph, true interest cost means that nominal annual interest rate which, when compounded semiannually and used to discount all payments of principal and interest payable on such Series of Bonds to the dated date of such Series of Bonds, results in an amount equal to the principal amount of such Series of Bonds plus the amount of any premium offered (disregarding for the purposes of the calculation the accrued interest, if any, to the date of delivery of the Series of Bonds)), and no Bond shall have a coupon in excess of twelve percent (12%), as is mandated by Title 5, Article 4.5, Section 53508(d) of the Government Code.

(iii) The Series of Bonds shall not have a final maturity date later than the final maturity date of all of the Prior Bonds to be refunded;

(iv) Costs of issuance with respect to the Series of Bonds (excluding underwriter's discount and any cost of credit enhancement) shall not exceed two percent (2%) of the principal amount of such Series of Bonds;

(v) In the event of a negotiated sale of the Series of Bonds as provided under Section 19 hereof, underwriter's discount shall not exceed one percent (1%)
(vi) In the event the Director of Public Finance determines to sell any Series of Bonds (or portion thereof) with credit enhancement, such as a municipal bond insurance policy, the present value savings, as calculated by the Municipal Advisors to the City, resulting from the purchase of such credit enhancement shall equal or exceed the cost thereof.

(d) For the avoidance of any doubt, subject to compliance with the limitation of Section 4(c)(i) hereof, the principal amount of any Series of Bonds may be more than, less than or the same as, the principal amount of the Prior Bonds to be refunded by such Series.

(e) The Director of Public Finance is hereby authorized to determine for each Series of Bonds: the sale date, the interest rates, the definitive principal amount thereof (provided that the aggregate principal amount for all Bonds shall not exceed $1,482,995,000), the maturity dates and the redemption dates, if any, whether the Bonds shall be issued on a taxable or tax-exempt basis, and the terms of any optional or mandatory redemption thereof, subject to the provisions of this Resolution.

(f) In connection with the issuance of each Series of Bonds, the Controller shall determine which Prior Bonds, or portions thereof, shall be redeemed with the proceeds thereof and specify the date or dates upon which such redemption shall occur, and the Controller shall set forth such determinations in the Bond Award (as defined in Section 17 hereof) or the Bond Purchase Contract (as identified in Section 19 hereof), applicable to such Series of Bonds.

Section 5. Form, Execution, Authentication and Registration of the Bonds. Each Series of Bonds shall be in fully registered form without coupons in denominations of $5,000 or any integral multiple thereof. The officers of the City are hereby directed to cause each Series of Bonds to be prepared in sufficient quantity for delivery to or for the account of their purchaser and the Controller is hereby directed to cause the blanks in such Series of Bonds to be completed in accordance with this Resolution and the Bond Award or Bond Purchase
Contract, to procure their execution by the proper officers of the City (including by facsimile signature, if necessary or convenient, except that any signature of the Clerk of the Board of Supervisors shall be by manual signature) and authentication as provided in this Section, and to deliver each Series of Bonds when so executed to said purchaser in exchange for the purchase price thereof, all in accordance with this Resolution.

The form of each Series of Bonds and the Certificate of Authentication and registration, to be manually executed by the Treasurer of the City or his or her designee ("City Treasurer"), shall be substantially in the form attached hereto as Exhibit B (a copy of which is on file with the Clerk of the Board of Supervisors and which is hereby declared to be a part of this Resolution as if fully set forth herein), with such necessary or appropriate variations, omissions and insertions as permitted or required by this Resolution and made in accordance with Section 24 hereof. "CUSIP" identification numbers may be imprinted on Bonds, but such numbers shall not constitute a part of the contract evidenced by the Bonds and any error or omission with respect thereto shall not constitute cause for refusal of any purchaser to accept delivery of and to pay for the Bonds. In addition, failure on the part of the City to use such CUSIP numbers in any notice to owners of the Bonds shall not constitute an event of default or any violation of the City's contract with such owners and shall not impair the effectiveness of any such notice.

Only those Bonds as shall bear thereon a Certificate of Authentication and Registration in the form in Exhibit B, manually executed by the City Treasurer, shall be valid or obligatory for any purpose or entitled to the benefits of this Resolution, and such Certificate of the City Treasurer, executed as herein provided, shall be conclusive evidence that those Bonds so authenticated have been duly authenticated and delivered hereunder and are entitled to the benefits of this Resolution.

BOARD OF SUPERVISORS
The City Treasurer shall assign a distinctive letter, or number, or letter and number to each Series of Bonds authenticated and registered by him or her and shall maintain a record thereof which shall be available for inspection.

Section 6. Registration Books for the Bonds. The City Treasurer shall keep or cause to be kept, at the office of the City Treasurer, or at the designated office of any bond registrar appointed by the City Treasurer, separate and sufficient books for the registration and transfer of each Series of Bonds, which bond registration books shall at all times be open to inspection, and upon presentation for such purpose, the City Treasurer shall, under such reasonable regulations as he or she may prescribe, register or transfer or cause to be registered or transferred, on said books each Series of Bonds, as herein provided. The City and the City Treasurer may treat the registered owners of each Series of Bonds shown in such registration books (the "Registered Owners") as the absolute owners thereof for all purposes, and the City and the City Treasurer shall not be affected by any notice to the contrary.

Section 7. Transfer or Exchange of the Bonds. Any Bond may, in accordance with its terms, be transferred upon the bond registration books required to be kept pursuant to the provisions of Section 6 hereof, by the person in whose name it is registered, in person or by the duly authorized attorney of such person in writing, upon surrender of such Bond for cancellation, accompanied by delivery of a duly executed written instrument of transfer in a form approved by the City Treasurer.

Any Bond may be exchanged at the office of the City Treasurer for a like aggregate principal amount of other authorized denominations of the same Series, interest rate and maturity.

Whenever any Bond shall be surrendered for transfer or exchange, the designated City officials shall execute (as provided in Section 5 hereof) and the City Treasurer shall
authenticate and deliver a new Bond of the same Series, interest rate and maturity in a like aggregate principal amount. The City Treasurer shall require the payment by any Registered Owner requesting any such transfer of any tax or other governmental charge required to be paid with respect to such transfer or exchange.

No transfer or exchange of a Bond shall be required to be made by the City Treasurer during the period from the Record Date (as defined in Section 8 hereof) next preceding each interest payment date to such interest payment date or after a notice of redemption shall have been mailed with respect to such Bond.

Section 8. General Terms of the Bonds; Redemption Provisions. (a) General Terms. Each Series of Bonds shall be dated the date of their delivery or such other date (the "Dated Date") as specified in the applicable Bond Award (as defined in Section 17 hereof) or in the applicable Bond Purchase Contract (as defined in Section 19 hereof). Each Series of Bonds shall bear interest at rates to be determined upon the sale of such Series of Bonds, calculated on the basis of a 360 day year comprised of twelve 30-day months, payable on the first interest payment date designated in the applicable Bond Award or the applicable Bond Purchase Contract, and semiannually thereafter on December 15 and June 15 of each year.

The principal of each Bond shall be payable in lawful money of the United States of America to the Registered Owner thereof, upon the surrender thereof at maturity or earlier redemption at the office of the City Treasurer. The interest on each Bonds shall be payable in like lawful money to the Registered Owner whose name appears on the applicable bond registration books of the City Treasurer as the Registered Owner thereof as of the close of business on the last day of the month immediately preceding an interest payment date ("Record Date"), whether or not such day is a Business Day (as defined below).

Each Series of Bonds shall bear interest from the interest payment date next preceding the date of authentication thereof unless it is authenticated: (i) as of a day during the period
from the Record Date next preceding any interest payment date to the interest payment date, inclusive, in which event it shall bear interest from such interest payment date; or (ii) on or before the first Record Date, in which event it shall bear interest from the Dated Date; provided, however, that if, at the time of authentication of any Bond, interest is in default on such Bond, such Bond shall bear interest at its stated rate from the interest payment date to which interest has previously been paid or made available for payment on such Bond or from the Dated Date if the first interest payment is not made. Except as may be otherwise provided in connection with any book-entry only system applicable to a Series of Bonds, payment of the interest on any Series of Bonds shall be made by check mailed on the interest payment date to its Registered Owner at such Owner’s address as it appears on the applicable registration books as of the Record Date; provided, however, if any interest payment date occurs on a day that banks in California or New York are closed for business or the New York Stock Exchange is closed for business, then such payment shall be made on the next succeeding day that banks in both California and New York are open for business and the New York Stock Exchange is open for business (each, a “Business Day”); and provided, further, that the Registered Owner of an aggregate principal amount of at least $1,000,000 of a Series of Bonds may submit a written request to the City Treasurer on or before a Record Date preceding an interest payment date for payment of interest by wire transfer to a commercial bank located within the United States of America. For so long as any Series of Bonds are held in book-entry form by a securities depository selected by the City pursuant to Section 15(b) hereof, payment shall be made to the Registered Owner of the Series of Bonds designated by such securities depository by wire transfer of immediately available funds.

(b) Optional Redemption. Each Series of Bonds shall be subject to optional redemption prior to maturity as provided in the applicable Official Notice of Sale or the applicable Bond Award or the applicable Bond Purchase Contract.
(c) Sinking Fund Redemption. Bonds shall be subject to mandatory redemption at par, by lot, in any year for which the purchaser thereof has designated that the principal amount payable with respect to that year shall constitute a mandatory sinking fund payment, as and to the extent provided in the applicable Bond Purchase Contract. Any Series of Bonds subject to mandatory redemption shall be designated as such in the applicable Official Notice of Sale or the applicable Bond Award or the applicable Bond Purchase Contract.

The principal of and interest on Bonds subject to mandatory redemption shall be paid from the Bond Fund for such Series (as defined in Section 10 hereof), pursuant to Section 10 hereof. In lieu of any such mandatory redemption for any Series of Bonds, at any time prior to the selection of such Series of Bonds for mandatory redemption, the City may apply such amounts on deposit in the Bond Fund for such Series to purchase such Series of Bonds subject to such redemption at public or private sale, as and when and at such prices not in excess of the principal amount thereof (including sales commission and other charges but excluding accrued interest), as the City may determine.

(d) Redemption - Selection. Whenever less than all of the Outstanding Bonds (as defined in Section 8(i) hereof) of a Series maturing on any one date are called for redemption on any one date, the City Treasurer will select the Bonds of such Series or portions thereof, in denominations of $5,000 or any integral multiple thereof, to be redeemed from the Outstanding Bonds of such Series maturing on such date not previously selected for redemption, by lot in any manner which the City Treasurer in its sole discretion deems fair.

The date on which the Bonds of a Series that are called for redemption are to be presented for redemption is herein called the “Redemption Date.”

(e) Redemption - Notice. The City Treasurer shall mail, or cause to be mailed by its agent, including but not limited to an Escrow Agent, notice of any redemption of each Series of Bonds, postage prepaid, to the respective Registered Owner thereof at the addresses
appearing on the applicable bond registration books not less than twenty (20) nor more than sixty (60) days prior to the Redemption Date. The notice of redemption shall: (i) state the Redemption Date; (ii) state the redemption price; (iii) state the maturity dates of such Series of Bonds and, if less than all of any such maturity is called for redemption, the distinctive numbers of such Series of such maturity to be redeemed, and in the case of any Series of Bonds redeemed in part only, the respective portions of the principal amount thereof to be redeemed; (iv) state the CUSIP number, if any, of each Series of Bonds to be redeemed; (v) require that such Series of Bonds be surrendered by the Registered Owner at the office of the City Treasurer or his or her agent; and (vi) give notice that interest on such Series of Bonds will cease to accrue after the designated Redemption Date. Unless funds are on deposit in the Redemption Account for any Bonds called for redemption on the date the notice of redemption is given, redemption shall be conditioned on sufficient moneys to redeem such bonds being on deposit in the Redemption Account for the Bonds called for redemption on the Redemption Date, and if sufficient moneys to redeem the Bonds called for redemption are not on deposit in the Redemption Account for such Bonds on the redemption date, the Bonds called for redemption shall not be redeemed and shall remain Outstanding for all purposes of this Resolution and the redemption not occurring shall not constitute an event of default under this Resolution.

The notice or notices required for redemption shall be given by the City Treasurer, or any agent appointed by the City. A certificate of the City Treasurer or such other appointed agent of the City that notice of redemption has been given to the Registered Owner of any Bond and any organization identified in (A) in prior paragraph in accordance with this Resolution shall be conclusive against all parties.

Provided, however, the actual receipt by the Registered Owner of any Series of Bonds, or by any organization identified in (A) in the second preceding paragraph, of notice of such
redemption shall not be a condition precedent to redemption, and failure to receive such
notice, or any defect in such notice so mailed, shall not affect the validity of the proceedings
for the redemption of such Series of Bonds or the cessation of accrual of interest on such
Series of Bonds on the Redemption Date.

(f) Payment for Optional Redemption; Redemption Account. At the time the City
treasurer or the Controller of the City, or his or her designee ("Controller"), determines to
optionally call and redeem Bonds, the City Treasurer or his or her agent shall, if necessary,
establish a redemption account to be described or known as the "General Obligation
Refunding Bonds, Series ___-R__ Redemption Account" ("Series ___-R__ Redemption
Account"), and prior to or on the Redemption Date there must be set aside in the Redemption
Account for such Bonds moneys available for the purpose which, taken together with any
interest earned thereon, will be sufficient to redeem, as provided in this Resolution, the Bonds
designated in said notice of redemption, subject to rescission or condition(s) precedent as
hereinafter provided. Said moneys must be set aside in the Redemption Account for such
Bonds solely for the purpose of, and shall be applied on or after the Redemption Date to,
payment of the redemption price of such Bonds to be redeemed upon presentation and
surrender of such Bonds. Any interest due on or prior to the Redemption Date may be paid
from the Bond Fund for such Bonds as provided in Section 10 hereof or from the Redemption
Account for such Bonds. Subject to the provisions of Section 13 hereof, moneys held from
time to time in any Redemption Account may be invested by the City Treasurer pursuant to
the City's policies and guidelines for investment of moneys in the General Fund of the City. If,
after all of the Bonds called for redemption have been redeemed and canceled or paid and
canceled, there are moneys remaining in the Redemption Account for such Bonds, said
moneys shall be transferred to the Bond Fund of the City established in Section 10 hereof.

///
When notice of optional redemption has been given, substantially as provided herein, the Bonds designated for redemption shall become due and payable on the Redemption Date therefor (subject to the condition set forth in Section 8(e) herein and any conditions set forth in the notice of redemption pursuant to subsection (g) of this Section), and upon presentation and surrender of said Bonds at the place specified in the notice of redemption, said Bonds shall be redeemed and paid at said redemption price out of the Redemption Account for said Bonds; provided no interest will accrue on said Bonds called for redemption after the Redemption Date and the Registered Owner of such Bonds shall look for payment of such Bonds only to the Redemption Account for such Bonds. All Bonds redeemed shall be canceled forthwith by the City Treasurer and shall not be reissued.

(g) Conditional Notice of Optional Redemption. Any notice of optional redemption given as provided in Section 8(e) may provide that such redemption is conditioned upon: (i) deposit in the applicable Redemption Account for the Bonds of sufficient moneys to redeem such Bonds called for redemption on the anticipated Redemption Date, or (ii) any other event specified in the notice of redemption. In the event that (A) such conditional notice of optional redemption has been given, substantially as provided herein and (B) on the scheduled Redemption Date (I) sufficient moneys to redeem the applicable Bonds have not been deposited in the Redemption Account for such Bonds, or (II) any other event specified in the notice of redemption did not occur, then such Bonds for which notice of conditional optional redemption was given shall not be redeemed and shall remain Outstanding for all purposes of this Resolution and the redemption not occurring shall not constitute an event of default under this Resolution.

(h) Rescission of Optional Redemption. The City may also rescind any optional redemption and notice thereof for any reason on any date prior to any Redemption Date by causing written notice of the rescission to be given to the Registered Owner of all Series of
Bonds so called for redemption. Notice of such rescission of redemption shall be given in the same manner notice of redemption was originally given. The actual receipt by the Registered Owner of any Series of Bonds of notice of such rescission shall not be a condition precedent to rescission, and failure to receive such notice or any defect in such notice so mailed shall not affect the validity of the rescission.

(i) Definition of “Outstanding”. As used herein, the term “Outstanding” means all Bonds except:

(i) Bonds theretofore canceled by the City and the Treasurer or surrendered to the Treasurer for cancellation;
(ii) Bonds paid or deemed to have been paid within the meaning of Section 13; and
(iii) Bonds in lieu of or in substitution for which other Bonds shall have been executed, issued and delivered by the City and the Treasurer pursuant hereto.

Section 9. Tax Levy. For the purpose of paying the principal of and interest on the Bonds, the City at the time of fixing the general tax levy shall continue to fix, and in the manner provided for such general tax levy, levy and collect taxes annually each year until all Outstanding Bonds have been paid, or provision for their payment has been made in accordance with Section 13 hereof; provided, however, that if the Board expects to sell any Bonds at such time that the principal of or interest on such Series of Bonds will become due before the proceeds of a tax levied after such sale would be available to pay such principal or interest, the City, at the time of fixing the annual tax levy, may adjust the tax levy in an amount sufficient to pay that portion of the principal of and interest on such Bonds which it expects will become due before the proceeds of the next succeeding tax levy will be available.

Said tax(es) shall be in addition to all other taxes levied for City purposes and shall be collected at the same time and in the same manner as other taxes of the City are collected.
Pursuant to the terms of this Resolution, the City hereby pledges the proceeds of the tax levied to pay the Bonds as security for the Bonds and the interest thereon, and the Treasurer is hereby directed to deposit the proceeds of the aforementioned tax(es) into the Bond Fund for such Bonds. Such fund or funds shall be kept separate and apart from all other funds. So long as any Bonds are Outstanding, moneys in the applicable Bond Fund shall be used solely for the purpose of paying the principal of and interest on such Bonds as such principal and interest shall become due and payable. In addition, payment of such principal and interest shall be secured by the statutory lien of California Government Code Section 53515..

Section 10. Establishment and Application of the Bond Fund for Each Series. (a) There is hereby established in trust for each Series of Bonds a special fund designated “General Obligation Refunding Bonds, Series ____-R____ Bond Fund” (“Series ____-R____ Bond Fund”), which will be held by the Treasurer and shall be kept separate and apart from all other funds and accounts held hereunder.

All taxes levied pursuant to this Resolution for payment of Bonds of a Series shall be deposited upon collection by the City into the Bond Fund for such Series of Bonds, and used for the payment of the principal of, premium, if any, and interest on, such Bonds (collectively, the “Debt Service”). On or prior to the date on which any Debt Service is due, including by mandatory redemption on said date, the City Treasurer shall transfer from the Bond Fund for such Bonds the amount necessary to pay the Debt Service on the applicable Bonds on such date.

(b) On or prior to the date on which any Bonds are to be redeemed at the option of the City pursuant to this Resolution, the City Treasurer shall allocate to and deposit in the Redemption Account for such Bonds, from amounts held in the Bond Fund, an amount which, when added to any available moneys contained in such Redemption Account, and any
interest to be earned thereon between the date moneys are deposited and the redemption
date, is sufficient to pay Debt Service with respect to such Bonds on such redemption date.

The City Treasurer may make such other provisions for the payment of Debt Service
on any Bonds as is necessary or convenient to permit payment, including the optional
redemption, of any Bonds.

(c) Amounts in any Bond Fund may be invested in any investment of the City in
which moneys in the General Fund of the City are invested. The City Treasurer may
commingle any of the moneys held in the any Bond Fund with other City moneys for
investment purposes only; provided, however, that all of the moneys held in each Bond Fund
established hereunder shall be accounted for separately notwithstanding any such
commingling by the City Treasurer.

(d) If at any time it is deemed necessary or desirable by the City, the Treasurer may
establish additional funds under this Resolution and/or accounts within any of the funds or
accounts established hereunder.

Section 11. Establishment and Application of the Rebate Fund for Each Series. There
is hereby established in trust for each Series of Bonds a special fund designated “General
Obligation Refunding Bonds, Series ____-R____ Rebate Fund” (“Series ____ R____ Rebate
Fund”), which shall be held by the Treasurer and which shall be kept separate and apart from
all other funds and accounts held hereunder. The Treasurer shall deposit moneys into each
Rebate Fund in accordance with the provisions of the tax certificate for the related Series of
Bonds. Amounts on deposit in the Rebate Fund shall only be applied to payments made to
the United States or otherwise transferred to other accounts or funds established hereunder,
in accordance with the tax certificate for the related Series of Bonds.

Section 12. Establishment and Application of Costs of Issuance Fund for Each Series.
The Controller is hereby authorized to establish one or more costs of issuance accounts in
trust for each Series of Bonds a special fund (s) designated “General Obligation Refunding 
Bonds, Series ____-R____ Costs of Issuance Fund” (“Series ____-R____ Costs of Issuance 
Fund”), to be maintained by the Treasurer and which shall be kept separate and apart from all 
other funds and accounts held hereunder.

The portion of the proceeds of each sale of Bonds, which is so specified by the 
Controller, shall be deposited by the Treasurer to the credit of the Costs of Issuance Fund for 
such Bonds.

The City Treasurer is hereby authorized to pay or cause to be paid from the Cost of 
Issuance Fund for each Series, on behalf of the City, the costs of issuance associated with 
such Series of Bonds, as such costs are defined under Government Code Section 53550.

All moneys on deposit in the Costs of Issuance Fund twelve months after issuance of 
the applicable Series of Bonds shall be transferred to the applicable Bond Fund and applied to 
pay interest on the applicable Series of Bonds; provided that the Treasurer first shall receive a 
certificate of the Director of Public Finance consenting to such transfer.

Section 13. Defeasance Provisions for Each Series. (a) Payment of all or any portion 
of each Series of Bonds may be provided for prior to such Series of Bonds’ respective stated 
maturities by irrevocably depositing with the City Treasurer (or any commercial bank or trust 
company designated by the City Treasurer to act as escrow agent with respect thereto):

(i) An amount of cash equal to the principal amount of all of such Series of Bonds 
or a portion thereof, and all unpaid interest thereon to maturity, provided that in the case of the 
portion of a Series of Bonds that are to be redeemed prior to such Series of Bonds’ respective 
stated maturities and for which notice of such redemption shall have been given as provided 
in Section 8 hereof or an irrevocable election to give such notice shall have been made by the 
City, the amount to be deposited shall be the principal amount thereof, all unpaid interest 
thereon to the Redemption Date, and premium, if any, due on such Redemption Date; or
(ii) Defeasance Securities (as defined in (b) below) not subject to call, except as
provided below in the definition thereof, maturing and paying interest at such times and in
such amounts, together with interest earnings and cash, if any, as will, without reinvestment,
as certified by an independent certified public accountant to be sufficient to pay the principal
and all unpaid interest to maturity, or to the Redemption Date, as the case may be, and
premium, if any, due on the portion of the Series of Bonds to be paid or redeemed, as such
principal, premium, if any, and interest come due; provided, that, in the case of a Series of
Bonds that are to be redeemed prior to maturity, irrevocable notice of such redemption shall
be given as provided in Section 8 hereof or an irrevocable election to give such notice shall
have been made by the City.

Upon the deposit described in (i) or (ii), all obligations of the City with respect to said
Series of Bonds shall cease and terminate, except only the obligation of the City to pay or
cause to be paid from the funds deposited pursuant to paragraphs (i) or (ii) of this Section 13
to the Registered Owners of such Series of Bonds all sums due with respect thereto and the
obligations of the City pursuant to Section 21 hereof; provided, that the City shall have
received, if desirable, an opinion of nationally recognized bond counsel that provision for the
payment of such Series of Bonds has been made in accordance with this Section 13.

(b) For purposes of this Section 13, “Defeasance Securities” shall mean any of the
following that at the time are legal investments under the laws of the State of California for the
moneys proposed to be invested therein:

(i) United States Obligations (as defined below); and

(ii) Pre-refunded fixed interest rate municipal obligations meeting the following
conditions: (A) the municipal obligations are not subject to redemption prior to maturity, or the
trustee or paying agent thereof has been given irrevocable instructions concerning their
calling and redemption and the issuer has covenanted not to redeem such obligations other
than as set forth in such instructions; (B) the municipal obligations are secured by cash or United States Obligations; (C) the principal of and interest on the United States Obligations (plus any cash) in the escrow fund for such municipal obligation are sufficient to meet the liabilities of the municipal obligations; (D) the United States Obligations serving as security for the municipal obligations are held by a trustee or other escrow agent; (E) the United States Obligations are not available to satisfy any other claims, including those against the trustee or escrow agent; and (F) the municipal obligations are rated (without regard to any numerical modifier, plus or minus sign or other modifier), at the time of original deposit to the escrow fund for the Prior Bonds to be refunded, by any two Rating Agencies (as defined below) not lower than the rating then maintained by the respective Rating Agency on such United States Obligations.

For purposes of this Section 13, “United States Obligations” shall mean (i) direct and general obligations of the United States of America, or obligations that are unconditionally guaranteed as to principal and interest by the United States of America, including without limitation, the interest component of Resolution Funding Corporation (REFCORP) bonds that have been stripped by request to the Federal Reserve Bank of New York in book-entry form, or (ii) any security issued by an agency or instrumentality of the United States of America which is selected by the Director of Public Finance and which is rated (without regard to any numerical modifier, plus or minus sign or other modifier), at the time of initial deposit to the escrow fund for the Prior Bonds to be refunded, and upon any substitution or subsequent deposit to such escrow fund, by any two Rating Agencies not lower than the rating then maintained by the respective Rating Agency on United States Obligations described in (i) of this definition.

The Controller or the Director of Public Finance is hereby authorized and directed to execute and deliver one or more Escrow Agreement(s) for each Series or multiple Series of Bonds in substantially such form, with such changes, additions, amendments or modifications made in accordance with Section 24 hereof.

A portion of the proceeds of the sale of each Series of Bonds, which is so specified by the Controller, shall be deposited by the Treasurer to the credit of one or more Escrow Accounts established by an Escrow Agreement(s) to be applied to the redemption of the Prior Bonds to be redeemed with such proceeds. Such money so deposited shall constitute the "refunding fund" within the meaning of Section 53555 of the California Government Code.

The Controller or Director of Public Finance is hereby authorized and directed, pursuant to the Escrow Agreement applicable to the Prior Bonds being refunded, to provide for the investment of the funds deposited under the Escrow Agreement, which deposits shall be secured in accordance to the law applicable to the investment of City funds.

Such verification agents shall serve
under such terms and conditions as the Director of Public Finance shall determine. The Director of Public Finance may remove or replace verification agents appointed pursuant to this Section at any time.

(b) The Depository Trust Company or any successor thereto ("DTC") is hereby appointed as securities depository for each Series of Bonds. Each Series of Bonds shall be initially issued only in book-entry form. Upon initial issuance, the ownership of each Series of Bonds shall be registered in the bond registration books in the name of Cede & Co., or such other nominee as DTC may in writing direct the Treasurer. So long as each Series of Bonds is registered in book-entry form, each such Series of Bonds shall be registered in the name of Cede & Co. or such other nominee as DTC may direct in writing. The City will not have any responsibility or obligation to any purchaser of a beneficial ownership interest in any Series of Bonds or to any participants in DTC, or to any successor securities depository appointed by the City, with respect to: (i) the accuracy of any records maintained by such securities depository or any participant therein; (ii) any notice that is permitted or required to be given to the Registered Owner of such Series of Bonds under this Resolution; (iii) the selection by such securities depository or any participant therein of any person to receive payment in the event of a partial redemption of such Series of Bonds; (iv) the payment by such securities depository or any participant therein of any amount with respect to the principal or redemption premium, if any, or interest due with respect to such Series of Bonds; (v) any consent given or other action taken by such securities depository as the Registered Owner of such Series of Bonds; or (vi) any other matter.

(c) The City Treasurer is hereby also authorized to appoint one or more agents, as he or she may deem necessary or desirable. To the extent permitted by applicable law and under the supervision of the City Treasurer, such agents may serve as paying agent, fiscal agent, rebate calculation agent, escrow agent or registrar for any Series of Bonds, or may
assist the City Treasurer in performing any or all of such functions and such other duties as
the City Treasurer shall determine. If the City Treasurer appoints one or more paying agents
or registrars, the procedures set forth in Section 8 hereof relating to registration of ownership
of each Series of Bonds and payments and redemption notices to Registered Owner of each
Series of Bonds may be modified to comply with the policies and procedures of such paying
agent or registrar. Such agents shall serve under such terms and conditions as the City
Treasurer shall determine. The City Treasurer may remove or replace agents appointed

substantially the form presented to this Board, copies of which are on file with the Clerk of the

The form of such Purchase Contract as presented to this Board, a copy of which is on file with the Clerk, is hereby approved. The Controller is hereby authorized to execute the Purchase Contract with such charges, additions and modifications as the Controller may make or approve in accordance with Section 24 hereof.

Section 20. **Official Statements.**

(a) The form of proposed Preliminary Official Statement describing the Series 2020-R1 Bonds including all appendices ("Preliminary Official Statement") submitted to the Board, in substantially the form presented to this Board, copies of which are on file with the Clerk of the Board and by this reference incorporated herein, is hereby approved and adopted as the Preliminary Official Statement for the Series 2020-R1 Bonds, with such additions, corrections and revisions as may be determined by the Controller to be necessary or desirable. The Controller is hereby authorized to deem final the Preliminary Official Statement for purposes of Securities and Exchange Commission Rule 15c2-12 promulgated under the Securities Exchange Act of 1934, as amended ("Rule"), and to sign a certificate to that effect. The Director of Public Finance is hereby authorized and directed to cause to be printed and mailed or electronically distributed to prospective bidders for the Series 2020-R1 Bonds copies of one or more Preliminary Official Statements deemed final by the Controller. The Controller is authorized and directed to approve, execute, and deliver the final Official Statement with respect to the Series 2020-R1 Bonds, which final Official Statement shall be in the form of the deemed final Preliminary Official Statement, with such additions, corrections and revisions as
may be determined to be necessary or desirable made in accordance with Section 24 hereof
and as are permitted under the Rule. The Director of Public Finance is hereby authorized and
directed to cause to be printed and mailed or electronically distributed copies of the final
Official Statement to all actual initial purchasers of the Series 2020-R1 Bonds. The Controller
or Director of Public Finance is also hereby authorized and directed to authorize, approve,
and cause to be published any supplements or amendments that may be deemed necessary
in consultation with Disclosure Counsel and the Underwriters.

(b) The Controller is hereby authorized and directed, in consultation with the City
Attorney, to prepare one or more Preliminary Official Statements in connection with each sale
of Bonds issued subsequent to the Series 2020-R1 Bonds. The Preliminary Official
Statement and the final Official Statement for such subsequent Series of Bonds shall be
approved in accordance with City procedures applicable at the time such Preliminary Official
Statement and final Official Statement are approved. The Controller or Director of the Office of
Public Finance is also hereby authorized to authorize, approve, and cause to be published
any supplements or amendments that may be necessary in connection with the
aforementioned Preliminary and Final Official Statements.

Section 21. Tax Covenants.

(a) General. The City hereby covenants with the Registered Owners of all tax-
exempt Bonds that, notwithstanding any other provisions of this Resolution, it shall not take
any action, or fail to take any action, if any such action or failure to take action would
adversely affect the exclusion from gross income of interest on such Bonds under Section 103
of the Code, and the regulations of the United States Department of the Treasury issued
thereunder ("Regulations"), as the same may be amended from time to time, and any
successor provisions of law. Reference to a particular section of the Code shall be deemed to
be a reference to any successor to any such section. The City shall not, directly or indirectly,
use or permit the use of proceeds of any such Bonds or any of the property financed or refinanced with proceeds of any such Bonds or any portion thereof, by any person other than a governmental unit (as such term is used in Section 141 of the Code), in such manner or to such extent as would result in the loss of exclusion of interest on any Such Bonds from gross income for federal income tax purposes.

(b) Use of Proceeds. The City shall not take any action, or fail to take any action, if any such action or failure to take action would cause any tax-exempt Bonds to be "private activity bonds" within the meaning of Section 141 of the Code, and in furtherance thereof, shall not make any use of the proceeds of any such Bonds or any of the property financed or refinanced with proceeds of any such Bonds or any portion thereof, or any other funds of the City, that would cause any such Bonds to be "private activity bonds" within the meaning of Section 141 of the Code. To that end, so long as any tax-exempt Bonds are unpaid, the City, with respect to such proceeds and property and such other funds, will comply with applicable requirements of the Code and all regulations of the United States Department of the Treasury issued thereunder and under Section 103 of the Internal Revenue Code of 1954, as amended ("1954 Code"), to the extent such requirements are, at the time, applicable and in effect. The City shall establish reasonable procedures necessary to ensure continued compliance with Section 141 of the Code (or, if applicable, the 1954 Code) and the continued qualification of each of the tax-exempt Bonds as "governmental bonds."

(c) Arbitrage. The City shall not, directly or indirectly, use or permit the use of any proceeds of any tax-exempt Bonds, or of any property financed or refinanced thereby, or other funds of the City, or take or omit to take any action, that would cause any tax-exempt Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code. To that end, the City shall comply with all requirements of Section 148 of the Code and all Regulations to the extent such requirements are, at the time, in effect and applicable to any tax-exempt Bonds.
(d) Federal Guarantee. The City shall not make any use of the proceeds of any tax-
exempt Bonds or any other funds of the City, or take or omit to take any other action, that
would cause any such Bonds to be “federally guaranteed” within the meaning of Section
149(b) of the Code.

(e) Information Reporting. The City shall take or cause to be taken all necessary
action to comply with the informational reporting requirement of Section 149(e) of the Code
with respect to each tax-exempt Bonds.

(f) Hedge Bonds. The City shall not make any use of the proceeds of any tax-
exempt Bonds or any other amounts or property, regardless of the source, or take any action
or refrain from taking any action, that would cause any such Bonds to be considered “hedge
bonds” within the meaning of Section 149(g) of the Code unless the City takes all necessary
action to assure compliance with the requirements of Section 149(g) of the Code.

(g) Compliance with Tax Certificates. In furtherance of the foregoing tax covenants
of this Section 21, the City covenants that it will comply with the provisions of each tax
certificate to be executed by the City with respect to any tax-exempt Bonds, dated the date of
issuance of such Bonds, as each such tax certificate may be amended from time to time in
accordance with its terms. This covenant shall survive payment in full or defeasance of any
tax-exempt Bonds.

Section 22. Continuing Disclosure Certificate. The form of Continuing Disclosure
Certificate (“Continuing Disclosure Certificate”) to be signed by the City to permit the original
purchasers of each Series of Bonds to comply with the Rule, submitted to the Board, in
substantially the form presented to this Board, copies of which are on file with the Clerk of the
Board and by this reference incorporated herein, is hereby approved and adopted as the
Continuing Disclosure Certificate, with such additions, corrections and revisions as may be
determined to be necessary or desirable to be made in accordance with Section 24 hereof,
including, without limitation, the use of a separate Continuing Disclosure Certificate for each Series of Bonds. The Controller is hereby authorized and directed to execute the Continuing Disclosure Certificate on behalf of the City and deliver the Continuing Disclosure Certificate to the original purchasers of each Series of Bonds.

Section 23. Moneys Held in Trust. All amounts held in any fund or account established hereunder (other than the Costs of Issuance Fund and the Rebate Fund), subject to the limitations set forth herein, (a) are held in trust for the benefit of the Registered Owners of the Series of Bonds secured thereby as provided herein; (b) are hereby irrevocably pledged to the payment of the interest and premium, if any, and principal of the Series of Bonds secured thereby as provided herein; and (c) such amounts shall not be used for any other purpose while any of the Bonds of such Series remain Outstanding; provided, however, that out of such amounts, there may be applied such sums for such purposes as are permitted hereunder. This pledge shall constitute a first pledge of and charge and lien upon all moneys on deposit in the funds and accounts established hereunder (other than the Costs of Issuance Fund and the Rebate Fund) for the payment of the interest on and principal of the applicable Series of Bonds in accordance with the terms hereof and thereof.

Section 24. Modification to Documents. Any City official authorized by this Resolution to execute any document is hereby further authorized, in consultation with the City Attorney, to approve and make such changes, additions, amendments or modifications to the document or documents such official is authorized to execute as may be necessary or advisable (provided that such changes, additions, amendments or modifications shall not authorize an aggregate principal amount of Bonds in excess of $1,482,995,000 or conflict with the provisions of Section 4 hereof). The approval of any change, addition, amendment or modification to any of the aforementioned documents shall be evidenced conclusively by the execution and delivery of the document in question.
Section 25. Ratification. All actions heretofore taken by officials, employees and agents of the City with respect to the sale and issuance of any Series of Bonds are hereby approved, confirmed and ratified.

Section 26. General Authority; Sunset. The Clerk of the Board of Supervisors, the Mayor, the City Treasurer, the Director of Public Finance, the City Attorney and the Controller are each hereby authorized and directed in the name and on behalf of the City: (a) to take any and all actions and steps, and to (b) issue, deliver or enter into any and all certificates, requisitions, agreements, notices, consents, and other documents, in each case as may be necessary to give effect to the provisions of this Resolution, including but not limited to letters of representations to any depository or depositories, which they or any of them might deem necessary or appropriate in order to consummate the lawful issuance, sale and delivery of any Series of Bonds and the refunding of the Prior Bonds. Any such actions are solely intended to further the purposes of this Resolution, and are subject in all respects to the terms of this Resolution. No such actions shall increase the risk to the City or require the City to spend any resources not otherwise granted herein. Final versions of any such documents shall be provided to the Clerk of the Board of Supervisors for inclusion in the official file within 30 days (or as soon thereafter as final documents are available) of execution by all parties.
Notwithstanding anything to the contrary, the authority to issue Bonds in the amounts and on
the terms contained in this Resolution shall expire on June 30, 2025.

PRINCIPAL AMOUNT: $___________ (____ DOLLARS)

THE CITY AND COUNTY OF SAN FRANCISCO, State of California ("City"), acknowledges itself indebted to and promises to pay the registered owner set forth above or registered assigns (the "Registered Owner"), on the Maturity Date set forth above the
Principal Amount set forth above in lawful money of the United States of America, and to pay interest thereon in like lawful money from the interest payment date next preceding the date of authentication of this Bond (unless this Bond is authenticated as of the day during the period from the last day of the month next preceding any Interest Payment Date (the “Record Date”) to such Interest Payment Date, inclusive, in which event it shall bear interest from such Interest Payment Date, or unless this Bond is authenticated on or before __________, ___ in which event it shall bear interest from its dated date), until payment of such Principal Amount, at the Interest Rate per annum set forth above, calculated on the basis of a 360-day year comprised of twelve 30-day months, payable on __________, ____, and semiannually thereafter on __________ and __________ in each year (each an “Interest Payment Date”); provided, however, if any Interest Payment Date occurs on a day that banks in California or New York are closed for business or the New York Stock Exchange is closed for business, then such payment shall be made on the next succeeding day that banks in both California and New York are open for business and the New York Stock Exchange is open for business (a “Business Day”).

The principal hereof is payable to the Registered Owner hereof upon the surrender hereof at the office of the Treasurer of the City (the “City Treasurer”) in San Francisco, California. Notice of redemption shall be given by mail not less than twenty (20) days prior to the redemption date to the Registered Owner thereof, but neither failure to receive any such notice or any defect in the notice so mailed shall affect the sufficiency of the proceedings for redemption.
